to be known by people across the world regardless of culture age or sex Even those who don't listen to music know who Madonna is Right from the start Madonna seemed to have a plan on how to dominate the world She wasn't just satisfied with having a successful music career Right after her first two albums both of which were blockbuster albums that produced numerous hit singles such as Like a Virgin Holiday and Material Girl she dabbled in movies and became a movie star With her messy chic style that was mimicked by girls everywhere she also became a fashion icon Her presence and influence was so great in the 1980s that her style and music has come to characterise the decade As time went on the world saw that Madonna wasn't just some entertainer who loved to shock people Of course she did a great job of that over the years by doing things such as wearing scanty clothing while draped in crucifix necklaces kissing other women and releasing a soft porn coffee table book But perhaps the real reason why she hasn't disappeared yet is because Madonna is extremely smart and shrewd Her accomplishments in the music industry alone include selling more than 300 million records worldwide ranking as the world's top selling female recording artist and top solo artist several sold out tours and multiple Grammy awards This hardly scratches the surface of what she's done with her life By reinventing herself over and over again and diversifying her talents she had managed to keep herself relevant and exciting Not only is she a singer and actress she's also a movie producer songwriter author philanthropist and business entrepreneur She is one of those rare people who have become a part of American culture itself EXCERPT FROM THE BOOK So after struggling for several years in New York City Madonna finally hit it big in the early 80s Her first album the self-titled Madonna featured several Billboard top hits including Holiday Borderline and Lucky Star At MTV's very first Video Music Awards she performed her new song Like a Virgin to promote her upcoming album of the same name Performing on top of a giant wedding cake and writhing around on the floor while dressed in a wedding dress fitted with a bustier she became a national sensation She also caused parental and religious outrage who thought her blatant displays of sexuality rather offensive Like a Virgin demonstrated that Madonna wasn't just a one album wonder It took the number one spot on the album charts for three weeks straight Seven million copies of the album were sold worldwide by May 1985 Her music video for Material Girl inspired by Marilyn Monroe's Diamonds Are a Girl's Best Friend song routine from the movie Gentlemen Prefer Blondes showed that Madonna could do the glamorous look as well just as good as any other celebrity **Madonna** Debbi Voller,1990 An in depth illustrated study of the Madonna story
