Madonna Complex:

Madonna Complex Peter Andrew Sacco, PhD, 2011-06-01 Description The Madonna complex is not something new In fact it was and often times is still usually referred to as the Madonna whore complex And what does this mean exactly The Madonna complex is a book which explains in essence two things 1 Why men are more prone to sexual addiction and 2 Why men with the Madonna complex prefer to not have sex with their partners rather have extramarital affairs and or become addicted to pornography strip clubs and other venues of the sex trade The book explains the etiology for why it happens and what causes it The book also explains how women namely the victims of the infidelity think feel about their mates Finally the book provides first hand insights from individuals who have the Madonna complex or aspects of it as well as case studies from the victims of it Can sex become addiction You bet it can and this book shows you why About the Author PETER ANDREW SACCO PH D Peter is an international author of the popular selling books What s Your Anger Type and Penis Envy He is former TV talk show host of Mental Health Matters and resident expert on many TV shows Peter is also the former Editor in Chief for Vices The Magazine for Addictions Habits and Well Being Peter is a psychology professor specializing in addictions relationships and criminal psychology and former private practitioner He resides in Niagara Falls Canada DEBRA LAINO D H S Dr Debra Laino is a Board certified Sex Therapist and Sex Educator in the Philadelphia area She is in private practice and teaches for several Universities Dr Laino does countless media appearances and is a published author her most recent book being Eleven reasons Why Women Cheat published in 2010 She is currently a columnist for Sex Appeal Magazine based out of Detroit Michigan As a young woman who has dealt with a desire disorder herself she has great insight and empathy for clients going through these issues Women, Sex, and the Law Rosemarie Tong, 1984 Feminist scholars have long been concerned with how women and sexuality are perceived and treated by the American legal system Feminists have put forth a variety of arguments seeking the causes and solutions to the class based and sex biased characteristics of the legal system that contribute to the victimization of women in contemporary society No consensus within the women s movement has been achieved on a number of legal issues such as pornography or prostitution since approaches are often divided by political economic moral or sexual ideology Women Sex and the Law is a comprehensive survey and analysis of the legal and sexual issues important to women Rosemarie Tong introduces the reader to the different feminist and legal perspectives on the causes and solutions for the problems of pornography sexual harassment prostitution rape and woman battering Tong clearly and concisely details and assesses the legal theory and practice for each issue describes and critiques the various feminist debates surrounding these concerns and offers her own thoughtful proposals for ameliorating the discriminatory tendencies and improving the effectiveness of our present legal system Madonna's Drowned Worlds Santiago Fouz-Hernandez, 2017-07-05 Madonna is perhaps one of the most consistently transgressive and self transforming artists of the late 20th and early 21st centuries The recent release of two critically acclaimed and best selling albums and a

sold out world tour have renewed media and academic interest in the artist Madonna presents a set of strikingly new challenges to cultural analysis and new developments in Gender Queer and Ethnic studies have shed more light on her entire oeuvre Whilst the contributors do refer to classic cultural theorists such as Baudrillard Zizek Foucault and Barthes new theoretical approaches to Madonna s work feature prominently In view of this the present volume offers new perspectives on Madonna s work to date addressing her configurations of race gender and sex uality and with special emphasis on her resurrection after the Sex backlash in the early 1990s The collection focuses on new Madonna related topics such as Hinduism Judaism Japanese culture All American culture Queer culture Motherhood and her influence on newer girl acts such as the Spice Girls and Britney Spears The book explores the themes of gender sexuality ethnicity and celebrity consumption through the lens of Madonna s songs videos and shows An international array of scholars portrays Madonna s popularisation of the notion that identity is not fixed and can be continuously rearranged and revamped The book should have wide appeal for all those concerned with gender studies cultural studies ethnic studies lesbian and gay musicology as well as popular music studies

The Italian American Heritage Pellegrino A D'Acierno,2021-12-12 First published in 1999 The many available scholarly works on Italian Americans are perhaps of little practical help to the undergraduate or high school student who needs background information when reading contemporary fiction with Italian characters watching films that require a familiarity with Italian Americans or looking at works of art that can be fully appreciated only if one understands Italian culture This basic reference work for non specialists and students offers quick insights and essential easy to grasp information on Italian American contributions to American art music literature motion pictures and cultural life This rich legacy is examined in a collection of original essays that include portrayals of Italian characters in the films of Francis Coppola Italian American poetry the art of Frank Stella the music of Frank Zappa a survey of Italian folk customs and an analysis of the evolution of Italian American biography Comprising 22 lengthy essays written specifically for this volume the book identifies what is uniquely Italian in American life and examines how Italian customs traditions social mores and cultural antecedents have wrought their influence on the American character Filled with insights observations and ethnic facts and fictions this volume should prove to be a valuable source of information for scholars researchers and students interested in pinpointing and examining the cultural intellectual and social influence of Italian immigrants and their successors
