Magazine Of Her Own:

A Magazine of Her Own? Margaret Beetham, 2003-09-02 Like the corset the women's magazines which emerged in the nineteenth century produced a natural idea of femininity the domestic wife the fashionable woman the romancing and desirable girl Their legacy from agony aunts to fashion plates are easily traced in their modern counterparts But do these magazines and their promises empower or disempower their readers A Magazine of Her Own is a lively and revealing exploration of this immensely popular form from its beginnings In fascinating detail Margaret Beetham investigates the desires images and interpretations of femininity posed by a medium whose readership was and still is almost exclusively female A Magazine of Her Own is at once a chronological tracing of the history a collection of intriguing case studies and an intervention into recent debates about gender and sexuality in popular reading It is a book which anyone who is interested in the unique influential world of the woman's magazine students scholars and general readers alike will want to read
