Life is a Story - story.one* Magdalena Hristova,2023-08-31 The Bermuda Triangle is a vicious place when you discover its secrets Superstitious tales of missing shipwrecks conspiracies of merfolk luring sailors to their deaths and even giant monsters are only some of the rumours that encompass that spot in the North Atlantic Ocean But do they really tell the truth Are the gods to blame for these occurrences And is the Apple of Youth actually real or merely a children's bedtime story I thought this would be another regular sailing trip with my best friends yet my life flipped upside down only within a few days With everything I've gone through and all of the hardships I've endured I don't know if I'll live long enough to see the sunrise tomorrow I'm alone Alone and scared *I Remember Union* Flo Aeveia Magdalena,2013-06-01 From the *Swing Between Worlds* a realm of light where souls create the design for their lives we see Mary Magdalene accept the challenges she will face as a visionary healer teacher and counterpart of Jesus Christ As she looks into the future she sees that in 2000 years the people will also remember their own light their own divinity and choose to live in peace Now is the time she has seen Now is the time for

Peace From the Preface Mary was not a harlot powerless following Christ She was a woman of extraordinary vision and power facing her fears with immense courage and determination Setting aside personal feelings and desires she dedicated her life to upholding God and the greater design she had pledged to serve regardless of the obstacles she encountered She is a noble beautiful nurturing woman who will take you in her arms and call from you the memory and truth of who you are Read her story and Remember the Design for Peace in Your Heart      La Magdalena Lauren Sleeman, 2013-12-19 La Magdalena draws on the largely overlooked and almost forgotten document of early history The Gospel of Mary to create a fictional account of Mary Magdalen s teachings her disciples and her relationship with Jeshua best known to us as Jesus Christ Mary is presented as a member of an early sect called the Theraputeae who understood ancient knowledge and intuitive wisdom As the story progresses Mary and Jeshua face the challenges of his imminent death and the journey Mary and her followers must subsequently make as concerns for her safety become paramount The book contains familiar elements of human behaviour such as love betrayal joy and jealousy as we join Mary in her account of the events that took place over two millennia ago events that could have had a very different outcome
