*Becoming Literate in the City* Robert Serpell, Linda Baker, Susan Sonnenschein, 2005-01-10 Literacy is one of the most highly valued cultural resources

of contemporary American society yet far too many children in the nation's cities leave school without becoming sufficiently literate. This book reports the results of a five-year longitudinal study in the city of Baltimore, Maryland, tracing literacy development from pre-kindergarten through third grade for a sample of children from low and middle income families of European and African heritage. The authors examined the intimate culture of each child's home defined by a confluence of parental beliefs, recurrent activities and interactive processes in relation to children's literacy competencies. Also examined were teacher beliefs and practices and connections between home and school. With its broad-based consideration of the contexts of early literacy development, the book makes an important contribution to understanding how best to facilitate attainment of literacy for children from diverse backgrounds. *Stories Straight from Mommy's Heart* Ahuva Raanan, 2007

Donna M. Savage, 2008-06-01 The author relates her experiences and emotions concerning domestic violence that occurred as a child as well as an adult and then what it took to escape the situation. *The Other Place* Mia Tanaka, 2011-05-24 What happens when you introduce the quirkiest wise-cracking modern-day human children into a fantastical and magical world full of wonder and awe? How will they react when they come across the most astonishing creatures and beings? How will they react to these children? Magical journeys for four siblings take them far beyond the reaches of imagination and plant them into an unbelievable world full of astounding beauty that most couldn't even imagine and only few have seen as they face some unimaginable dangers alongside a wide range of friends discovering different things about themselves along the way. *Tuning Into Mom* Michal Clements, Teri Lucie Thompson, 2011 American mothers are household CFOs in charge of an estimated 2.45 trillion in direct spending. They are also an important influence on other family members' buying habits. Many organizations have identified moms as an important customer group, but the broad age-based definitions these companies work with mask an array of different consumer behaviors. Written by two leading marketers, this book provides a new approach to understanding the American Mom market, examining the mom's influence on or control of the purchasing habits of children of all ages from infants and toddlers to young adults and brings focus to the frequently overlooked purchase influence of moms on teenagers. The authors combine large-scale quantitative research of more than 4,700 mothers with qualitative case studies from individual participants. Highly recommended for practitioners in retailing and product development, this book will also be a valuable supplemental text for college courses in consumer behavior and marketing strategy. *Daddy's Little Girl and Mommy's Little Boy* Zester Hatfield, 2005-05-04 Mr. Hatfield, with all of his years of experience in marriage, parenting, family missions and in the Church, pulls no punches in calling Christ's Bride to return to His Truth. God's revealed Law/Word regarding discipleship, men and women of faith and grace in Manhood and Womanhood, outrageously successful spousal relations, parenting with training in romance, sexual satisfaction, love and marriage. He is calling all believers, especially men, to confession and repentance and to receive, understand and apply these Truths in the Power of the Holy Spirit as the only acceptable response in which God will revive and reform the Family and the

Church in the 21st Century Not for the weak kneed weak minded or humanistically influenced this is for Christ s Bride as we prepare for and anticipate His return These applications of God s revealed Law Word and His uncommon common sense in the lives of America s postmodern Christian culture and especially the promise of duplicating of these successes for love and marriage in our children is exciting and challenging to the point of precedent setting magnitudes The reader will experience riveting and exciting challenges to the status quo of our present day Christian culture Based on interviews with more than 1000 adults nationwide the survey discovered that less than one out of every five adults believes that children under the age of 13 are being superbly or pretty well prepared for life emotionally physically spiritually intellectually or physically Fewer than one out of every twenty adults believes that America s youngsters are receiving above average preparation in all five of those areas of life Americans Agree Kids Are Not Being Prepared for Life The Barna Group October 26 2004 The couples who discover the answers to the moral morass of our postmodern Christian culture are those who know that the future of their children is in jeopardy and that we are in a war for the control of that future Sadly the statistics of broken homes divorces adultery domestic violence drugs and promiscuity to mention only some of the ills of our culture are almost equally divided between Christian families and non Christian families This is unacceptable as a comparison and must change Consequently fathers and mothers of faith and grace are those who are and or who will experience God s promise of victory over these fruits of our fallen nature and live a marriage experience that captures the best of God s gifts of love sex and romance in marriage Daddy s Little Girl and Mommy s Little Boy brings us clear evidence of just how America s Christian couples can have this victory in their marriage and how to duplicate this success in their sons and daughters **Project Manager Mom**

Frank McMaye,2017-12-22 An appreciation for the one who consistently answers the questions Whats for dinner What should I wear Can I go to a sleepover Have you seen my keys Where are my socks Where are the kids immunization records I dont feel well what should I do And many such questions that come up in the house every day The one who arrives early at work to deal the boss or employees sneak out at break to check on the babysitter swing by the grocery on the way home drops her bag and goes straight to the kitchen to make dinner spends all Saturday supporting the kidss soccer game Mom Its all about getting work done at home as it is in the workplace It can be managed as a team so mom doesnt have to carry a disproportional share of it [The Star Side of Bird Hill](#) Naomi Jackson,2016-08-23 Two sisters are suddenly sent from their home in Brooklyn to Barbados to live with their grandmother in Naomi Jackson s stunning debut novel This lyrical novel of community betrayal and love centers on an unforgettable matriarchal family in Barbados Two sisters ages ten and sixteen are exiled from Brooklyn to Bird Hill in Barbados after their mother can no longer care for them The young Phaedra and her older sister Dionne live for the summer of 1989 with their grandmother Hyacinth a midwife and practitioner of the local spiritual practice of obeah Dionne spends the summer in search of love testing her grandmother s limits and wanting to go home Phaedra explores Bird Hill where her family has lived for generations accompanies her grandmother in her role as a

midwife and investigates their mother's mysterious life. This tautly paced coming of age story builds to a crisis when the father they barely know comes to Bird Hill to reclaim his daughters and both Phaedra and Dionne must choose between the Brooklyn they once knew and loved or the Barbados of their family. Naomi Jackson's Barbados and her characters are singular, especially the wise Hyacinth and the heartbreaking young Phaedra who is coming into her own as a young woman amid the tumult of her family. Praise for *The Star Side of Bird Hill*. Once in a while you'll stumble onto a book like this one so poetic in its descriptions and so alive with lovable, frustrating, painfully real characters that your emotional response to it becomes almost physical. The dual coming of age story alone could melt the sternest of hearts, but Jackson's exquisite prose is a marvel too. A gem of a book. Entertainment Weekly A

*Silly Sally Sue* Tammy Elliott, 2019-06-10 *Silly Sally Sue* was created for my son Brandon when he was only three, and over time when my daughter was born, Sally became an every-day story.
