Moms In Tutus:

Moms in Tutus Emily Costello,1995 **The Adventures of TuTu the Flying Chipmunk** Jay Lopez,2022-11-03 Jump into a journey with a young chipmunk named Tutu Along this journey you will see that Tutu is captivated by his neighbors in the forest the flying squirrels who make their flights in the local area as well as the forbidden zone Scary Ridge Tutu is inspired by the flying squirrels and wants to fly like them But after all he is a chipmunk and does not have wings He will be reminded of this constantly by other forest critters including his family Tutu s family will try their best to detour his absurd dream of flight as they are worried about Tutu s well being with some of the stunts that Tutu recklessly performs But through the help of his mentor Silky the Caterpillar and his girlfriend One as well as a few other forest critters he meets along the way they will go through many adventures trying to achieve Tutu s dream of flying Impossible barriers will be broken Making believers out of all the other forest critters as well such as Tutu s family who thought Tutu was out of his mind But it will not come easily as there will be hardships and mishaps to overcome Through these adventures and hardships lessons will be learned As we follow Tutu on his adventure to find his wings we will see things from his perspective on his dream as well as life and how he never gives up on his dream of flight Through his determination and creativity Tutu will do whatever it takes to make history and his dream of flying a reality This chipmunk has nuts **Spies in Disguise: Boy in a Tutu** Kate Scott,2016-11-22 Joe thought he had the hang of this undercover thing Sure he has to dress up as a girl and change his name to Josie to keep his family safe but he can still play soccer and his new friend Sam knows his secret so he at least has someone to talk to Not to mention it s finally time for Joe and Sam to learn how to be proper spies gadgets and all Joe is prepared to prove to his parents that he s ready for a big mission Their first mission isn t exactly what either of them had in mind though Joe and Sam have to go undercover as ballerinas Joe isn t thrilled about the idea of wearing a tutu but he s more than ready to track down the potential thief of a soccer memorabilia exhibit at the local community center He will dance like a flamingo if it means keeping the coveted keepsakes of his favorite sport safe Unfortunately Joe and Sam have very different ways of approaching the mission and their tactics clash Once best friends and partners in spying they now are determined to crack the case without each other When Joe s parents get word from HQ that an enemy spy is on their trail there is no other option for Joe and Sam except to put their differences aside and work together to solve the case Sky Pony Press with our Good Books Racehorse and Arcade imprints is proud to publish a broad range of books for young readers picture books for small children chapter books books for middle grade readers and novels for young adults Our list includes bestsellers for children who love to play Minecraft stories told with LEGO bricks books that teach lessons about tolerance patience and the environment and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home **Tied Up In You** Erin Fletcher,2017-07-10 Everyone says hotshot goalie Luke Jackson is God s gift to girls but the

only girl he wants is his best friend Malina Hall He s always known how brilliant she is but now that he s accidentally kissed her he can t stop thinking about her or wanting to kiss her again Problem is things have been a little awkward since the kiss Because she likes him too Hopefully but even if she did their futures and the ridiculous schedules that come with them are in the way And now one of his teammates is showing interest and the guy has more in common with Malina than Jackson ever will As her best friend Jackson should get out of the way But if there s one thing he s learned from hockey it s that you have to go for what you want even if it means falling flat on your face And he s definitely falling for Malina Disclaimer This book contains a hot hockey player who goes after what he wants a super hot super distracting shirtless workout and the kind of best friends to lovers romance every girl in the friend zone has dreamed of It's Tutu Much Lorraine Bartlett,2019-09-14
