Mondo Elvis A Collection Of Stories And Poems About Elvis:

Mondo Elvis Richard Peabody, Lucinda Ebersole, 1994 **Elvis After Elvis** Gilbert B. Rodman, 2013-10-18 For a dead man Elvis Presley is awfully noisy His body may have failed him in 1977 but today his spirit his image and his myths do more than live on they flourish they thrive they multiply Why is Elvis Presley so ubiquitous a presence in US culture Why does he continue to enjoy a cultural prominence that would be the envy of the most heavily publicized living celebrities In *Elvis After Elvis* Gil Rodman traces the myriad manifestations of The King in popular and not so popular culture He asks why Elvis continues to defy our expectations of how dead stars are supposed to behave Elvis not only refuses to go away he keeps showing up in places where he seemingly doesn't belong Rodman draws upon an extensive and eclectic body of Elvis sightings from Elvis's appearances at the heart of the 1992 Presidential campaign to the debate over his worthiness as a subject for a postage stamp and from Elvis's central role in furious debates about racism and the appropriation of African American music to the world of Elvis impersonators and the importance of Graceland as a place of pilgrimage for Elvis fans and followers Rodman shows how Elvis has become inseparable from many of the defining myths of US culture enmeshed with the American dream and the very idea of the United States caught up in debates about race gender and sexuality and in the wars over what constitutes a national culture

The Richard Peabody Reader Richard Peabody, Michael Dirda, 2015-04-01 Filling an important gap in the literary world The Richard Peabody Reader is a wide ranging selection of this great writer's poetry and prose As a publisher Peabody's steadfast dedication to that which is new challenging innovative and dynamic has won him a wide reputation among writers whose work he has championed This volume demonstrates those same values embodied in nearly four decades of fiercely smart sophisticated and often very funny writing From his first collection of poems I'm in Love

with the Morton Salt Girl to his most recent collection of short stories *Blue Suburban Skies* Peabody has established and developed a thoroughly unique voice both warm and piercing to deliver content that ranges from the hilarious as in the short story *Flea Wars* to the bittersweet as in the poem *The Other Man is Always French* to the elegiac as in the poem in *Civil War Pieta* to the absurd as in the rollicking farce of the short story *Bad Day at Ikea* Peabody's aesthetic is all embracing strands of punk beat experimental feminist and political protest literary influences blend with the purely romantic to create a body of work that is both profound and pleasing **The Times-picayune Index** ,1994 *Poet Lore* ,2009 **James Dean**

Transfigured Claudia Springer,2013-05-17 After the death of James Dean in 1955 the figure of the teen rebel permeated the globe and its presence is still felt in the twenty first century Rebel iconography which does not have to resemble James Dean himself but merely incorporates his disaffected attitude has become an advertising mainstay used to sell an array of merchandise and messages Despite being overused in advertisements it still has the power to surprise when used by authors and filmmakers in innovative and provocative ways The rebel figure has mass appeal precisely because of its ambiguities it can mean anything to anyone The global appropriation of rebel iconography has invested it with fresh meanings Author Claudia Springer succeeds here in analyzing both ends of the spectrum the rebel icon as a tool in upholding capitalism's cycle of consumption and as a challenge to that cycle and its accompanying beliefs In this groundbreaking study of rebel iconography in international popular culture Springer studies a variety of texts from the United States and abroad that use this imagery in contrasting and thought provoking ways Using a cultural studies approach she analyzes films fiction poems Web sites and advertisements to determine the extent to which the icon's adaptations have been effective as a response to the actual social problems affecting contemporary adolescents around the world *The New York Times Book Review* ,1994 Presents extended reviews of noteworthy books short reviews essays and articles on topics and trends in publishing literature culture and the arts Includes lists of best sellers hardcover and paperback **Sweet Jesus** Nick Carbó,Denise Duhamel,2002 **Bibliographic Guide to Music** New York Public Library. Music Division,1994 Books in Print ,1991 **Forthcoming Books** Rose Army,2002 **Subject Guide to Books in Print** ,1997 Books in Print Supplement ,1994
