## **Money And Value The Last Taboo:**

*The Last Taboo* David W. Krueger, 1986      *The last taboo* Karin Lesnik-Oberstein, 2013-07-19 This is the first academic book ever written on women and body hair which has been seen until now as too trivial ridiculous or revolting to write about Even feminist writers or researchers on the body have found remarkably little to say about body hair usually ignoring it completely It would appear that the only texts to elaborate on body hair are guides on how to remove it medical texts on hirsutism or fetishistic pornography on hairy women The last taboo also questions how and why any particular issue can become defined as self evidently too silly or too mad to write about Using a wide range of thinking from gender theory queer theory critical and literary theory history art history anthropology and psychology the contributors argue that in fact body hair plays a central role in constructing masculinity and femininity and sexual and cultural identities It is sure to provide many academic researchers with a completely fresh perspective on all of the fields mentioned above      **The Last Taboo** Scott Simmie, Julia Nunes, 2012-04-02 At any given time three million Canadians are living with some kind of mental illness But despite its prevalence the public and even some health practitioners are badly misinformed about its causes and treatment This book is an essential road map to hope and recovery It tells the reader where to get help and what pitfalls to avoid It defines the most common forms of mental illness discusses the advantages and drawbacks of medication and tackles the ultimate taboo of suicide It offers coping strategies for consumers family members friends and employers and demonstrates how they can all contribute to the recovery of a person with a mental illness Medication and psychotherapy only go so far housing meaningful activity and friendships are as crucial to recovery as any drug In *The Last Taboo* Scott Simmie recounts his own battle with a serious mental disorder and his partner Julia Nunes provides a care giver and supporter s perspective on living with a mentally ill loved one Throughout they include the real stories of other Canadians who give their own perspectives on the successes and failures of the health care system In any given year one in five Canadians will experience symptoms of mental disorder *The Last Taboo* provides sympathetic advice and practical information on the causes of mental disorder mood disorders including depression and bipolar affective disorder anxiety disorders substance abuse eating disorders personality disorders schizophrenia where to go for help giving help medication psychotherapy alternative medicine stigma suicide Includes Appendix Glossary Useful Books and Useful Websites      Harald Szeemann Harold Szeemann, 2018-04-10 Born in Bern Switzerland in 1933 Harald Szeemann was a crucial force in identifying exhibiting and writing about the important new movements in postwar contemporary art This collection of seventy four texts from the curator s vast body of written work which includes essays lectures studio notes reviews interviews correspondence and transcripts introduces the depth of his method insight and inclusive artistic interests The pieces have been translated from German and French and collected in an informed authoritative edition making this the first time Szeemann s work is accessible in English The first two sections of this volume republish Szeemann s anthologies

Museum der Obsessionen 1981 and Individuelle Mythologien 1985 The final part assembles important writings from 1986 until his death in 2005 to represent the later years of his career and round out a record of his contribution to and dialogue with later twentieth century art and artists The book's publication coincides with the opening of the Getty Research Institute's exhibition Harald Szeemann Museum of Obsessions and complements its catalogue as well as a contemporaneous satellite show at the Institute of Contemporary Art Los Angeles that focuses on Szeemann's Grandfather exhibition 1974 **Close**

**Up at a Distance** Laura Kurgan, 2013-03-26 The past two decades have seen revolutionary shifts in our ability to navigate inhabit and define the spatial realm The data flows that condition much of our lives now regularly include Global Positioning System GPS readings and satellite images of a quality once reserved for a few militaries and intelligence agencies and powerful geographic information system GIS software is now commonplace These new technologies have raised fundamental questions about the intersection between physical space and its representation virtual space and its realization In Close Up at a Distance Laura Kurgan offers a theoretical account of these new digital technologies of location and a series of practical experiments in making maps and images with spatial data Neither simply useful tools nor objects of wonder or anxiety the technologies of GPS GIS and satellite imagery become in this book the subject and the medium of a critical exploration Close Up at a Distance records situations of intense conflict and struggle on the one hand and fundamental transformations in our ways of seeing and of experiencing space on the other Kurgan maps and theorizes mass graves incarceration patterns disappearing forests and currency flows in a series of cases that range from Kuwait 1991 to Kosovo 1999 New York 2001 to Indonesia 2010 Using digital spatial hardware and software designed for military and governmental use in reconnaissance secrecy monitoring ballistics the census and national security Kurgan engages and confronts the politics and complexities of these technologies and their uses At the intersection of art architecture activism and geography she uncovers in her essays and projects the opacities inherent in the recording of information and data and reimagines the spaces they have opened up

**Harald Szeemann** Glenn Phillips, Philipp Kaiser, Doris Chon, Pietro Rigolo, 2018-04-10 Widely regarded as the most influential curator of the second half of the twentieth century Harald Szeemann 1933 2005 is associated with some of the most important artistic developments of the postwar era A passionate advocate for avant garde movements like Conceptualism and Postminimalism he collaborated with artists such as Joseph Beuys Bruce Nauman Richard Serra and Cy Twombly developing new ways of presenting art that reflected his sweeping vision of contemporary culture Szeemann once stated that his goal as an exhibition maker was to create a Museum of Obsessions This richly illustrated volume is a virtual collection catalogue for that imaginary institution tracing the evolution of his curatorial method through letters drawings personal datebooks installation plans artists books posters photographs and handwritten notes This book documents all phases of Szeemann's career from his early stint as director of the Kunsthalle Bern where he organized the seminal Live in Your Head When Attitudes Become Form 1969 to documenta 5 1972 and the intensely personal exhibition he staged in his

own apartment using the belongings of his hairdresser grandfather 1974 to his reinvention as a freelance curator who realized projects on wide ranging themes until his death in 2005 The book contains essays exploring Szeemann's curatorial approach as well as interviews with collaborators Its more than 350 illustrations include previously unpublished installation photographs and documents as well as archival materials This volume is published to accompany an exhibition on view at the Getty Research Institute at the Getty Center February 6 to May 6 2018 a satellite show will be at the Institute of Contemporary Art in Los Angeles February 4 to April 22 2018 at the Kunsthalle Bern in Bern Switzerland June to September 2018 at the Kunsthalle Düsselhof in Düsseldorf Germany October 2018 to January 2019 and at the Castello di Rivoli Museo d'Arte Contemporanea Rivoli in Turin Italy February to May 2019

**Money Talks** Brenda Berger, Stephanie Newman, 2012-03-12 Sometimes referred to as the last taboo money has remained something of a secret within psychoanalysis Ironically while it is an ingredient in almost every encounter between analyst and patient the analyst's personal feelings about money are rarely discussed openly or in any great depth So what is it about money that relegates it to the background both on the couch and off In *Money Talks* Brenda Berger Stephanie Newman and their excellent cast of contributors address this and other questions surrounding the tender topic of money how we talk about it and how it talks to us Its multiple meanings are explored in the contexts of patients and analysts and the ways in which they relate in the training and practice of the analysts themselves as well as the psychological and cultural consequences of having too much or too little in both flush and tight economic times Throughout a clinical sensibility is brought to bear on money's softly spoken place in therapy and life *Money Talks* paves the way for an open discourse into the psychology of money and its pervasive influence on the psyche of both patient and analyst

*The Market* Natasha Degen, 2013 Drawing on a wide range of interdisciplinary sources in dialogue with artists writings this anthology traces the historic origins of these debates in different versions of modernism and surveys the relationship between art value and price the evolution and influence of patronage the actors and institutions of the art market and the diversity of artistic practices that either criticise or embrace the condition of the contemporary market

*Culture Jamming* Marilyn DeLaure, Moritz Fink, 2017-02-28 A collaboration of political activism and participatory culture seeking to upend consumer capitalism including interviews with The Yes Men The Guerrilla Girls among others Coined in the 1980s culture jamming refers to an array of tactics deployed by activists to critique subvert and otherwise jam the workings of consumer culture Ranging from media hoaxes and advertising parodies to flash mobs and street art these actions seek to interrupt the flow of dominant capitalistic messages that permeate our daily lives Employed by Occupy Wall Street protesters and the Russian feminist punk band Pussy Riot alike culture jamming scrambles the signal injects the unexpected and spurs audiences to think critically and challenge the status quo The essays interviews and creative work assembled in this unique volume explore the shifting contours of culture jamming by plumbing its history mapping its transformations testing its force and assessing its efficacy Revealing how culture jamming is at once

playful and politically transgressive this accessible collection explores the degree to which culture jamming has fulfilled its revolutionary aims Featuring original essays from prominent media scholars discussing Banksy and Shepard Fairey foundational texts such as Mark Dery s culture jamming manifesto and artwork by and interviews with noteworthy culture jammers including the Guerrilla Girls The Yes Men and Reverend Billy Culture Jamming makes a crucial contribution to our understanding of creative resistance and participatory culture

#### **Who Count as Persons?** John F.

Kavanaugh,2001-05-23 Just what is a human being Who counts The answers to these questions are crucial when one is faced with the ethical issue of taking human life In this affirmation of the intrinsic personal dignity and inviolability of every human individual John Kavanaugh S J denies that it can ever be moral to intentionally kill another Today in every corner of the world men and women are willing to kill others in the name of realism and under the guise of race class quality of life sex property

nationalism security or religion We justify these killings by either excluding certain humans from our definition of personhood or by invoking a greater good or more pressing value Kavanaugh contends that neither alternative is acceptable He formulates an ethics that opposes the intentional killing not only of medically marginal humans but also of depersonalized or criminalized enemies Offering a philosophy of the person that embraces the undeveloped the wounded and the dying he proposes ways to recover a personal ethical stance in a global society that increasingly devalues the individual Kavanaugh discusses the work of a range of philosophers artists and activists from Richard Rorty and S ren Kierkegaard to Albert Camus and Woody Allen from Mother Teresa to Jack Kevorkian His approach is in stark contrast to that of writer Peter Singer and others who believe that not all human life has intrinsic moral worth It will challenge philosophers students of ethics and anyone concerned about the depersonalization of contemporary life
