A recent study of couples who got married in the last five years revealed that 86% of couples started out in debt In the same breadth money has been named the number one issue married couples argue about In Money Matters Pastor Bayo shares practical steps to deal with the pressures of money in your relationship and marriage Sharing from real life issues he expounds on the role of choices in determining your financial destiny and lays down a simple but powerful pathway to master money and regain your freedom You will also discover financial red flags that most dating couples ignore to their detriment and learn from 3 successful professionals an architect a career development specialist and a management consultant who share their wisdom experience and professional insight The practicality of the principles shared in this book makes it a must read for every individual and couple who desire to live free from the stress and agitations money causes in this age      **Money**

**Matters (to God)** J. Bradley Van Vleet Jr., 2021-03-16 I know what you're thinking Another book on money And you're right this is another book on money but it's probably not quite from the angle that you're thinking Money Matters to God is a book about seeing finances through the eyes of God instead of the eyes of society Through this book we will walk through the scripture to see what the Bible actually has to say about money and how we should use it You may be surprised to see what's there Money is an important topic to God You can clearly see that through the Old and New Testaments Jesus talked more about money than He did about heaven or hell Money is important to God simply because it's important to us Sometimes too important My prayer is that through this book you will be able to shed the burden of financial stress through priority and perspective      Married With Problems Pasquale De Marco, 2025-05-18
