Naval Education and Training Command, 1978 Covenants and Care Gary L. Harbaugh, Rebecca Lee Brenneis, Rodney R. Hutton, 1998-01-01 A team of experts in ministry and the Bible offer skills for the long haul They employ the Old Testament notion of covenant and ask ministers to enter a covenant both for their own self care and as a key to framing and enlivening their care for others in ministry True to life stories show how biblically based covenantal relationships with clear boundaries promote healthy relationships and are integral to faithful personal and pastoral care **Open Secrets** Richard Lischer, 2002-07-16 Open Secrets is Richard Lischer's story of his early career as a Lutheran minister Fresh out of divinity school and full of enthusiasm Lischer found himself assigned to a small conservative church in an economically depressed town in southern Illinois This was far from what this overly enthusiastic and optimistic young man expected The town was bleak poor and clearly not a step on his path to a brilliant career It's an awkward marriage at best a young man with a Ph D in theology full of ideas and ambitions determined to improve his parish and bring them into the twenty first century and a community that is as tightly sealed as a jar of home canned pickles In their own way they welcome him and his family even though they think he's got bigger fish to fry Thus begins Richard Lischer's first year as a pastor bringing communion to the sick but forgetting to bring the wafers marrying two unlikely couples a pregnant teenager and her boyfriend and two people who can't stop fighting Often he doesn't understand his congregation and sometimes they don't understand him for instance why does his wife hire a baby sitter and instead of leaving put on her bathing suit grab a stack of novels and hide from the kids Or why can't Pastor Lischer see how important it is for a woman with little money to buy an elaborate coffin to bury her husband in There are also the moments of grace when pastor and parishioner unite for a common goal when he asks for prayers for his infant son and can feel everyone in the congregation ministering to him when old hurts are put aside to help a desperate young woman finish college and raise her baby or when he helps save a woman from dying of a drug overdose In Open Secrets

Lischer tells not only his own story but also the story of New Cana and all of its inhabitants lovable deeply flawed imperfect people that stick together With his sharp eye and keen wit Lischer perfectly captures the comedy of small town life with all of its feuds rumors scandals and friendships In the end he learns to appreciate not only the life New Cana has to offer but also the people who have accepted him at last as part of themselves **Journal of Biblical and Theological Studies, Issue**
