An Essay on Money, Its Origin and Use John Taylor, 1844 **Money; its use and abuse by Christians. Second edition**

Balthasar was deeply interested in sustaining the spiritual lives of modern men and women in this difficult time of the Church. These beautiful meditations of Fr von Balthasar are a wonderful testament to his spirit, a spirit of great love of the Lord and his Church and a spirit of the deepest wisdom and discernment for our times. Turn wherever you like in these pages and I believe you will find the spiritual nourishment which our souls need so much today. People cry out for the authentic food which can only come from inspired and prayerful pondering on the living message of Jesus. In You Have Words of Eternal Life, there is such good food in plenty. Sister Briege McKenna O S C Author *Miracles Do Happen*. An outstanding example of Biblical theology that is both useful for the laity and faithful to the Church. It shows that something rich and true lies between scripture scholarship and systematic theology. Professor Scott Hahn, University of Steubenville. These New Testament meditations are vintage von Balthasar but more readily, more easily grasped by non theologians. He brings to his scriptural commentary a fresh depth of insight that most biblical technicians simply do not have. Fr Thomas Dubay, Author *Fire Within*.
