Mongolian Film Music Lucy M. Rees, 2016-03-03 In 1936 the Mongolian socialist government decreed the establishment of a film industry with the principal aim of disseminating propaganda to the largely nomadic population The government sent promising young rural Mongolian musicians to Soviet conservatoires to be trained formally as composers On their return

they utilised their traditional Mongolian musical backgrounds and the musical skills learned during their studies to compose scores to the 167 propaganda films produced by the state film studio between 1938 and 1990 Lucy M Rees provides an overview of the rich mosaic of music genres that appeared in these film soundtracks including symphonic music influenced by Western art music modified forms of Mongolian traditional music and a new genre known as professional music that combined both symphonic and Mongolian traditional characteristics Case studies of key composers and film scores are presented demonstrating the influence of cultural policy on film music and showing how film scores complemented the ideological message of the films There are discussions of films that celebrate the 1921 Revolution that led to Mongolia becoming a socialist nation those that foreshadowed the 1990 Democratic Revolution that drew the socialist era to a close and the diverse range of films and scores produced after 1990 in the aftermath of the socialist regime *Encyclopedia of Asian American Folklore and Folklife* Jonathan H. X. Lee, Kathleen Nadeau, 2010-12-21 This comprehensive compilation of entries documents the origins transmissions and transformations of Asian American folklore and folklife Equally instructive and intriguing the *Encyclopedia of Asian American Folklore and Folklife* provides an illuminating overview of Asian American folklore as a way of life Surveying the histories peoples and cultures of numerous Asian American ethnic and cultural groups the work covers everything from ancient Asian folklore folktales and folk practices that have been transmitted and transformed in America to new expressions of Asian American folklore and folktales unique to the Asian American historical and contemporary experiences The encyclopedia's three comprehensive volumes cover an extraordinarily wide range of Asian American cultural and ethnic groups as well as mixed race and mixed heritage Asian Americans Each group section is introduced by a historical overview essay followed by short entries on topics such as ghosts and spirits clothes and jewelry arts and crafts home decorations family and community religious practices rituals holidays music foodways literature traditional healing and medicine and much much more Topics and theories are examined from crosscultural and interdisciplinary perspectives to add to the value of the work *The Concise Garland Encyclopedia of World Music* Garland Encyclopedia of World Music, 2013-02 The Concise Garland Encyclopedia of World Music comprises two volumes and can only be purchased as the two volume set To purchase the set please go to <http://www.routledge.com/9780415972932> **The Concise Garland Encyclopedia of World Music: The Middle East, South Asia, East Asia, Southeast Asia** Ellen Koskoff, 2008 The critical importance of past for the present of music histories in local and global forms asserts itself The history of world music as each chapter makes clear is one of critical moments and paradigm shifts *Instrumental Lives* Helen Rees, 2024-07-23 The musical instruments of East and Southeast Asia enjoy increasing recognition as parts of humanity's intangible cultural heritage Helen Rees edits a collection that offers vibrant new ways to link these objects to their materials of manufacture the surrounding environment the social networks they form and help sustain and the wider ethnic or national imagination Rees organizes the essays to reflect three angles of inquiry The first section explores the

characteristics and social roles of various categories of instruments including the koto and an extinct Balinese wooden clapper In section two essayists focus on the life stories of individual instruments ranging from an heirloom Chinese qin to end blown flutes in rural western Mongolia Essays in the third section examine the ethics and other issues that surround instrument collections but also show how collecting is a dynamic process that transforms an instrument's habitat and social roles Original and expert Instrumental Lives brings a new understanding of how musical instruments interact with their environments and societies Contributors Supeena Insee Adler Marie Pierre Lissioir Terauchi Naoko Jennifer C Post Helen Rees Xiao Mei Tyler Yamin and Bell Yung
