Sentiments and Reflections of a Black Man Clint B. Walker, 2011-05-26 This book of poems were written in the attempt to get Gods message out I had a heavenly encounter with God and was taken out of body mind or spirit I can not really tell which but I know it was for the purpose of uniting all people for the common good Some of these poems deals with secular life and some are written from a more spiritual venue but as Jesus use parables to explain the good and bad of our actions so have I been instructed to do as well When we dabble in things that has no profit only destruction then there is an equal reaction to all actions These words are the inspired works of God and will truly bless all that read them They will offer inspiration courage guidance and wisdom If the reader keeps an open mind and let the Holy spirit talk to their subconscious Gods words do not go away into the void but they accomplish what they are sent out to accomplish This book will have a universal appeal to all its readers and will give all readers a greater insight into the mind of the author whom happens to be a black man but more important a child of God Its purpose is to unite all races to come together as one people There is no difference between the Jew and Greek bond nor free for whosoever calls on the name of the Lord will be saved I profess we all are whosoever whether red yellow black brown or white we are all precious in Gods sight Read these poems with an open mind and a receptive heart and I guarantee you will be truly blessed by reading them as I was blessed by writing them May God bless all of his children with good health happiness and prosperity is my hearts desire and prayer Philosophy for Girls Melissa Shew, Kimberly Garchar, 2020-09-18 This revolutionary book empowers its readers by exploring enduring challenging and timely philosophical issues in new essays written by expert women philosophers The book will inspire and entice these philosophers younger counterparts curious readers of all genders and all who support equity in philosophy If asked to envision a philosopher people might imagine a bearded man probably Greek perhaps in a toga pontificating about abstract ideas Or they might think of that same man in the Enlightenment gripping a quill pen and pouring universal truths onto a page They may even call to mind a much more modern man wearing a black sweater and smoking a cigarette in a Paris caf expressing existential angst in a new novel or essay What people are unlikely to picture though is a woman Women have historically been excluded from the discipline of philosophy and remain largely marginalized in contemporary textbooks and anthologies The under representation of women in secondary and post secondary curricula makes it harder for young women to see themselves as future philosophers In fact it makes it harder for all people to engage the valuable contributions that women have made and continue to make to intellectual thought While some progress has been made in building a more inclusive world of philosophy especially in the last fifty years important work remains to be done Philosophy for Girls helps correct the pervasive and problematic omission of women from philosophy Divided into four sections that connect to major primary fields in philosophy metaphysics epistemology social and political philosophy and ethics this anthology is unique chapters are all written by women and each chapter opens with an anecdote about a girl or woman from mythology history

art literature or science to introduce chapter topics Further nearly all primary and secondary sources used in the chapters are written by women philosophers The book is written in a rigorous academic spirit but in lively and engaging prose making serious philosophical insights accessible to readers who are new to philosophy This book appeals to a wide audience Individual readers will find value in these pages especially girls and women ages 16 24 as well as university and high school educators and students who want a change from standard anthologies that include few or no women The book s contributors both represent and map the diverse landscape of philosophy highlighting its engagement with themes of gender and equity In doing so they encourage philosophers current and future philosophers to explore new territory and further develop the topography of the field **Philosophy for Girls** is a rigorous yet accessible entry point to philosophical contemplation designed to inspire a new generation of philosophers

The Crucifixion of Jesus David Tombs, 2022-11-28 Roman crucifixions sought to degrade and dehumanise their victims in ways that destroyed their dignity and stigmatised their memory Paul speaks of the cross as a scandal or stumbling block but the significance of this language has never been explored in terms of sexual violence The Crucifixion of Jesus examines crucifixion as a form of torture state terror and sexual abuse It reads recent accounts of torture alongside the presentation of crucifixion in the Passion narratives and other Greek and Roman sources Outlining compelling reasons for viewing Jesus as a victim of sexual abuse it examines why this unsettling aspect of the narrative has remained hidden in plain sight for so long and what place it might have in discussions of rape culture past and present It also asks whether other acts of sexual violence and rape might have happened during the mockery in the praetorium or even on the cross itself It argues that although the acknowledgement of this unspeakable violence is deeply disturbing breaking the silence can nonetheless have constructive consequences In addition to offering a more historical understanding of crucifixion this book illuminates positive new aspects of resurrection making it a probing read for scholars of biblical studies and for those interested in the interplay of religion and violence

Surviving God Grace Ji-Sun Kim, Susan M. Shaw, 2024-03-26 Who is God when we see God through the eyes of survivors Many books have dealt with sexual abuse scandals in the church and the role of pastoral care for survivors Others have provided liberatory readings of biblical texts to support survivors of sexual violence **Surviving God** takes a new approach centering the voices of sexual abuse survivors while rethinking key Christian beliefs Starting from experiences of oppression beliefs that contribute to oppression are challenged and new hopeful and healing beliefs take their place Groundbreaking theologians Grace Ji Sun Kim and Susan M Shaw each a survivor herself demonstrate how traditional ways of thinking about God are highly problematic contribute to the problems of sexual abuse and are not reflective of the God of love and justice at the heart of the gospel These long held theologies often perpetuate the problem of sexual abuse and fail to promote healing for survivors Drawing from their own experiences and the experiences of other survivors and centering the ways gender intersects with race sexuality class and religion Kim and Shaw lead us to deep healing and a transformed church that no longer contributes to the devastation of sexual abuse In these

inspiring pages you will discover new ways of thinking about God that are surprising challenging and empowering *When Did we See You Naked?* Jayme R. Reaves, David Tombs, Rocio Figueroa, 2021-03-31 Was the stripping and exposure of Jesus a form of sexual abuse If so why does such a reading of Jesus suffering matter The combined impact of the MeToo movement and a further wave of global revelations on church sexual abuse have given renewed significance to recent work naming Jesus as a victim of sexual abuse Timely and provocative *When did we see you naked* presents the arguments for reading Christ as an abuse victim as well as exploring how the position might be critiqued and what implications and applications it might offer to the Church **Mr. Keen, Tracer of Lost Persons** Jim Cox, 2015-06-14 That kindly old investigator Mr Keen sought missing persons and unraveled crimes longer than any other fictional detective ever heard or seen on the air For 18 years 1937 1955 and 1690 nationwide broadcasts Keen and his faithful assistant Mike Clancy kept listeners coming back for more The nearest competitor Nick Carter Master Detective ran for 726 broadcasts This definitive history recounts the actors and creators behind the series the changes the show underwent and the development of the Mr Keen character A complete episode guide details all of the program s 1 690 broadcasts *Women and Gender in the Qur'an* Celene Ibrahim, 2020-10-01 Stories about gendered social relations permeate the Qur'an and nearly three hundred verses involve specific women or girls The Qur'an features these figures in accounts of human origins in stories of the founding and destruction of nations in narratives of conquest in episodes of romantic attraction and in incidents of family devotion and strife Overall stories involving women and girls weave together theology and ethics to reinforce central Qur'anic ideas regarding submission to God and moral accountability Celene Ibrahim explores the complex cast of female figures in the Qur'an probing themes related to biological sex female sexuality female speech and women in sacred history Ibrahim considers major and minor figures referenced in the Qur'an including those who appear in narratives of sacred history in parables in descriptions of the eternal abode and in verses that allude to events contemporaneous with the advent of the Qur'an in Arabia Ibrahim finds that the Qur'an regularly celebrates the aptitudes of women in the realms of spirituality and piety in political maneuvering and in safeguarding their own wellbeing yet women figures also occasionally falter and use their agency toward nefarious ends *Women and Gender in the Qur'an* outlines how women and girls old young barren fertile chaste profligate reproachable and saintly enter Qur'anic sacred history and advance the Qur'an's overarching didactic aims **The Big Bang** Linda Joffe Hull, 2012-10-18 Winner of the Rocky Mountain Fiction Writer of the Year Award *Melody Mountain Ranch* is a gated planned suburban heaven for everyone but interior decorator Hope Jordan As Hope struggles through the letdown of several unsuccessful fertility treatments her cul de sac neighbors Will Pierce Cohn a stay at home dad and community activist Frank Griffin a minister cum homeowners board president and Tim Trautman a soon to be father of five jockey for her attentions When Hope has a few too many cocktails and inadvertently eats hash laced brownies at the playground ribbon cutting gala Memorial Weekend poolside potluck she falls into the arms of one of her three wannabe paramours Maybe all three She

British Women Artists Carolyn Trant,2024-03-14 Consider for a moment the history of modern art in Britain you may struggle to land on a narrative that features very many women On this journey through a fascinating period of social change artist Carolyn Trant fills in some of the gaps in traditional art histories Introducing the lives and works of a rich network of neglected women artists British Women Artists sets these alongside such renowned presences as Barbara Hepworth Laura Knight and Winifred Nicholson In an era of radical activism and great social and political change women forged new relationships with art and its institutions Such change was not without its challenges and with acerbic wit Trant delves into the gendered make up of the avant garde and the tyranny of artistic isms In the decades after women won the vote in Britain the fortunes of women artists were shaped by war domesticity continued oppressions and spirited resistance Some succeeded in forging creative careers others were thwarted by the odds stacked against them Weaving devastating individual stories with playful critique British Women Artists reveals this hidden history *A Reforming People* David D.

Hall,2011-04-26 A revelatory account of the aspirations and accomplishments of the people who founded the New England colonies comparing the reforms they enacted with those attempted in England during the period of the English Revolution Distinguished historian David D Hall looks afresh at how the colonists set up churches civil governments and methods for distributing land Bringing with them a deep fear of arbitrary unlimited authority grounded in either church or state these settlers based their churches on the participation of laypeople and insisted on consent as a premise of all civil governance Encouraging broad participation and relying on the vigorous use of petitioning they also transformed civil and criminal law and the workings of courts The outcome was a civil society far less authoritarian and hierarchical than was customary in their age indeed a society so advanced that a few dared to describe it as democratical They were well ahead of their time in doing so As Puritans the colonists also hoped to exemplify a social ethics of equity peace and the common good In a case study of a single town Hall follows a minister as he encourages the townspeople to live up to these high standards in their politics This is a book that challenges us to discard long standing stereotypes of the Puritans as temperamentally authoritarian and their leadership as despotic Hall demonstrates exactly the opposite Here we watch the colonists as they insist on aligning institutions and social practice with equity and liberty A stunning re evaluation of the earliest moments of New England s history revealing the colonists to be the most effective and daring reformers of their day **Congenital**
