**The Monk Who Vanished** Peter Tremayne, 2001-01-11 In September of 666 A D an aged monk and a set of relics disappear during the night from the Abbey of Imleach The missing monk is a matter of great concern for the abbey But the relics are a disaster of a much higher order They are the priceless holy relics of St Ailbe the man who in the fifth century brought Christianity to the Irish kingdom of Muman converted and baptized it s king and founded the abbey The relics themselves are the political symbol of the entire kingdom and their disappearance threatens to disrupt its continued peace and stability On a visit to the Abbey of Imleach Sister Fidelma sister to Colgu the current King of Muman and an advocate of the Brehon Courts is asked to investigate With the help of her friend and traveling companion the Saxon monk Brother Eadulf Fidelma begins to slowly unravel the mystery behind the twin disappearances But there are dark forces at work which will stop at nothing even murder to achieve their aims The Monk who Vanished Peter Tremayne, 2002 *The Monk who Vanished* Peter Tremayne, 1999 The Abbey of Imleach in the south west Irish kingdom of Muman now rivals Armagh as the centre of the faith in Ireland For the founder of the abbey was none other than St Ailbe the man who brought Christianity to Muman converted its king and baptised him at Cashel in AD448 But now calamity has struck the community of the abbey Not only has an elderly monk suddenly disappeared but the holy relics of St Ailbe have also vanished These sacred relics are not just the concern of the abbey s community but are a priceless icon and political symbol of the entire kingdom So who would have dared to take them Sister Fidelma together with Saxon Brother Eadulf are asked to investigate It seems there is more to the disappearances than meets the eye much more Fidelma gradually uncovers a sinister conspiracy in which the participants will stop at nothing even murder to achieve their aims **The Monk who Vanished** Peter Tremayne, 2002

*THE AWAKENING* ANUJ BHATNAGAR,

Preface The story of Lord Buddha is the most read story in the world This is one story that is beyond the boundaries of religion culture and society The story is being told and retold for almost more than two thousand and five hundred years yet what happened at that time from the birth of prince Siddhartha till he attained his Nirvana is very enigmatic Not much written evidence is available for that while lot of literature is available for what happened after Nirvana This story is just an attempt to tell the world what would have happened at that time when seen in the logical context of human boundaries This story is only upto the point when monk Gautam attains Nirvana Further attempt to tell the story after Nirvana when Gautam became Buddha will be made after the outcome of this attempt We know some stories connected with prince Siddhartha his life and these stories are scattered here and there in various books Jatakas contain the previous birth stories of Lord Buddha But there is no such consolidated book which can be ascribed to prince Siddhartha s life The author has made an attempt to collect all such stories and thread them into a garland The result is this book In the attempt some literary and fictional additions have been done But in the end the author is sure that the readers will like the storyline Kapilvastu was not a huge kingdom Its name is not included in the sixteen or twelve Mahajanpadas It clearly indicates that Kapilvastu was a small principality within the kingdom of Kosala The rulers of Kapilvastu were descendants of great Ikshavaku who was also ancestor of the rulers of Kosala It clearly means that the rulers of Kapilvastu and Kosala were related by blood And as per the tradition the throne was passed to the eldest son of the king and the younger son became vassal ruling small principalities within the kingdom owing allegiance to the king This would have happened at that time too within the kingdom of Kosala The story has been developed accordingly Kapilvastu was surrounded by Mahajanpadas and as such its polity was influenced by the neighboring kingdoms Many events happened in the neighbouring kingdoms and that had a bearing in the future of Kapilvastu and hence Siddhartha These events have also been included in this story to give the story a flow These incidences and events are of historical significance and happened around the same time though the interpretation of these events is of author s own Some texts point out to the fact that Siddhartha was married to Yashodhara a princess from the neighbouring kingdom of Koliya Some texts point out that Siddhartha had three wives namely Yashodhara daughter of Dandapani Mrigdja daughter of Kinkinishwar and Gopa daughter of Kanika It is not sure which one is the right fact In this book Siddhartha is shown to be married only to Yashodhara as the Shakyas wanted to preserve their lineage hence marriage within community was allowed Also one man one woman formula was propagated Thus it would have been not possible for Siddhath to marry

three girls The purity of Shakya race was declared by the Buddha himself in Ambattha Sutta The predictions of sage Asit were not told to Prince Siddhartha till this was finally revealed to him All through his life as a prince Siddhartha was kept away from four signs sage Asit told an old decrepit man a diseased man a dead man and a monk In this story it is emphasized that king Shuddhodan had forbidden presence of anybody who could remind Siddhartha about these signs Siddhartha virtually grew in controls of the palace This is author's idea to develop the story forward The author is of belief that Buddhism was born after Buddha i.e. after Siddhartha attained nirvana Before Buddhism there was Vedic religion and the Vedic philosophy The same concept is used in this book to show what Siddhartha was taught by his teachers Master Arada Kalama and Master Udrak Ramputra Arada is depicted as an exponent of Raj Yoga techniques whereas Udrak is depicted as master of Hatha Yoga techniques Siddhartha learnt both these techniques under these masters This can be seen in the various teachings of Lord Buddha In the Heart Sutta Buddha explains about emptiness and form This is nothing but something that can be explained and attained through combination of Raj yoga HathaYoga and Laya Yoga The author would like to mention that the philosophy depicted in the book have been told to him by his guru Shri Shri Shibendu Lahiri and sometimes it is verbatim And what has been given in the book is just a drop in the ocean There is much more to learn from him In the book an attempt is made to describe the psychology of Prince Devdatt his extreme hatred for Siddhartha and why he hated Siddhartha Due to this hatred only Devdatt tried many times to kill Prince Siddhartha then Lord Buddha after Siddhartha attained nirvana Till Siddhartha was born Devdatt was heir apparent to the throne of Kapilvastu He was eldest in the entire family for four brothers Shuddhodan Shuklodan Amritodan and Dronodan Shuddhodan's wife Queen Mayadevi could not conceive for almost twenty years after their marriage Though there is no concrete evidence to say that yet it is widely perceived to be like this only In some texts Devdatt is the son of Suprabuddha of Devdaha In the end of this preface the entire genealogy of Lord Buddha whichever the author could gather is presented for ready reference And after Siddhartha was born and he became the heir to the throne of Kapilvastu being elder son of the king This incidence and many more such incidences where Siddhartha was given preference over other princes due to the stories associated with his birth cemented Devdatt's resolution to get rid of Siddhartha Readers will not find story of Devdatt out of context in this book In the concluding part of book the Maar is shown to take a human form Though this is not possible for the negativity to take a form but it was essential to depict the fight monk Gautam had undergone with himself with his own negativity Only after defeat of his negativity he could attain nirvana Everybody has to fight with his Maar one day or the other but the fight monk Gautam had with his Maar shows how the negativity sometimes controls the thoughts of even profound persons like monk Gautam The author is sure that readers would like the depiction of fight between Gautam and his negativity In order to take the story forward the protagonist should always have some companion to express his mind Thus the protagonist of this story Siddhartha and later Gautam is shown always in company of somebody Channa Yashodhara or Kondinya Actually Kondinya

may not have met Gautam during his travel to Vaishali but it is shown just to carry the story forward The story contains many words which are not from English language but from Sanskrit or Pali or Hindi These words are in italics and their meaning is in the other chapter after preface These words are used as they explain the situation better than any phrase or word in English In the end it is hoped that this attempt by the author will be appreciated by the readers This story should be read as story and not as an attempt to rewrite history Many incidences and characters may not fall in line with the thinking of people having knowledge about Buddhism This is a work of fiction and should be taken likewise However author welcomes the comments from the readers     *Short Stories* ,1892     **Tyrannosaur Canyon** Douglas Preston,2007-04-01 A stunning archaeological thriller from Douglas Preston the New York Times bestselling co author of *Brimstone* and *Relic* A moon rock missing for thirty years Five buckets of blood soaked sand found in a New Mexico canyon A scientist with ambition enough to kill A monk who will redeem the world A dark agency with a deadly mission The greatest scientific discovery of all time What fire bolt from the galactic dark shattered the Earth eons ago and now hides in that remote cleft in the southwest U S known as Tyrannosaur Canyon A fascinating novel from acclaimed bestselling author hailed by Publishers Weekly as better than Crichton At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied

**Domesticating the Dharma** Richard D. McBride II, 2007-10-31 Western scholarship has hitherto described the assimilation of Buddhism in Korea in terms of the importation of Sino Indian and Chinese intellectual schools. This has led to an overemphasis on the scholastic understanding of Buddhism and overlooked evidence of the way Buddhism was practiced on the ground. *Domesticating the Dharma* provides a much needed corrective to this view by presenting for the first time a descriptive analysis of the cultic practices that defined and shaped the way Buddhists in Silla Korea understood their religion from the sixth to tenth centuries. Critiquing the conventional two tiered model of elite versus popular religion, Richard McBride demonstrates how the eminent monks, royalty and hereditary aristocrats of Silla were the primary proponents of Buddhist cults and that rich and diverse practices spread to the common people because of their influence. Drawing on Buddhist hagiography, traditional narratives, historical anecdotes and epigraphy, McBride describes the seminal role of the worship of Buddhist deities, in particular the Buddha, Kṛṣṇa, the future Buddha Maitreya and the bodhisattva Avalokiteśvara in the domestication of the religion on the Korean peninsula and the use of imagery from the Maitreya cult to create a symbiosis between the native religious observances of Silla and those being imported from the Chinese cultural sphere. He shows how in turn Buddhist imagery transformed Silla intellectually, geographically and spatially to represent a Buddha land and sacred locations detailed in the Avataśāstra. Huayan jing Hwa m ky ŏng. Emphasizing the importance of the interconnected vision of the universe described in the Avataśāstra, McBride depicts the synthesis of Buddhist cults and cultic practices that flourished in Silla Korea with the practice oriented Hwa m tradition from the eighth to tenth centuries and its subsequent rise to a uniquely Korean cult of the Divine Assembly described in scripture.
