Theodore De Bary, William Theodore De Bary, 2011 *Finding Wisdom in East Asian Classics* is an essential all access guide to the core texts of East Asian civilization and culture Essays address frequently read foundational texts in Chinese Japanese Korean and Vietnamese as well as early modern fictional classics and nonfiction works of the seventeenth century Building strong links between these writings and the critical traditions of Confucianism Buddhism and Daoism this volume shows the vital role of the classics in the shaping of Asian history and in the development of the humanities at large

Wm Theodore de Bary focuses on texts that have survived for centuries if not millennia through avid questioning and contestation. Recognized as perennial reflections on life and society, these works represent diverse historical periods and cultures and include the Analects of Confucius, Mencius, Laozi, Xunzi, the Lotus Sutra, Tang poetry, the Pillow Book, The Tale of Genji, and the writings of Chikamatsu and Kaibara. Contributors explain the core and most commonly understood aspects of these works and how they operate within their traditions. They trace their reach and reinvention throughout history and their ongoing relevance in modern life. With fresh interpretations of familiar readings, these essays inspire renewed appreciation and examination. In the case of some classics open to multiple interpretations, de Bary chooses two complementary essays from different contributors. Expanding on debates concerning the challenges of teaching classics in the twenty-first century, several pieces speak to the value of Asia in the core curriculum. Indispensable for early scholarship on Asia and the evolution of global civilization, *Finding Wisdom in East Asian Classics* helps one master the major texts of human thought.

**Spiritual Initiation and How to Self-Certify That You are Enlightened** AiR - Atman in Ravi, How does an Enlightened person know that they are Enlightened? Does Enlightenment depend on the world or is it a state of being? Is Spiritual Initiation by a Guru or a Spiritual Master an automatic way to be Spiritually Awakened or Enlightened? Enlightenment can only be attained by one who self-certifies that they are Enlightened. Only a sincere seeker who takes the help of an Enlightened Master can reach this state. This book will not only start your journey to Spiritual Awakening but also initiate the process of your Enlightenment and liberate you from all misery on earth and from the cycle of death and rebirth.

**John Muir** Sally M. Miller, Daryl Morrison, 2005. New information on the life of the famed environmentalist presented in 2001 at the John Muir Institute hosted by the John Muir Center. **The Dead Book Club** Richard Horchler, 2021-10-12. I would like for the reader to know where the idea came from to write this novel. I have been writing and painting all my life. It is and has always been a passion. My experience over the years has been this: When people found out that I was an artist, they would say, "Oh, my sister is an artist." Or when they found out I was an author, they would say something similar: "I am just a little selfish about the words." Writer and artist, I viewed those comments as insulting. Not long ago, I had this experience happen again, and I had an epiphany: I was wrong. What I failed to understand is that yes, people do have a story to tell. Maybe not a novel or even a short story, perhaps a very private experience or a secret that is special to them and it should be. What bothers me is most die with their books. I decided to write a romance/mystery novel and encourage people to share their books and not die with them. So here it is: *The Dead Club*. Enjoy and start your own dead book club. This novel was done with love. **In the Master's Hands** Donna Martin, 2012-03. On Feb 26, 2012, at First Baptist Church in Dresden, Tennessee, Bro. Don McCulley preached a sermon on Moses. It taught me at that moment that I needed to take off my mask and move forward with my writings as God had called me, as me, not Donna. Take off my mask, don't be in the 3rd party in my books; be the real me. So the next book will be ME. Hope to see you in book 2: *In His Hands*. Donna. **Fodor's Essential Thailand** Fodor's Travel
