History of Conecuh County, Alabama Benjamin Franklin Riley, 1881

The Washingtons. Volume 5, Part 1 Justin Glenn, 2014-09-05 This is the fifth volume of Dr Justin Glenn s comprehensive history that traces the Presidential line of the Washingtons Volume One began with the immigrant John Washington who settled in Westmoreland Co Va in 1657 married Anne Pope and became the great grandfather of President George Washington It continued the record of their descendants for a total of seven generations Volume Two highlighted notable family members in the next eight generations of John and Anne Washington s descendants including such luminaries as General George S Patton the author Shelby Foote and the actor Lee Marvin Volume Three traced the ancestry

of the early Virginia members of this Presidential Branch back in time to the aristocracy and nobility of England and continental Europe Volume Four resumed the family history where Volume One ended and it contained Generation Eight of the immigrant John Washington's descendants Volume Five now presents Generation Nine including more than 10 000 descendants Future volumes will trace generations ten through fifteen making a total of over 63 000 descendants Although structured in a genealogical format for the sake of clarity this is no bare bones genealogy but a true family history with over 1 200 detailed biographical narratives These in turn strive to convey the greatness of the family that produced not only The Father of His Country but many others great and humble who struggled to build that country ADVANCE PRAISE I am convinced that your work will be of wide interest to historians and academics as well as members of the Washington family itself Although the surname Washington is perhaps the best known in American history and much has been written about the Washington family for well over a century it is surprising that no comprehensive family history has been published Justin M Glenn's *The Washingtons A Family History* finally fills this void for the branch to which General and President George Washington belonged identifying some 63 000 descendants This is truly a family history not a mere tabulation of names and dates providing biographical accounts of many of the descendants of John Washington who settled in Westmoreland County Virginia in 1657 Each individual section is followed by extensive listings of published and manuscript sources supporting the information presented and errors of identification in previous publications are commented upon as appropriate John Frederick Dorman editor of *The Virginia Genealogist* 1957 2006 and author of *Adventurers of Purse and Person* Decades of reviewing Civil War books have left me surprised and delighted when someone applies exhaustive diligence to a topic not readily accessible Dr Glenn surely meets that standard with the meticulous research that unveils the Washington family in gratifying detail many of them Confederates of interest and importance Robert K Krick author of *The Smoothbore Volley that Doomed the Confederacy and Stonewall Jackson at Cedar Mountain* **History of Alabama and Her People** Albert Burton Moore, 1927 *The Descendants of Stephen, Jephtha, and Moses Byrd*, 1994 Stephen Bird ca 1795 1871 Jephtha Bird 1797 ca 1870 and Moses Bird 1800 ca 1870 lived in Marion County South Carolina whose father may have been Arthur Bird of the Georgetown district Stephen Bird married Elizabeth Frances Herrin 1796 1861 and moved to Monroe County Alabama Jephtha Bird married Amelia Ann Stuckey Woodham ca 1816 ca 1870 in Monroe County Alabama Moses Bird married Frances ca 1809 ca 1859 and lived in Monroe County Alabama Descendants lived in Alabama Texas Oklahoma Florida and elsewhere

Researching African American Genealogy in Alabama Frazine Taylor, 2008-05-01 Over the past two decades in workshops and personal consultations thousands of persons have received the expertise and knowledge of author Frazine Taylor about Alabama genealogical research In addition she has taught the art to hundreds of students As Dr James Rose notes all genealogists looking for the family tree in Alabama sooner or later come across Frazine And now they have her book *Researching African American Genealogy in Alabama A Resource Guide* In the book she provides the information and

guidance to help locate the resources available for researching African American records in archives libraries and county courthouses throughout the state The idea for this guidebook rose out of her lecturing throughout the country and having noticed that reference guides on African American family history resources seemed to exist for every state except Alabama This was regrettable not merely for researchers on African American history in Alabama In fact Alabama s records play an especially important role in U S family history research because of the migration patterns of Alabama s freedmen first to urban areas of Alabama and then to northern cities a trend that continued throughout the first part of the twentieth century

County Courthouse Book Elizabeth Petty Bentley,2009 The County Courthouse Book is a concise guide to county courthouses and courthouse records It is an important book because the genealogical researcher needs a reliable guide to American county courthouses the main repositories of county records To proceed in his investigations the researcher needs current addresses and phone numbers information about the coverage and availability of key courthouse records such as probate land naturalization and vital records and timely advice on the whole range of services available at the courthouse Where available he will also need listings of current websites and e mail addresses Publisher website
