Monsieur Proust:

Monsieur Proust's Library Anka Muhlstein, 2012-11-06 Reading was so important to Marcel Proust that it sometimes seems he was unable to create a personage without a book in hand Everybody in his work reads servants and masters children and parents artists and physicians The more sophisticated characters find it natural to speak in quotations Proust made literary taste a means of defining personalities and gave literature an actual role to play in his novels In this wonderfully entertaining book scholar and biographer Anka Muhlstein the author of Balzac's Omelette draws out these themes in Proust's work and life thus providing not only a friendly introduction to the momentous *In Search of Lost Time* but also exciting highlights of some of the finest work in French literature

Monsieur Proust's Library Anka Muhlstein, 2012-11-06 Reading was so important to Marcel Proust that it sometimes seems he was unable to create a personage without a book in hand Everybody in his work reads servants and masters children and parents artists and physicians The more sophisticated characters find it natural to speak in quotations Proust made literary taste a means of defining personalities and gave literature an actual role to play in his novels In this wonderfully entertaining book scholar and biographer Anka Muhlstein the author of Balzac's Omelette draws out these themes in Proust's work and life thus providing not only a friendly introduction to the momentous *In Search of Lost Time* but also exciting highlights of some of the finest work in French literature

The Memoirs of Ernest A. Forssgren, Proust's Swedish Valet Ernest A. Forssgren, 2006-01-01 This carefully considered book is a welcome addition to the debate over judicial activism Constitutional scholar Kermit Roosevelt offers an elegantly simple way to resolve the heated discord between conservatives who argue that the Constitution is immutable and progressives who insist it is a living document that must be reinterpreted in new cultural contexts so that its meaning evolves Roosevelt uses plain language and compelling examples to explain how the Constitution can be both a constant and an organic document Recent years have witnessed an increasing drumbeat of complaints about judicial behaviour focusing particularly on Supreme Court decisions that critics charge are reflections of the Justices' political preferences rather than enforcement of the Constitution The author takes a balanced look at these controversial decisions through a compelling new lens of constitutional interpretation He clarifies the task of the Supreme Court in constitutional cases then sets out a model to describe how the Court creates doctrine to implement the meaning of the Constitution Finally Roosevelt uses this model to show which decisions can be justified as legitimate and which cannot

Monsieur Proust, as told to G. Belmont, tr Céleste Albaret, Georges Belmont, 1976-01-01

Proust's Duchess Caroline Weber, 2019-11-26
PULITZER PRIZE FINALIST A brilliant look at turn of the century Paris through the first in depth study of the three women Proust used to create his supreme fictional character the Duchesse de Guermantes Weber has done a remarkable job of bringing to life a world of culture glamour and privilege The Wall Street Journal Geneviève Halévy Bizet Strauss Laure de Sade Comtesse de Adhémar de Chevalign and Elisabeth de Riquet de Caraman Chimay the Comtesse Greffulhe these were the three

superstars of fin de siècle Parisian high society who as Caroline Weber says transformed themselves and were transformed by those around them into living legends paragons of elegance nobility and style All well but unhappily married these women sought freedom and fulfillment by reinventing themselves between the 1870s and 1890s as icons At their fabled salons they inspired the creativity of several generations of writers visual artists composers designers and journalists Against a rich historical backdrop Weber takes the reader into these women's daily lives of masked balls hunts dinners court visits nights at the opera or theater But we see as well the loneliness rigid social rules and loveless arranged marriages that constricted these women's lives Proust as a twenty year old law student in 1892 would worship them from afar and later meet them and create his celebrated composite character for *The Remembrance of Things Past* *Proust's Latin Americans* Rubén Gallo, 2014-07-15 The first discussion of Proust's circle of Latin American friends lovers and literary models Part biography part cultural history part literary study Rubén Gallo's book explores the presence of Latin America in Proust's life and work The novelist lived in an era shaped by French colonial expansion into the Americas just before his birth Napoleon III installed Maximilian as emperor of Mexico and during the 1890s France was shaken by the Panama Affair a financial scandal linked to the construction of the canal in which thousands of French citizens lost their life savings It was in the context of these tense Franco Latin American relations that the novelist met the circle of friends discussed in *Proust's Latin Americans* the composer Reynaldo Hahn Proust's Venezuelan lover Gabriel de Yturri an Argentinean dandy Jos María de Heredia a Cuban poet and early literary model Antonio de La Gandara a Mexican society painter and Ramon Fernandez a brilliant Mexican critic turned Nazi sympathizer Gallo discusses the correspondence some of it never before published between the novelist and this heterogeneous group and also presents insightful readings of *In Search of Lost Time* that posit Latin America as the novel's political unconscious Proust's speculation with Mexican stocks informed his various fictional passages devoted to financial transactions and the Panama Affair shaped his understanding of the conquest of America in a little known early text *Proust's Latin Americans* will be of interest to scholars of modernism French literature Proust studies gender studies and Latin American studies *Proust's In Search of Lost Time* Katherine L. Elkins, 2023 With the story of a madeleine dipped in tea Marcel Proust makes famous moments that transport one to an earlier time thought lost forever His *In Search of Lost Time* announces a quest narrative with lost time as its goal We follow the journey of a young man as he strives to become the writer he longs to be and his journey entails discovering a sense of self in which past and present intertwine The narrator is delayed in his goal by various digressions including journeys into the worlds of the salons and of art For this reason the novel offers far more avenues for philosophical reflection than simply a meditation on time and identity *In Search of Lost Time* includes reflections on love and jealousy joy and suffering the enchantments of art and the disillusionments of friendship This volume brings together prominent philosophers and critics to illuminate these many themes Eight essays treat a wide range of topics including fiction biography temporality music love jealousy weather and consciousness One of the longest and most

complex novels ever written In Search of Lost Time has fascinated philosophers for decades The contributors in this volume build upon earlier approaches to offer new avenues and directions for philosophical thought Marcel Proust and Spanish America Herbert E. Craig, 2002 Craig begins by attributing the early introduction of the Recherche to the intimate friendship between Proust and the pianist composer Reynaldo Hahn who was born in Caracas He then shows in chapter 1 how literary critics of the principal newspapers and literary magazines of such countries as Venezuela Argentina and Chile examined this French text which we know today as one of the fundamental works of modernism Shortly thereafter interest in the Recherche spread to Cuba Mexico Uruguay and Colombia Eventually it would be read in all parts of the New World Over the years Spanish Americans have continued to write about the Recherche and have published several noteworthy books on it which are included in the comprehensive bibliography which serves as an appendix BOOK JACKET Pretend Bride Michael O. Gregory, 2020-01-06 In the Year of 1793 after corresponding for several years William Hooker of Newport Rhode Island and Monique Du Mont of Reims France marry by proxy After receiving his copy of the marriage certificate from Monique William acquires travel documents for himself and Monique then takes ship for France to get her Arriving in Reims France William learns that Monique had died of tetanus Devastated William starts back to America In Paris he stops over for the night Azura Gauzet who had been in the service of Contessa Marie Jeanne Du Barry returned home to her mother only to have to flee to avoid arrest as a Royalist sympathizer In Paris she was attacked by two men in the night William out for a stroll heard a woman scream He was able to rescue Azura However the two men assaulting her now lay dead William realized that to save himself he would also have to save her She would pose as his wife until they both were out of France They headed for the coast by public coach to take ship to America The two dead men were soon discovered and Monsieur Proust an agent of the Committee of Public Safety went in pursuit by public coach Will they make it to safety **Eiffel's Tower** Jill Jonnes, 2009-04-30 The story of the world famous monument and the extraordinary world's fair that introduced it by the author of Conquering Gotham and Urban Forests In this first general history of the Eiffel Tower in English Jill Jonnes acclaimed author of Conquering Gotham offers an eye opening look not only at the construction of one of the modern world's most iconic structures but also the epochal event that surrounded its arrival as a wonder of the world In this marvelously entertaining portrait of Belle époque France fear and loathing over Eiffel's brash design share the spotlight with the celebrities that made the 1889 Exposition Universelle an event to remember including Buffalo Bill and his sharpshooter Annie Oakley Thomas Edison and artists Whistler Gauguin and van Gogh Eiffel's Tower is a richly textured portrait of an era at the dawn of modernity reveling in the limitless promise of the future *Geneviève Straus: A Parisian Life* Joyce Block Lazarus, 2017-07-03 Geneviève Straus a Parisian Life is the first biography in English of Geneviève Straus 1849-1926 a Parisian salon hostess and political activist Joyce Block Lazarus explores myths surrounding Straus and offers an account of her life and accomplishments Making use of historical materials including previously unpublished letters Lazarus shows that

Straus was a female intellectual during an era when women were non citizens Scholars have well documented the Dreyfus Affair 1894 1906 but have overlooked archival documents which spotlight Straus s role as a political activist in the affair In Genevi ve Straus a Parisian Life Lazarus highlights Straus s thirty four year friendship with Marcel Proust and examines her influence on Proust s novel In Search of Lost Time finding echoes of Straus and her family in his masterpiece *When Paris Sizzled* Mary McAuliffe,2016-09-15 When Paris Sizzled vividly portrays the City of Light during the fabulous 1920s les Ann es folles when Parisians emerged from the horrors of war to find that a new world greeted them one that reverberated with the hard metallic clang of the assembly line the roar of automobiles and the beat of jazz Mary McAuliffe traces a decade that saw seismic change on almost every front from art and architecture to music literature fashion entertainment transportation and most notably behavior The epicenter of all this creativity as well as of the era s good times was Montparnasse where impoverished artists and writers found colleagues and caf s and tourists discovered the Paris of their dreams Major figures on the Paris scene such as Gertrude Stein Jean Cocteau Picasso Stravinsky Diaghilev and Proust continued to hold sway while others now came to prominence including Ernest Hemingway Coco Chanel Cole Porter and Josephine Baker as well as Andr Citro n Le Corbusier Man Ray Sylvia Beach James Joyce and the irrepressible Kiki of Montparnasse Paris of the 1920s unquestionably sizzled Yet rather than being a decade of unmitigated bliss les Ann es folles also saw an undercurrent of despair as well as the rise of ruthless organizations of the extreme right aimed at annihilating whatever threatened tradition and order a struggle that would escalate in the years ahead Through rich illustrations and evocative narrative Mary McAuliffe brings this vibrant era to life *Proust & His Banker* Gian Balsamo,2017-04-19 This study explores the surprising relationship between Proust s creative genius his financial extravagance and the steady hand that kept him afloat What Marcel Proust wanted from life most of all was unconditional requited love and the way he went after it smothering the objects of his affection with gifts cost him a fortune To pay for such extravagance he engaged in daring speculations on the stock exchange The task of his cousin and financial adviser Lionel Hauser was to make sure these speculations would not go sour In Proust and His Banker Gian Balsamo examines this vital complex relationship and reveals that the author s liberal squandering of money provided the grist for many of the fictional characters and dramatic events he wrote about Focusing on hundreds of letters between Proust and Hauser among other archival and primary sources Balsamo provides a fascinating window into the writer s creative process his financial activities and the surprising relationship between the two Successes and failures alike provided material for Proust s fiction whether from the purchase of an airplane for the object of his affections or the investigation of a deceased love s intimate background Over the course of their fifteen year collaboration the banker saw Proust squander three fifths of his wealth To Hauser the writer was a virtuoso in resource mismanagement Nonetheless Balsamo shows we owe it to the altruism of this generous relative who never thought twice about sacrificing his own time and resources to Proust that In Search of Lost Time was ever completed **Sleepless Marie**

Darrieussecq,2023-09-05 A restless inquiry into the cultural and psychic sources of insomnia by one of contemporary French literature's most elegant voices Plagued by insomnia for twenty years Marie Darrieussecq turns her attention to the causes implications and consequences of sleeplessness a nocturnal suffering that culminates at 4 a.m. and then defines the next day Insomniac mornings are dead mornings she observes Prevented from falling asleep by her dread of exhaustion the next day Darrieussecq turns to hypnosis psychoanalysis alcohol pills and meditation Her entrapment within this spiraling anguish prompts her inspired ingenious search across literature geopolitical history psychoanalysis and her own experience to better understand where insomnia comes from and what it might mean There are those she writes in Rwanda whose vivid memories of genocide leave them awake and transfixed by complete horror there is the insomnia of the unhoused who have nowhere to put their heads down The hyperconnection of urban professional life transforms her bedroom from a haven to a dormant electrified node Ranging between autobiography clinical observation and criticism Sleepless is a graceful inventive meditation by one of the most daring inventive novelists writing today *The Friendship of Roland Barthes* Philippe

Sollers,2017-03-06 In Roland Barthes's eyes Philippe Sollers embodied the figure of the contemporary writer forever seeking something new Thirty six years after Barthes produced his study Sollers Writer Sollers has written a book on the man who was his friend and who shared with him a total faith in literature as a force of invention and discovery as a resource and an encyclopaedia They met regularly exchanged many letters and fought many battles together against every kind of academicism every political and ideological regression Barthes shed light on Sollers's work in a series of articles that are still of great relevance today Sollers in turn assumed the role of Barthes's publisher at Le Seuil from the publication of his Critical Essays in 1964 and was left deeply shocked and saddened by Barthes's death in 1980 In short they were very close to each other despite their differences and Sollers expresses here what this meant at the time and what it continues to represent highlighting the themes that sustained their friendship The book also contains some thirty letters from Barthes to Sollers completing our image of one of the most extraordinary partnerships in French literary life Constellation of Genius Kevin

Jackson,2024-05-01 Ezra Pound referred to 1922 as Year One of a new era It was the year that began with the publication of James Joyce's *Ulysses* and ended with the publication of T.S. Eliot's *The Waste Land* two works that were arguably the sun and moon of modernist literature some would say of modernity itself In *Constellation of Genius* Kevin Jackson puts the titanic achievements of Joyce and Eliot in the context of the world in which their works first appeared As Jackson writes in his introduction On all sides and in every field there was a frenzy of innovation It is in 1922 that Hitchcock directs his first feature Kandinsky and Klee join the Bauhaus the first AM radio station is launched Walt Disney releases his first animated shorts and Louis Armstrong takes a train from New Orleans to Chicago heralding the age of modern jazz On other fronts Einstein wins the Nobel Prize in Physics insulin is introduced to treat diabetes and the tomb of Tutankhamun is discovered As Jackson writes the sky was blazing with a constellation of genius of a kind that had never been known before and has never

since been rivaled Constellation of Genius traces an unforgettable journey through the diaries of the actors anthropologists artists dancers designers filmmakers philosophers playwrights politicians and scientists whose lives and works over the course of twelve months brought a seismic shift in the way we think splitting the cultural world in two Was this a matter of inevitability or of coincidence That is for the reader of this romp this hugely entertaining chronicle to decide Monsieur Proust Céleste Albaret,2003-10-31 Céleste Albaret was Marcel Proust's housekeeper in his last years when he retreated from the world to devote himself to *In Search of Lost Time* She could imitate his voice to perfection and Proust himself said to her You know everything about me Her reminiscences of her employer present an intimate picture of the daily life of a great writer who was also a deeply peculiar man while Madame Albaret herself proves to be a shrewd and engaging companion

Aestheticism Leon Chai,1990 *Proust's English* Daniel Karlin,2007 A study of English words and phrases in *A la recherche du temps perdu* dealing with the social comedy of French Anglomania and with Proust's understanding of the necessary impurity of all languages and artistic creation Karlin demonstrates that English is a significant presence in this French masterpiece **Asthma: The Biography** Mark Jackson,2009-10-08 Asthma is a familiar and growing disease today but its story goes back to the ancient world as we know from accounts in ancient texts from China India Greece and Rome It was treated with acupuncture and Ayurveda As Western medicine developed the nature of asthma became clearer and its basis in the lungs recognized But cultural perceptions of the disease shifted too By the 18th century with recognition that the disease was centred on the lungs the idea of environmental triggers such as dust and smoke first became recognized And with that asthma also became identified as a disease of artisans Things changed again in the 19th century as medical understanding grew with the advent of the stethoscope and new techniques such as percussion of the chest New treatments included the promotion of mountain spas for asthma now rose in social status and became associated with the upper classes and the literati For Marcel Proust and Charles Dickens asthma shaped their lives and their creativity From early in the 20th century the idea of asthma as an allergic disease became established and the search for environmental causes was on Hay fever was closely linked and pharmaceutical companies began to make antihistamines anti inflammatories and bronchodilators Asthma sufferers were warned to beware of pets simplify their furnishings and take holidays by the sea far from pollens But a newly emerging concept was that attacks could be triggered by stress and psychological factors With musicians such as Schoenberg and Berg as celebrity sufferers the idea of asthma as an elite disease persisted In recent years attitudes have changed again as incidences of asthma grew dramatically across the world especially among the young The disease has now become closely linked to modern lifestyles and the many products of civilization The battle against house dust mites began and whole new lines of anti allergenic products and foods were launched asthma has proved highly lucrative over the years But the disease has remained fashionable even becoming the theme of several pop songs Asthma the biography is part of the Oxford series *Biographies of Diseases* edited by William and Helen Bynum In each individual volume

an expert historian of medicine tells the story of a particular disease or condition throughout history not only in terms of growing medical understanding of its nature and cure but also shifting social and cultural attitudes and changes in the meaning of the name of the disease itself
