Molly Potter has come up with a bank of puzzles, activities, and games designed to make learning times tables more palatable. Angela McAllister, 2005 After asking for a big, wild, and exciting pet, Jackson receives a boring hamster and quickly forgets to care for it, with frightening results. **Dissecting Stephen King** Heidi Strengell, 2005 In a thoughtful, well-informed study exploring fiction from throughout Stephen King's immense oeuvre, Heidi Strengell shows how this popular writer enriches his unique brand of horror by building on the traditions of his literary heritage. Tapping into the wellsprings of the gothic to reveal contemporary phobias, King invokes the abnormal and repressed sexuality of the vampire, the hubris of Frankenstein, the split identity of the werewolf, the domestic melodrama of the ghost tale. Drawing on myths and fairy tales, he creates characters who, like the heroic Roland the Gunslinger and the villainous Randall Flagg, may either reinforce or subvert the reader's childlike faith in society. And in the manner of the naturalist tradition, he reinforces a tension between the free will of the individual and the daunting hand of fate. Ultimately, Strengell shows how King shatters our illusions of safety and control. King places his decent and basically good characters at the mercy of indifferent forces, survival depending on their moral strength and the responsibility they may take for their fellow men. *Welcome To My Nightmare: The Alice Cooper Story* Dave Thompson, 2012-06-26 Alice Cooper is an American rock singer, songwriter, and musician whose career spans more than four decades. With a stage show that features guillotines, electric chairs, fake blood, boa constrictors, and baby dolls, Cooper has pioneered a grandly theatrical and violent brand of hard rock designed to shock. Includes interviews with original bandmates Michael Bruce and the late Glenn Buxton, drummer Neal Smith, the late

Frank Zappa manager Shep Gordon and producer Bob Ezrin Includes tributes and recollections from many of the artists who call Alice an influence from the Damned and the Cramps to White Zombie and Gwar Session players and songwriters who have made their own contributions to the Alice story recall their days spent with this Prince of Hell raisers The result is a story that alternately thrills shocks surprises and delights Includes full discography and bibliography Beasts of the Ancient World Marchella Ward,2023-10-03 Uncover tales of ancient beasts in this beautiful anthology of mythologies This book introduces children to the thrilling mythological beasts from ancient civilizations Discover 26 stories accompanied by beautiful colorful illustrations Through the incredible storytelling you can learn about fantastic creatures such as the Japanese baku which had the power to devour nightmares the wise Egyptian Sphinx and the fearsome Minotaur who went head to head with Theseus in Greek mythology Featured pages highlight amazing real life photos of objects from the museum's collection showing how each beast was represented in art A perfect global introduction to the most fascinating stories about legendary creatures from ancient history
