Befriending Your Monsters Luke Norsworthy, 2020-05-19 Monsters aren t real As reasonable adults we know this But we also know that while fake the monsters of fairy tales movies and Netflix series embody our very real fears Large powerful beings that hunt us in the dark make us feel small weak vulnerable When characters in these stories run away they temporarily feel safe but it s not until the monster is faced head on that the story can have a happy ending and more importantly the hero can become all he or she was created to be The same is true of the monsters of the spiritual life The monsters of comparison I am what others say about me more I am what I have and success I am what I do are powerful enemies of a healthy spiritual life But ignoring them solves nothing Pastor and speaker Luke Norsworthy wants you to face your monsters get to know them and discover how they are inviting you into a deeper understanding of yourself and a more intimate connection with God You ll never completely eradicate your fears but if you befriend them they can lead you into becoming God s intention for you
