[Jeremiah](#) J. A. wise ex firefighter and a man obsessed with battling imagined devils But there s nothing imaginary about the young nurse found sexually assaulted and brutally murdered late one night after lights out The police suspect an inmate while patients whisper about visions of a white shrouded angel But the striking and mysterious prosecuting attorney who arrives to investigate has her own chilling theory about the grim telltale signature left on the victim s body a string of unsolved sex killings and a very real devil who by chance or design has come to turn a madhouse into a slaughterhouse Now with the past creeping back to haunt his thoughts and nothing but a pencil and the bare walls of his bleak apartment Francis surrenders to the overwhelming need to tell the story of those nightmarish days But because the crime was never solved it s a story doomed to remain unfinished Until like Francis s long buried recollections the killer resurfaces with a vengeance A tour de force narrative journey through the eerily unpredictable mind of an utterly unusual hero The Madman s Tale will keep even the most astute thriller reader uncertain unnerved and unable to resist the tantalizing twists and turns of this fiendishly suspenseful shadow show
