Crossings and Dwellings Kyle B. Roberts,Stephen Schloesser, J.S.,2017-07-31 In Crossings and Dwellings Kyle Roberts and Stephen Schloesser S J bring together essays by eighteen scholars in one of the first volumes to explore the work and experiences of Jesuits and their women religious collaborators in North America over two centuries following the Jesuit Restoration Long dismissed as anti liberal anti nationalist and ultramontanist restored Jesuits and their women religious collaborators are revealed to provide a useful prism for looking at some of the most important topics in modern history immigration nativism urbanization imperialism secularization anti modernization racism feminism and sexual reproduction Approaching this broad range of topics from a variety of disciplinary perspectives this volume provides a valuable contribution to an understudied period

Situational Policing James J. Nolan,2008-03 A recent study explored whether community policing CP could work in different types of neighborhoods The analysis found it successful in some communities but not in others Of the 15 participating Chicago police beats the researchers rated 9 excellent 6 struggling The research question itself garners even more interest for it suggests that CP should have similar benefits in different types of neighborhoods The authors present a theoretical framework to help police decide what type of CP strategy could work best in specific neighborhoods Through the Situational Policing Model the authors present a clear observable desired end state for officers as they work to respond to neighborhood crime disorder

Dixie Heretic Tennant McWilliams,Tennant S. McWilliams,2023-09-22 Dixie Heretic is a life and times biography of the minister and social reformer Renwick C Kennedy 1900 1985 an impassioned tortured man who strove ardently to make his white Alabama congregants more Christian by acknowledging their own racism and greed and who not only lived but chronicled carefully many of the forces culminating in the right wing conservative movement

today As McWilliams relates Kennedy came from upcountry South Carolina a place rife with Scotch Irish Associate Reformed Presbyterians They lived by biblical infallibility and a strain of individual piety and salvation focused on the hereafter In the early 1920s however his ministerial studies took him to Princeton Theological Seminary There he encountered the Presbyterian Conflict over science fundamentalism and the social gospel and he emerged a radical Christian socialist Like a few other articulate practitioners of Neo orthodoxy young Kennedy stayed true to the literalist Bible and the salvation and piety allegiances of his youth But he embraced not only the Social Gospel s mandate to solve earthly problems of poverty and prejudice but many cardinal tenets of modern science as well To Kennedy this posed no contradiction In 1927 Kennedy moved to Camden Alabama the seat of Wilcox County where he soon married and started a family Meanwhile his ministry for social change dominated his Wilcox pastorates filled with the very people from whom he derived the Scotch Irish Quietly he came to believe that God had a mandate for him to confront and change the behaviors and beliefs of his congregations notably their attitudes about race and poverty And to do this he found he had to attack what he considered traditionalist Christian hypocrisy half Christianity or non social gospel Christianity some of which he came to see as a form of proto fascism if not fascism itself He soon turned to penning confrontational short stories many published in Christian Century and some in the New Republic and set in his fictitious Yaupon County In some of these stories he overtly revealed his allegiances as a Social Gospel Christian and as an adamant supporter of Franklin Roosevelt s Democratic party He spared no one not even members of his own congregation He also abandoned his pacifism and urged US intervention in World War II he hoped that the defeat of racial fascism abroad might somehow grow white hearts at home Ultimately to help eliminate the anti Christ the mad dog Hitler Kennedy joined the U S Army As a chaplain with the famed 102nd Evacuation Hospital he experienced some of the most horrific chapters of the conflict Saint Lo the Battle of the Bulge and arrived at Dachau a mere week after German soldiers fled The postwar world gave Kennedy periods of optimism and hope He returned from the war believing America might deal with its own racial issues the way it had treated Europe and Japan s His own children grew into educated enlightened and thriving adults And new developments in his professional life brought considerable increases to his family income easing his wife s long financial insecurities Yet these years also offered a great many frustrations Even by 1948 he knew his Social Gospel hopes about racism fascism and white entitlement especially among his fellow Scotch Irish were na ve at best The rise of the Dixiecrat movement a key Dixiecrat leader Alabama State senator J Miller Bonner was a member of his own congregation only deepened his sense of personal defeat Even so the rise of the civil rights movement in the 1950s and 1960s and occasional developments in state and national politics rekindled at least some of his old Neo orthodox hope and drive He played a significant role in desegregating Troy State University for instance but the gratifications of even small victories proved fleeting dashed by the assassinations of Dr King JFK and RFK and the growing numbers of southern white Republicans and Wallaceites In Kennedy s increasing down times he was privately the self professed Christian and a

Democrat seeing national Republicans as sinners for their growing embrace of white southern racial conservatives A long term functional alcoholic this privately persistent Neo orthodox Christian never ceased agonizing over the growing half Christianity around him Indeed he died worrying about what it portended for the role of white supremacist proto fascists in modern America aware of having made few inroads on God s mandate and what he considered white Christian wrongs in Alabama While Renwick Kennedy was front loaded for the failure he indeed found still in the values and social norms he pondered and challenged at every stage of his life and today so badly in need of recommitment he stands as a good citizen a non hypocritical Christian and an emblem of hope

Early Alabama Mike Bunn,2019-06-25 An illustrated guidebook documenting the history and sites of the state s origins Alabama s territorial and early statehood years represent a crucial formative period in its past a time in which the state both literally and figuratively took shape The story of the remarkable changes that occurred within Alabama as it transitioned from frontier territory to a vital part of the American union in less than a quarter century is one of the most compelling in the state s past This history is rich with stories of charismatic leaders rugged frontiersmen a dramatic and pivotal war that shaped the state s trajectory raging political intrigue and pervasive sectional rivalry Many of Alabama s modern cities counties and religious educational and governmental institutions first took shape within this time period It also gave way to the creation of sophisticated trade and communication networks the first large scale cultivation of cotton and the advent of the steamboat Contained within this story of growth and innovation is a parallel story the dispossession of Native groups of their lands and the forced labor of slaves which fueled much of Alabama s early development Early Alabama An Illustrated Guide to the Formative Years 1798 1826 serves as a traveler s guidebook with a fast paced narrative that traces Alabama s developmental years Despite the great significance of this era in the state s overall growth these years are perhaps the least understood in all of the state s history and have received relatively scant attention from historians Mike Bunn has created a detailed guide appealing to historians and the general public for touring historic sites and structures including selected homes churches businesses government buildings battlefields cemeteries and museums
