Hollywood an actor of stunning beauty and delicacy who inspired contemporaries like Marlon Brando and James Dean and who was nominated four times for an Academy Award A major part of his appeal resided in the fact that he was a different kind of star one that represented vulnerability rebellion and less orthodox ways of being a man If anything Clift s appeal deepened after his death as evidence emerged of his bisexuality he had relationships with a number of men and there were even rumours that he and Elizabeth Taylor had contemplated getting married Turbulent and self consuming he was blighted by alcohol and drug addiction and died a relatively forgotten figure a few months before his forty sixth birthday

BOOK JACKET Elizabeth Taylor, the Last Star Kitty Kelley,1981 Follows her career and personal life from childhood through her real life role as a Senate wife **Elizabeth and Monty** Charles Casillo,2021-05-25 Violet eyed siren Elizabeth Taylor and classically handsome Montgomery Clift were the most gorgeous screen couple of their time Over two decades of friendship they made separately and together some of the era s defining movies including Cat on a Hot Tin Roof The Misfits Suddenly Last Summer and Cleopatra Yet the relationship between these two figures one a dazzling larger than life star the other hugely talented yet fatally troubled has never truly been explored until now Monty Elizabeth likes me but she loves you Richard Burton When Elizabeth Taylor was cast opposite Montgomery Clift in A Place in the Sun he was already a movie idol with a natural sensitivity that set him apart At seventeen Elizabeth was known for her ravishing beauty rather than her talent Directors treated her like a glamorous prop But Monty took her seriously inspiring and encouraging her In her words That s when I began to act To Monty she was Bessie Mae a name he coined for her earthy private side The press clamored for a wedding convinced this was more than friendship The truth was even more complex Monty was drawn to women but sexually attracted to men a fact that if made public would destroy his career But he found acceptance and kinship with Elizabeth Her devotion was never clearer than after his devastating car crash near her Hollywood home when she crawled into the wreckage and saved him from choking Monty s accident shattered his face and left him in constant pain As he sank into alcoholism and addiction Elizabeth used her power to keep him working In turn through scandals and multiple marriages he was her constant Their relationship endured until his death in 1966 right before he was to star with her in Reflections in a Golden Eye His influence continued in her outspoken support for the gay community especially during the AIDS crisis Far more than the story of two icons this is a unique and extraordinary love story that shines new light on both stars revealing their triumphs demons and the loyalty that united them to the end Casillo weaves an engrossing story about the intertwined lives of his subjects the parallel worlds of privilege that they came from the personal misfortunes that each suffered and the seemingly inextricable path that led to that fateful night The author approaches them both with sympathy and comes away with a melodrama as good as any that they ever starred in The New York Times In a riveting new book that brings Hollywood s golden age to life with colorful well researched details and interviews with stars who knew Taylor and Clift Casillo explores the intense bond the two shared People Magazine Larger Than Life R.
