pagan barbarian at heart but tempered by her centuries amongst a growing Christian influence in Western Europe Her tale is
by turns pathetic endearing unnerving and horrifying as the reader witnesses her climb from nameless slave to terrifying
goddess then her plunge into murderous insanity until she emerges humbled and remade all this in just her first 1500 years
Concomitant with that tale is the modern narrative where Zsallia is forced to confront what it means to cease living outside
society and join the world around her to take up the benefits and responsibilities of living openly and asking people to simply
accept who and what she is Books in Print ,1991 *It's NOT a Midlife Crisis It's an Opportunity* Andrew G.

their composure A microcosm for the hypocrisy that lies underneath the covers of American society the Golden family a sleeping giant is about to be exposed A tale of truth and lies loss lust love life and grace and humanity They are left to wonder if their faith has failed them or if they are their own undoing Can this Golden family survive the impending implosion that is their lives This is a barrier breaking story about the rise and fall of the kings of the church A narrative that depicts reality in the raw It is humanity heaven hell and high water for the reader Not for the faint of heart it is an adventurous drama that reflects the real lives of the haves and the have nots Dispelling religious dogma this deep read serves salvation and nakedness A must read This work will change the life of every reader and make you rethink your relationship with yourself God and others You are guaranteed to never be the same after ingesting this soul food I wrote this book to dispel myths about God salvation people and life What influenced the journey to The Doors were my experiences at various churches over the years Me being a confused Christian having been trapped by religion Having been beaten into submitting to man s will not that of God Fortunately enough I was not raised in a religious household In hindsight I believe that as a youth I may have enjoyed too much freedom Because of such libertarian rearing or lack thereof depending upon view worshipping authoritative figures has never been a priority on my list I have always been rebellious in that aspect Keeping in mind I believe in giving respect where it is due in the same token I am also a firm believer that God is no respecter of persons not withstanding there is a time and place for everything Even Jesus encouraged people to render to Caesar what was his Give respect and honor where it is indeed due There is a way to come before kings as God is a God of order As there is God ordained authority and leadership where in fact we must submit in many instances We must bear in mind dominion and authority are not given exclusively to men as in the sex per se Often times where we see man or men in biblical text it means the whole of humanity Not just males Not just leadership We all have something to bring to the table As equally we are all very flawed creatures who ourselves need to submit to the leadership of God s Holy Spirit The United Presbyterian ,1909
