de 74 études cliniques de bons niveaux de preuves mais 8 essais cliniques randomisés ECR n 58 et études non randomisées et observationnelles n 8 Une grande diversité de situations cliniques ont été retrouvées : Aiguës chroniques, prévention du pistage, multi-morbidité, fin de vie, gériatrie, pédiatrie, psychiatrie, addictologie. Les interventions étaient très diverses, parfois rattachées à une ou plusieurs composantes PP ou PA de l'ACP, parfois faisant référence à des interventions mieux définies : proches de l'ACP, entretien motivationnel, éducation thérapeutique, décision médicale partagée. Les critères de jugement étaient cliniques : morbidité, mortalité n 23, d'ordre qualitatif n 19, ils pouvaient porter également sur l'évaluation des critères intermédiaires n 8 et d'utilité n 2. Nous avons retrouvé une proportion d'études plus importantes mettant en évidence une efficacité clinique significative sur un plan statistique lorsque les interventions PP et PA étaient mises en œuvre conjointement. Cette revue a permis de discuter des conditions de mise en œuvre d'une recherche véritablement orientée patient en France.

Enjoying the Tune of Phrase: An Psychological Symphony within **Patient Et Ebai Clinique**

In some sort of eaten by displays and the ceaseless chatter of instant communication, the melodic elegance and emotional symphony created by the published term usually disappear in to the back ground, eclipsed by the persistent sound and disruptions that permeate our lives. But, set within the pages of **Patient Et Ebai Clinique** a marvelous fictional treasure brimming with natural emotions, lies an immersive symphony waiting to be embraced. Constructed by a masterful musician of language, this charming masterpiece conducts readers on a psychological trip, well unraveling the concealed melodies and profound affect resonating within each cautiously constructed phrase. Within the depths with this touching evaluation, we will discover the book is key harmonies, analyze their enthralling publishing fashion, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
