Patrick O'Brian The Making Of The Novelist 1914 1949:

Patrick O'Brian Nikolai Tolstoy, 2005 **Lives of the Novelists** Carl Rollyson, 2005-10-21 Is there a right way to write a literary life In this collection of columns from the New York Sun Carl Rollyson explores the relationship between narrative and literary analysis Should biographies be written in the style and form of novels How to balance the life and the work How much literary criticism can a biography absorb into its narrative Rollyson proposes a number of apologies for biography including the thought that in the right hands the literary biography is a continuation of the writer's work and life In such instances there seems to be a symbiosis between biographer and subject In other cases biographies spearhead the rediscovery of important writers He rejects the idea that literary figures are not good subjects for biography because they are not men and women of action That literary biography is a kind of strip mining a pathography laying bare the subject's life to no good purpose is another canard this book demolishes The pieces here also expose the genre's weak points a proclivity for overstatement and excessive length the failure of biographers to build upon their predecessors work Rollyson invents a term biographology in order to discuss the biographical tradition **Of Sex and Faerie: further essays on Genre Fiction** John Lennard, 2010 Taking up where *Of Modern Dragons* 2007 left off these essays continue Lennard's investigation of the praxis of serial reading and the best genre fiction of recent decades including work by Bill James Walter Mosley Lois McMaster Bujold and Ursula K Le Guin There are groundbreaking studies of contemporary paranormal romance and of Hornblower's transition to space while the final essay deals with the phenomenon and explosive growth of fanfiction and with the increasingly empowered status of the reader in a digital world There is an extensive bibliography of genre and critical work with eight illustrations John Lennard is Director of Studies at Hughes Hall Cambridge and has also taught for the Universities of London Notre Dame and for the Open University and was Professor of British American Literature at the University of the West Indies Mona 2004 09 *Of Modern Dragons* and other essays on genre fiction 2007 is also available from Lulu **Patrick O'Brian** Nikolai Tolstoy, 2005 Tolstoy accumulated a vast collection of his stepfather's papers correspondence and notebooks many of which are reproduced here to present a complex portrait of the man considered by many to be the greatest British novelist of the 20th century **The Making of 'Master and Commander'** Tom McGregor, 2003 Looks behind the scenes at the motion picture based on Patrick O'Brian's novel and includes filming logistics prop creations and interviews with the cast **Library Journal**, 2005 **Annual Bibliography of English Language and Literature** Modern Humanities Research Association, 2005 Includes both books and articles **American Book Publishing Record**, 2005 *Joyce in the Belly of the Big Truck; Workbook* Joyce A.
