Post Captain Patrick O'Brian, 1994. Master and Commander raised almost dangerously high expectations. Post Captain triumphantly surpasses them: a brilliant book. Mary Renault

Patrick O'Brian: a Very Private Life Nikolai Tolstoy, 2019-10-21. An intimate portrait of the reclusive and brilliant author written by his step son Nikolai Tolstoy. The English novelist Patrick O Brian is much admired for his best selling Aubrey Maturin series of sea novels; the unexpected success of the series secured his place in literary history. Far less is known about O Brian's personal life, largely because he preferred to keep it that way. In *A Very Private Life*, O Brian's step son Nikolai Tolstoy draws upon his step father's archives and papers to faithfully capture a life dedicated to the written word. This biography covers the latter part of O Brian's life from the moment of his arrival at Collioure in the south of France in 1949, where he wrote all his major works, to his death in 2000. Throughout his career, O Brian's writing was supplemented by his translation work, which saw him translate the likes of Simone de Beauvoir and Henri Charrière. Tolstoy also captures O Brian as he conducted research for the biography of his close friend and neighbour Pablo Picasso. Tolstoy maps his step father's literary career from its poverty-stricken beginnings to the remarkable success O Brian enjoyed later in life. He notes how, through a cruel irony of fate, just as his step father's literary career attained greater acclaim, O Brian's pleasure in his achievement began to diminish. This truthful, warm, and insightful biography is a testimony to Tolstoy's respect and admiration for his step father, one of Britain's most loved literary figures.

H.M.S. Surprise Patrick O'Brian, 1996. Patrick O Brian's Aubrey Maturin tales are widely acknowledged to be the greatest series of historical novels ever written. H M S Surprise follows the variable fortunes of Captain Jack Aubrey's career in Nelson's navy as he attempts to hold his ground against admirals, colleagues, and the enemy, accepting a mission to convey a British ambassador to the East Indies. The voyage takes him and his friend Stephen Maturin to the strange sights and smells of the Indian subcontinent and through the archipelago of spice islands where the French have a near-overwhelming superiority. Rarely has a novel managed to convey more vividly the fragility of a sailing ship in a wild sea. Rarely has a historical novelist combined action and lyricism of style in the way that O Brian does. His superb sense of place, brilliant characterisation, and a vigour and joy of writing lift O Brian above any but the most exalted of comparisons.

Patrick O'Brian's Bodies at Sea Michael Leigh Sinowitz, 2014-07-18. An exploration of the complex roles that bodies both literally and figuratively play in the 21-volume Aubrey Maturin series reveals much about the novels' many meditations on mind and body. Beginning with a consideration of genre norms and the bodies of the novels' main characters, the book's focus shifts to the ways the series offers interconnections between the human body and history. More literal considerations of the body examine O Brian's depictions of drug use, particularly the opium addiction that afflicts Stephen Maturin, and human sexuality in its many guises. The work then focuses on *Desolation Island*, the fifth novel in the series, in

light of the discussions above but also in terms of political and psychological tropes that draw upon the relationship of mind and body. Questions are examined about the relationship of reader to author and what sustains such a long narrative and what continues to bring a reader back again and again.

Treason's Harbour Patrick O'Brian, 1992-04 *Desolation Island* Patrick O'Brian, 1994 Captain Jack Aubrey and Stephen Maturin sail to Australia with a hold full of convicts including a dangerous spy while the crew is decimated by disease and their ship the Leopard is pursued by a Dutch man of war. *The O'Brian Family* American Baptist Publication Society, 1855 *Post Captain (Vol. Book 2) (Aubrey/Maturin Novels)* Patrick O'Brian, 1990-08-17 If Jane Austen had written rousing sea yarns she would have produced something very close to the prose of Patrick O'Brian. Time It's 1802 The Treaty of Amiens has brought an end to the hostilities between Great Britain and France. Captain Jack Aubrey and his friend naval surgeon Stephen Maturin are enjoying the respite in the English countryside besotted with two beautiful cousins Sophie Williams and Diana Villiers until Aubrey loses his fortune and they flee to France to escape his creditors. While in France Napoleon smashes the Peace of Amiens and war begins anew. Aubrey and Maturin now finding themselves behind enemy lines make their way back to England. Maturin is sent to Spain on an intelligence gathering mission and the now solvent Aubrey assumes command of a strange warship pursuing his quarry straight into the mouth of a French held harbor. Amidst the rollicking adventures at sea and mishaps on land Aubrey and Maturin's friendship is tested by their romantic entanglements with the cousins in this brilliant second installment of the epic series.
