with saints Brigit of Kildare and Columba He is also venerated in the Anglican Communion the Old Catholic Church and in the Eastern Orthodox Church as equal to apostles and the Enlightener of Ireland The dates of Patrick s life cannot be fixed with certainty but on a widespread interpretation he was active as a missionary in Ireland during the second half of the fifth century Early medieval tradition credits him with being the first bishop of Armagh Primate of Ireland Despite a lack of detail and many legendary accretions to his story early sources concur in regarding him as the founder of Christianity in Ireland making a start at converting a society practising a form of Celtic polytheism and he has been generally so regarded ever since despite evidence of some earlier Christian presence in Ireland
