## **Patrick Swift 1927-1983 Ps of Course:**

**PS ... of Course** Veronica Jane O'Mara, 1993      **Touchstones** Frank Shovlin, 2016 Touchstones examines the literary influences that led to John McGahern becoming Ireland's greatest fiction writer of the post-war generation      *Young John McGahern* Denis Sampson, 2012-02-23 Denis Sampson explores John McGahern's discovery of art as a young man and traces the development of his signature vision and style Sampson considers McGahern's early efforts as an apprentice novelist and weaves the inner story of the composition of his acclaimed first novel *The Barracks* into a narrative of imaginative formation

**The Letters of John McGahern** John McGahern, 2021-08-31 I am no good at letters John McGahern 1963 John McGahern is consistently hailed as one of the finest Irish writers since James Joyce and Samuel Beckett This volume collects some of the witty profound and unfailingly brilliant letters that he exchanged with family friends and literary luminaries such as Seamus Heaney Colm Tóibín and Paul Muldoon over the course of a well-travelled life It is one of the major contributions to the study of Irish and British literature of the past thirty years acting not just as a crucial insight into the life and works of a much-revered writer but also a history of post-war Irish literature and its close ties to British and American literary life One of the greatest writers of our era Hilary Mantel McGahern brings us that tonic gift of the best fiction the sense of truth the sense of transparency that permits us to see imaginary lives more clearly than we see our own John Updike      Leitrim Observed Aubrey Malone, 2025-05-27 This is the first full-length biography of one of Ireland's most-loved writers A man who was able to go from a plain to a heightened prose style with deceptive ease John McGahern was as scrupulous as he was pure in the manner in which he crafted his books Beginning on a high with *The Barracks* in 1962 two years later he created a furore with *The Dark* losing his Primary teaching job in Dublin after it was banned He left Ireland afterwards to eke out a living doing support teaching in the schools of East London in between piecemeal writing commissions The failure of his marriage to the Finnish theatre director Annika Laaksi soon followed The two events might have crippled lesser men but as was the case when he lost his beloved mother to cancer as a ten-year-old boy somehow he found the way to mint art from his pain After returning to Ireland in the early seventies he went on to produce a rich stream of fiction combining the life of a Leitrim farmer with a starkly contrasting series of prestigious lectureships in foreign universities Aubrey Malone knew him As a fellow Connacht man who also left a teaching job to become a writer he found he had much in common with the Roscommon wordsmith after interviewing him for his Booker Prize-nominated novel *Amongst Women* in 1990 He became as interested in his life as his books afterwards and wrote about him frequently in subsequent years as well as keeping in touch with him by letter and over the phone In the present book he tells the story of Ireland's Chekhov from his strife-torn youth under a cruel father through a controversial career that saw him produce a steady stream of classic novels and short stories and novels right up to his elegiac swansong *That They May Face the Rising Sun* The book also explores some lesser-known aspects of his life his problems in teaching on both sides of the Irish Sea his failed romances one of which produced a love

child and the brave manner in which he negotiated the cancer that caused his death at the age of 71 in 2006 Through all of this he was buffeted by the love of his second wife Madeline an American photographer who provided sterling support to him from a discreet distance as he went from enfant terrible to national treasure McGahern changed the way we thought about life as much as literature His books will live as long as people love language In these pages we come to grips with someone who became famous the world over for getting the words right but who never left the lanes of Leitrim in his heart
