**The Patriot Chiefs** Alvin M. Josephy, Jr.,1993-11-01 A valuable chronicle of the greatness and majesty of the Indian chiefs Christian Science Monitor Told through the life stories of nine Indian chiefs this narrative depicts the American Indian effort to preserve a heritage and resist the changes brought by the white man Hiawatha King Philip Pop Pontiac Tecumseh Osceola Black Hawk Crazy Horse and Chief Joseph each represent different tribal backgrounds different times and places and different aspects of Indian leadership Soldiers philosophers orators and statesmen these leaders were the patriots of their people Their heroic and tragic stories comprise an integral part of American history Josephy tells his nine lives with a cold blooded historian s perspective sorrowing for both white man and red Time More than a series of biographical sketches Josephy places his Indian heroes in a broad historical setting and pictures them as fighters for freedom in the American tradition The New York Times Book Review

**NKJV, The American Patriot's Bible** Thomas Nelson,2010-05-16 THE ONE BIBLE THAT SHOWS HOW A LIGHT FROM ABOVE SHAPED OUR NATION Never has a version of the Bible targeted the spiritual needs of those who love our country more than The American Patriot s Bible This extremely unique Bible shows how the history of the United States connects the people and events of the Bible to our lives in a modern world The story of the United States is wonderfully woven into the teachings of the Bible and includes a beautiful full color family record section memorable images from our nation s history and hundreds of enlightening articles which complement the New King James Version Bible text *The American Manual and Patriot's Handbook* Bp. Samuel Fallows,Samuel Fallows,1888

**Flagging Patriotism** Ella Shohat,Robert Stam,2013-10-18 The question Why do they hate us is one of the most oft cited puzzles of contemporary American affairs yet it s not clear to whom they or us refers nor even what hate means In this bold new work Ella Shohat and Robert Stam take apart the hate discourse of right wing politics placing it in an international context How for example do other nations love themselves and how is that love connected to their attitudes toward America Is love of country monogamous or can one love many countries When can a country s self love be a symptom of self hatred Drawing upon their extensive experience with South American European and Middle Eastern societies the authors have written a long engagement with a problem that refuses to go away Flagging Patriotism considers these complex features of being patriotic and in so doing insists that the idea of patriotism instead of being rejected or embraced be accorded the complex identity it possesses Tecumseh and the Prophet Peter Cozzens,2021-08-03 An insightful unflinching portrayal of the remarkable siblings who came closer to altering the course of American history than

any other Indian leaders H W Brands author of *The Zealot and the Emancipator* The first biography of the great Shawnee leader to make clear that his misunderstood younger brother Tenskwatawa was an equal partner in the last great pan Indian alliance against the United States Until the Americans killed Tecumseh in 1813 he and his brother Tenskwatawa were the co architects of the broadest pan Indian confederation in United States history In previous accounts of Tecumseh s life Tenskwatawa has been dismissed as a talentless charlatan and a drunk But award winning historian Peter Cozzens now shows us that while Tecumseh was a brilliant diplomat and war leader admired by the same white Americans he opposed it was Tenskwatawa called the Shawnee Prophet who created a vital doctrine of religious and cultural revitalization that unified the disparate tribes of the Old Northwest Detailed research of Native American society and customs provides a window into a world often erased from history books and reveals how both men came to power in different but no less important ways Cozzens brings us to the forefront of the chaos and violence that characterized the young American Republic when settlers spilled across the Appalachians to bloody effect in their haste to exploit lands won from the British in the War of Independence disregarding their rightful Indian owners Tecumseh and the Prophet presents the untold story of the Shawnee brothers who retaliated against this threat the two most significant siblings in Native American history who Cozzens helps us understand should be writ large in the annals of America
