Patriot Future A Novel:

Patriot Future - Author's Draft Milton Johns, 2012-02-21 A harrowing look at what America might be like in the year 2021 Narcotics Detective and Marine combat veteran Matt Sheridan is recruited to infiltrate a rebel group the Confederation of American Patriots in a future America where the New Liberty Party has risen to absolute power The more he learns about the rebels the more he questions the New Liberty government Originally published in 1997 as Patriot Future this manuscript is the author's complete story Patriot Future Author's Draft features an extended story line on the early lives of Matt Sheridan and rebel operative Jimmy White Horse This material was removed by the original publisher for reasons of physical size Praise for Patriot Future From Booklist One would normally expect a near future thriller in which teaching about the Civil War has been declared socially insufficient i.e. politically incorrect to be somewhere to the political right of The Turner Diaries Not so here War hero and federal cop Matt Sheridan is assigned to infiltrate the allegedly right wing Confederation of American Patriots But it turns out that CAP is really the good guys fighting a corrupt New Liberty regime that has stolen elections and introduced a lethal drug called jazz to justify an enormous federal police apparatus This is a comparatively standard internal conspiracy plot but Johns has a real knack for action scenes for making military and law enforcement hardware complement but not overwhelm his good archetypal characters and for genuinely engaging reader sympathies with the rebels Moreover in making his debut Johns has produced a novel that can be enjoyed by those who disagree with his politics an achievement some writers with far more books under their belts have yet to manage Roland Green Metal Gear Solid The Novel ,

Patriot Future Milton Johns, 1997 America in the year 2021 seems picture perfect The New Liberty Party has done wonders for the nation There's no more national debt unemployment homelessness or discrimination of any kind For most citizens life is good But this brave new America is not without its problems Federal Police Narcotics Detective Matt Sheridan a young widower and deeply patriotic Marine combat veteran struggles every day to stem the tide of an insidious new narcotic called jazz which is becoming increasingly popular Sheridan's superiors in Internal Intelligence groom him to take on a second role in addition to his drug fighting duties They have chosen him to infiltrate a rebel political movement the Confederation of American Patriots CAP a group that has for the last few years made inroads in the New Liberty government's position of dominance Sheridan makes contact and begins to work his way into the local CAP organization hoping to get close to the national leadership Simultaneously he becomes immersed in an increasingly personal blood feud with a local jazz gang leader a situation that makes living his demanding life an even more difficult proposition A startling truth about jazz and its origins and supply network is discovered a revelation that nearly plunges the country into a state of disaster Sheridan must be sure he knows who the real patriots are before he makes his next move BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved *The Story of Patriot's Day, Lexington and Concord, April 19, 1775* George Jones Varney, 1895 *Technologies of Feminist Speculative Fiction* Sherryl Vint, Sümeyra Buran, 2022-05-04

Technologies of Feminist Speculative Fiction Gender Artificial Life and the Politics of Reproduction explores how much technology has reshaped feminist conversations in the decades since Donna Haraway's influential Cyborg Manifesto was published. With sections exploring reproductive technologies, new ways of imagining femininity and motherhood via artificial means, queer readings of gender as a social technology, and posthuman visions of a world beyond gender, this book demonstrates how feminist speculative fiction offers an urgently needed response to the intersections of women's bodies and technology. This collection brings together authors from Europe, Japan, the US, and the UK to consider speculative films and texts, reproductive technologies, and food futures, and opportunities to rethink family, aging, gender, and sexuality, and community through feminist speculative fiction, a social technology for building better futures.

Whistleblowers: True Patriots of Humanity Shawn Alli, 2014-07-12 Whistleblowers are the gatekeepers who hold the keys of the kingdom in their pockets and are capable of revolutionizing all of humanity. The idea that patriotism is a concept limited to one's government and implies obedience to them is equal to propaganda on steroids. Generational societal, political, social, and religious conditioning reaches into the minds of whole populations and enslaves them in a dreamlike state. Whistleblowers are paradigm shifters who are capable of waking up the masses. And it's high time that the masses wake up, take responsibility for their lapse in judgement, and hold corrupt governments' officials accountable for their actions. In *Whistleblowers: True Patriots of Humanity*, you'll learn how to blow the whistle safely with various frameworks and methodologies. How to separate the real whistleblowers from the celebrity ones using the Standard Whistleblowing Criterion. Understand the dynamics of the conspiracy theory movement. Why many Five Eyes government constitutions and oaths of allegiance are invalid. Understand the US and UK government's war against journalists. How mainstream media and alternative media outlets can redefine themselves in the 21st century.

Spies and Patriots Pasquale De Marco, 2025-08-16 In the annals of American history, the name Nathan Hale stands tall as a beacon of courage, patriotism, and sacrifice. A young man who risked everything for the cause of liberty, Hale's legacy as a spy for the Continental Army during the American Revolutionary War continues to inspire generations. This comprehensive biography delves into the fascinating life and career of Nathan Hale, uncovering the secrets of his espionage operation and shedding light on the complexities of his character. Through meticulous research and engaging storytelling, we explore Hale's motivations, his mission, and the impact of his actions on the course of American history. From his early life and education to his unwavering determination to fight for independence, we trace Hale's journey as he becomes one of the most celebrated heroes of the American Revolution. We examine the perilous mission that led to his capture and execution, as well as the profound impact of his sacrifice on the American cause. Beyond the battlefield, we explore Hale's legacy as a symbol of patriotism and courage. His famous last words, "I only regret that I have but one life to lose for my country," have become an enduring reminder of the sacrifices made by those who fought for American independence. This book is a testament to the enduring power of Nathan Hale's story. It is a story of bravery, selflessness, and

the indomitable spirit of the American people Through Hale s life and legacy we are reminded of the importance of fighting for what is right even in the face of adversity Join us on this journey as we honor the memory of Nathan Hale a true American hero whose name will forever be etched in the annals of history If you like this book write a review *Patriots* Richard Weight,2013-10-17 Who are the British today For nearly three hundred years British national identity was a unifying force in times of glory and despair It has now virtually disappeared In *Patriots* Richard Weight explores the decline of Britishness and the rise of powerful new identities in England Scotland Wales and Ireland Based on a wealth of original research it is scholarly in depth and scope yet never departs from a thoroughly readable and entertaining style Here are the themes of Orwell s *The Lion and the Unicorn* stretched over the subsequent sixty years and widened to embrace the whole United Kingdom Brimming with zest and feel this is politico cultural history at its best Peter Hennessy Wide ranging intelligent sensible and important Max Hastings Sunday Telegraph A marvellously rich ambitious and at times iconoclastic study by a young historian of how in the broadest sense national identity in Britain has changed in the last 60 or so years David Kynaston Financial Times A major work the fruit of long research wide reading and hard thinking engagingly written bubbling with fresh ideas Stephen Howe Independent

100%: The Story of a Patriot Upton Sinclair,2022-06-09 In 100% *The Story of a Patriot* Upton Sinclair vividly explores the life of a young American immersed in the tumultuous landscape of labor and politics during the early 20th century This novel is written in Sinclair s signature style combining journalistic rigor with a compelling narrative reflecting the social issues of his time particularly the burgeoning labor movement and its intersection with national patriotism Sinclair masterfully weaves a tale that examines the moral dilemmas faced by his protagonist against the backdrop of a rapidly industrializing nation underscoring themes of loyalty sacrifice and social justice Upton Sinclair an eminent figure of the muckraking movement drew from his own experiences as a social reformer and a keen observer of the American socio economic landscape His groundbreaking work *The Jungle* illuminated the grim realities of the meatpacking industry while this novel continues his exploration of the American psyche and the often conflicting nature of patriotism and class struggle Sinclair s deep rooted commitment to exposing societal flaws and advocating for the exploited resonates throughout the narrative 100% *The Story of a Patriot* is a must read for anyone interested in the intricate dynamics of American identity and social justice Sinclair s probing insights and engaging storytelling invite readers to reflect on the nature of patriotism and the responsibility of the individual within the larger narrative of society This novel is not just a work of fiction it is a vital commentary that is as relevant today as it was at the time of its publication
