of 1944 an outmanned outgunned and surrounded US force fought Hitler's overwhelming Panzer divisions to a miraculous standstill at Bastogne. The underdogs had saved the war for the Allies. It was nothing short of miraculous. Corsi's analysis is based on a record of oral histories along with original field maps used by field commanders, battle orders and other documentation made at the time of the military command. With a perspective gleaned from newspapers, periodicals and newsreels of the day, Corsi paints a riveting portrait of one of the most important battles in world history.

Patton's Payback Stephen L. Moore, 2022-05-17

A stirring World War II combat story of how the legendary George Patton reinvigorated a defeated and demoralized army corps and how his men claimed victory over Germany's most feared general, Erwin Rommel. Moore brings you to the battlefield and into the mind of a fearless military genius. Brian Kilmeade, bestselling author of *The President and the Freedom Fighter*. Essential reading. Kevin Maurer, 1 NYT bestselling coauthor of *No Easy Day*. Moore has a smooth prose style and a firm grasp of detail. *The Wall Street Journal*. In March 1943, in their first fight with the Germans, American soldiers in North Africa were pushed back fifty miles by Rommel's Afrika Korps and nearly annihilated. Only the German decision not to pursue them allowed the Americans to maintain a foothold in the area. General Eisenhower, the supreme commander, knew he needed a new leader on the ground, one who could raise the severely damaged morale of his troops. He handed the job to a new man, Lieutenant General George Patton. Charismatic, irreverent, impulsive and inspiring, Patton possessed a massive ego and the ambition to match. But he could motivate men to fight. He had just ten days to whip his dispirited troops into shape, then throw them into battle against the Wehrmacht's terrifying Panzers, the speedy and powerful German tanks that U.S. forces had never defeated. Patton, who believed he had fought as a Roman legionnaire in a previous life, relished the challenge to turn the tide of America's fledgling war against Hitler and the chance to earn a fourth star.

George S. Patton Earle Rice, 2009

In World War II, the Germans feared and respected Patton more than any other Allied general. Following campaigns in North Africa and Sicily, he commanded the U.S. Third Army in Europe in 1944-1945. His army covered more ground and took more prisoners than any other.

Stonewall Jackson and Religious Faith in Military Command Kenneth E. Hall, 2005-05-03

The relationship between war and religion is nothing new. For millennia, humankind has waged war over religion and derived religion from war. It is not surprising, then, that military leadership and religious conviction frequently coincide. This study documents the long tradition of the religious warrior in Western history and literature, with a special focus on Civil War general Thomas J. Stonewall Jackson. It also provides a general survey of the religious antecedents of Jackson and other more modern American military heroes. The book begins with an introduction to the Confederate general, largely from the perspective of those who lived with and served under him, whose testimonies attest to his courage, initiative, innate tactical talent, deep religious faith, and eccentric personal habits. The author analyzes the extent to which Jackson's national zeal has elevated him to the status of a religious martyr, remembered today within an epic frame of sainthood and heroism. Concise

comparisons are drawn between Jackson and his Old World predecessors including Ulrich Zwingli John Knox and Oliver Cromwell Similar associations are made between Jackson and such Civil War contemporaries as William Dorsey Pender and Oliver Otis Howard A chapter addressing the representation of Stonewall in modern Civil War literature and film particularly in the novel and subsequent motion picture *Gods and Generals* provides an insightful juxtaposition of Jackson's status among the gods of the Civil War and his own reverence for the God of his Presbyterian faith
