*The Letter of Paul to the Galatians* R. Alan Cole, 1989 Cole's study of the Book of Galatians is a contribution to the Tyndale New Testament Commentaries a popular series designed to help the general reader understand clearly what the text actually says and what it means with a minimum of reliance on scholarly technicalities **The Epistle of Paul to the**

**Galatians** R. Alan Cole, 1965 In Galatians the apostle Paul makes his most passionate and direct appeal for a gospel free of ethnic or ritual exclusion Paul's gospel is that of salvation through Christ alone in him there is neither Jew nor Greek slave nor free male nor female for you are all one in Christ Jesus By placing Paul's discussion firmly within its historical context R. Alan Cole illuminates the potency and power of Paul's message to the Galatian church The original unrevised text of this volume has been completely retypeset and printed in a larger more attractive format with the new cover design for the series The Tyndale New Testament Commentaries have long been a trusted resource for Bible study Written by some of the world's most distinguished evangelical scholars these twenty volumes offer clear reliable and relevant explanations of every book in the New Testament These Tyndale volumes are designed to help readers understand what the Bible actually says and what it means The introduction to each volume gives a concise but thorough description of the authorship date and historical background of the biblical book under consideration The commentary itself examines the text section by section drawing out its main themes It also comments on individual verses and deals with problems of interpretation The aim throughout is to get at the true meaning of the Bible and to make its message plain to readers today **Grace in Galatia** Ben

Witherington, 1998-06-29 Grace in Galatia is an innovative socio rhetorical study of Paul's most polemical letter Ben Witherington breaks new ground by analyzing the whole of Galatians as a deliberative discourse meant to forestall the Galatians from submitting to circumcision and the Jewish law The commentary features the latest discussion of major problems in Pauline studies including Paul's view of the law and the relationship between the historical data in Galatians and in Acts Yet the narrative character of Witherington's work allows it to remain exceedingly accessible The volume also includes sections following the major divisions of the commentary that point to the relevance of the text for believers today making Grace in Galatia of special value to pastors and general readers as well as students and scholars **The**

**Interpretation of St. Paul's Epistle to the Galatians** R. C. H. Lenski, This item is part of Lenski New Testament In Twenty Volumes Pastors and students of the Bible who seek deep and detailed engagement with the text of the New Testament have long relied on R C H Lenski's classic text now available again Even though its historical critical work has been surpassed the strong narrative quality accessibility and holy reverence for the Word of God Moody Monthly of Lenski's work have allowed his commentary to continue as an excellent resource for serious study of the New Testament and sermon preparation **Commentaries on the Epistles of Paul to the Galatians and Ephesians** Jean Calvin, 1854 **The**

**Theology of Paul's Letter to the Galatians** James D. G. Dunn, 1993-09-09 Paul's Letter to the Galatians is one of the

fiercest and most polemical writings in the Bible That is what makes it for the author of this study such an exciting document to deal with It emerges from the early days of a vigorous new movement Christianity when basic principles were first being formulated and when the whole character of the movement was at stake In the pages of Galatians we witness fundamental features of Christian theology taking shape before our eyes where the living heart of Paul's gospel is encountered For James D G Dunn there is an elemental quality about the letter to which those tired of compromising half truths are drawn when they feel the impulse to return to first principles This book which benefits from this perspective on Paul explains more clearly than hitherto both the issues which confronted Paul and the powerful theological arguments he brought to bear in response and casts light on a document still capable of shaping lives and theology today **From Law to Logos** Jon R. Jordan, 2017-02-01

St Paul's epistle to the Galatians offers a fascinating window into the life of the Christian church in its earliest days We see in this letter a pastor guiding his people through questions of salvation theology and ethics The more we read the more we realize that many of the same questions facing the Galatian Christians continue to face us today Are we still under the Old Testament Law What happened to the Law when Jesus came Who are the people of God From Law to Logos Reading St Paul's Epistle to the Galatians is a primer for reading Galatians for all it is worth The focus of this book is preparing lay Christians to understand Galatians by reading it as a letter in its entirety over and over again At the end of each chapter the reader is better prepared to read and study Galatians in its literary historical and theological context **The Epistle of St. Paul to the Galatians** James Drummond, 1893 **Commentary on the Epistle of Paul to the Galatians** Benjamin Wisner Bacon, 1909 Pillars of Paul's Gospel John F. O'Grady, 1992 An introductory overview of Paul's letters to the Galatians and Romans that integrates the influence of this apostle's personality and history Can be used as a companion text to the Paulist Bible Study Program **The Epistle of Paul the Apostle to the Galatians** Arthur Lukyn Williams, 1914 *The Irony of Galatians* Mark D. Nanos, 2019-12-17 Intra Jewish conflict in Paul's communities After taking on traditional interpretations of Romans in *The Mystery of Romans* Nanos now turns his attention to the Letter to the Galatians A Primary voice in reclaiming Paul in his Jewish context Nanos challenges the previously dominant views of Paul as rejecting his Jewish heritage and the Law Where Paul's rhetoric has been interpreted to be its most anti Jewish Nanos instead demonstrates the implications of an intra Jewish reading He explores the issues of purity insiders outsiders the character of the gospel the relationship between groups of Christ followers in Jerusalem Antioch and Galatia and evil eye accusations *Rereading Galatians from the Perspective of Paul's Gospel* Yung Suk Kim, 2019-10-29 Galatians has often been read from a rhetorical perspective with an emphasis on justification by faith Paul's autobiographical experience proofs of the gospel and exhortations to the Galatians However it can be read as a letter of which the main theme is the gospel an umbrella term that covers many other topics including faith righteousness freedom and new creation Paul writes Galatians not to argue for an individual justification by faith understood from a forensic salvation perspective but to make explicit his gospel that all can become children of God

through faith In Paul's logic what comes first is God's promise faith is a response to it through Christ and the law can be fulfilled through faith The gospel that Paul proclaimed to the Galatians is based on God who called them in the grace of Christ 1 6 Kim challenges the traditional reading of Galatians exploring different dimensions of the gospel 1 God as the origin and root of the gospel 2 Christ as the exemplifier of God's gospel through faithfulness 3 the followers of Jesus as the children of God who participate in Christ's faithfulness and continue to proclaim the good news of God through Jesus
