Paul Jones, Founder of the American Navy Augustus C. Buell, 1900 **Paul Jones, Founder of the American Navy** Augustus C. Buell, 2023-07-18 This biography offers a comprehensive account of the life and career of John Paul Jones the Scottish sailor who founded the United States Navy during the American Revolution Drawing on a wealth of primary sources including Jones s own letters and journals Augustus Buell paints a vivid portrait of this complex and charismatic figure This book is a must read for anyone interested in the history of the American military or naval warfare This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant Paul Jones, Founder of the American Navy Augustus C. Buell, 1905 *Special Bibliographic Series* US Army Military History Research Collection, 1976 Rest in Pieces Bess Lovejoy, 2013-03-12 A marvelously macabre Kirkus Reviews history of the bizarre afterlives of corpses of the celebrated and notorious dead For some of the most influential figures in history death marked the start of a new adventure The famous deceased have been stolen burned sold pickled frozen stuffed impersonated and even filed away in a lawyer s office Their fingers teeth toes arms legs skulls hearts lungs and nether regions have embarked on voyages that crisscross the globe and stretch the imagination Counterfeiters tried to steal Lincoln s corpse Einstein s brain went on a cross country road trip And after Lord Horatio Nelson perished at Trafalgar his sailors submerged him in brandy which they drank From Alexander the Great to Elvis Presley and from Beethoven to Dorothy Parker *Rest in Pieces* connects the lives of the famous dead to the hilarious and horrifying adventures of their corpses and traces the evolution of cultural attitudes toward death **The American Revolution (Illustrated Edition)** Robert W. Coakley, Stetson Conn, U.S. Army Center of Military History, 2018-11-02 This eBook edition of the American Revolution history has been formatted to the highest digital standards and adjusted for readability on all devices This book on the American Revolution consists of three parts a brief narrative history of the war a chronology of military events and a bibliography Each part requires a word of explanation The narrative consists of one chapter on the colonial background of American military history and two on the Revolution itself Part Two is a chronology oriented toward military events covering the period between the signing of the Treaty of Paris ending the Seven Years War in 1763 and the ratification by the Continental Congress some twenty years later of a second Treaty of Paris confirming American independence Part Three the bibliography contains listings of over a thousand titles of books articles and published source material on the American Revolution The emphasis is again on the land war but proportionately the bibliography gives more attention to the political

social and economic aspects of the Revolution and to its naval phase than do either the narrative or the chronology
