Paul Knows Not Jesus:

The Jesus Paul Knew James W. Reapsome, 2018-04-17 Many of us may have thought more about Paul's foundational theology than about how Paul learned more about Jesus and what it meant to obey him in the everyday tests of his faith. This ten-session LifeGuide Bible Study guide leads us through the growth in the apostle Paul's knowledge of Jesus and how it changed his life when at pivotal points he intersected with Jesus. **Jesus: God, Man, Or Myth?** Herbert Cutner, 1950

Signs of Continuity Greg Rhodea, 2019-12-11 For more than a century scholars have debated whether Paul the apostle was a faithful follower of Jesus or a corruptor of Jesus's message and the true founder of Christianity. Signs of Continuity intervenes in this debate by exploring a largely overlooked element of similarity between the two men: the place of miracles in their ministries. In his close analysis of the miracles performed by Jesus and Paul, Greg Rhodea points to signs of continuity between these two historical figures of Christianity. He argues that both Jesus and Paul understood their miracles as accompanying and actualizing a message of gracious inclusion of the marginalized, resisted proving their ability to work miracles to those who asked for a sign despite the importance of miracle-working to their personal authentication and interpreted miracles as proof of the presence of the eschatological kingdom. Based on these similarities, Rhodea concludes that Paul the apostle knew of Jesus's miracles and that he imitated Jesus in his own ministry of miracle-working. In highlighting this previously unexplored area of continuity, Rhodea makes a significant contribution to the debate over the relationship between Jesus and Paul. Biblical scholars and students interested in this debate will find Signs of Continuity enlightening and informative. **Juán de Valdés' Commentary Upon St. Paul's First Epistle to the Church at Corinth** Juan de Valdés, 1883

Shadow of the Third Century Alvin Boyd Kuhn, 2019-01-13 Shadow of the Third Century: A Revaluation of Christianity first published in 1949 begins with the assertions that a true history of Christianity has never before been written and that the roots of the Christian religion lie in earlier religions and philosophies of the ancient world. The author, Alvin Boyd Kuhn, asserts that Christianity as we know it took the form it did due to a degeneration of knowledge rather than to an energization produced by a new release of light and truth into the world. In the ancient world, knowledge was commonly passed down by esoteric traditions, its inner meaning known only to the initiated. The Gospels, according to Kuhn, should therefore be understood as symbolic narratives rather than as history. Sacred scriptures are always written in a language of myth and symbol, and the Christian religion threw away and lost their true meaning when it mistranslated this language into alleged history instead of reading it as spiritual allegory. This literalism necessarily led to a religion antagonistic toward philosophy. Moreover, it produced a religion that failed to recognize its continuity with and debt to earlier esoteric schools. As evidence of this, Kuhn finds that many of the gospel stories and sayings have parallels in earlier works, in particular those of Egypt and Greece. The transformation of Jesus' followers into Pauline Christians drew on these sources. Moreover, the misunderstanding of true Christianity led to the excesses of misguided asceticism. Overall, the book seeks to

serve as a clarion call to the modern world to return to the primitive Christianity which the founder of Christian theology Augustine proclaimed had been the true religion of all humanity With its many citations from earlier works *Shadow of the Third Century* also serves as a bibliographic introduction to alternative histories of Christianity **The Life of Dr. Nicholas Ridley** Gloucester Ridley,1763 *The Preacher's Commentary - Vol. 09: 1 and 2 Kings* Russell H.
