New York Magazine ,1991-04-01 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea

The Great Class War 1914-1918 Jacques R. Pauwels,2016-04-06 Historian Jacques Pauwels applies a critical revisionist lens to the First World War offering readers a fresh interpretation that challenges mainstream thinking As Pauwels sees it war offered benefits to everyone across class and national borders For European statesmen a large scale war could give their countries new colonial territories important to growing capitalist economies For the wealthy and ruling classes war served as an antidote to social revolution encouraging workers to exchange socialism s focus on international solidarity for nationalism s intense militarism And for the working classes themselves war provided an outlet for years of systemic militarization quite simply they were hardwired to pick up arms and to do so eagerly To Pauwels the assassination of Archduke Franz Ferdinand in June 1914

traditionally upheld by historians as the spark that lit the powder keg was not a sufficient cause for war but rather a pretext seized upon by European powers to unleash the kind of war they had desired But what Europe s elite did not expect or predict was some of the war s outcomes social revolution and Communist Party rule in Russia plus a wave of political and social democratic reforms in Western Europe that would have far reaching consequences Reflecting his broad research in the voluminous recent literature about the First World War by historians in the leading countries involved in the conflict Jacques Pauwels has produced an account that challenges readers to rethink their understanding of this key event of twentieth century world history *The Encyclopedia of New York City* Kenneth T. Jackson, Lisa Keller, Nancy Flood, 2010-12-01

Covering an exhaustive range of information about the five boroughs the first edition of *The Encyclopedia of New York City* was a success by every measure earning worldwide acclaim and several awards for reference excellence and selling out its first printing before it was officially published But much has changed since the volume first appeared in 1995 the World Trade Center no longer dominates the skyline a billionaire businessman has become an unlikely three term mayor and urban regeneration Chelsea Piers the High Line DUMBO Williamsburg the South Bronx the Lower East Side has become commonplace To reflect such innovation and change this definitive one volume resource on the city has been completely revised and expanded The revised edition includes 800 new entries that help complete the story of New York from Air Train to E ZPass from September 11 to public order The new material includes broader coverage of subject areas previously underserved as well as new maps and illustrations Virtually all existing entries spanning architecture politics business sports the arts and more have been updated to reflect the impact of the past two decades The more than 5 000 alphabetical entries and 700 illustrations of the second edition of *The Encyclopedia of New York City* convey the richness and diversity of its subject in great breadth and detail and will continue to serve as an indispensable tool for everyone who has even a passing interest in the American metropolis [Focus On: 100 Most Popular Compact Cars](#) Wikipedia contributors,

Jaggar, 2015-06-03 First published in 1988 this book is a landmark in the study of one of the major African languages Hausa Hausa is spoken by 40 50 million people mostly in northern Nigeria but also in communities stretching from Senegal to the Red Sea It is a language taught on an international basis at major universities in Nigeria the USA Western and Eastern Europe the Middle and Far East and is probably the best studied African language boasting an impressive list of research publications As Nigeria grows in importance so Hausa becomes a language of international standing The volume brings together contributions from the major contemporary figures in Hausa language studies from around the world It contains

work on the linguistic description of Hausa various aspects of Hausa literature both oral and written and on the description of the relationship of Hausa to other Chadic languages **Routledge Library Editions: Linguistics** Various,2021-12-02

Routledge Library Editions Linguistics brings together as one set mini sets or individual volumes a series of previously out of print classics from a variety of academic imprints With titles ranging from Applied Linguistics and Language Learning to Experimental Psycholinguistics and Sociolinguistics Today International Perspectives this set provides in one place a wealth of important reference sources from a wide range of authors expert in the field [The Shema and the First Commandment in First Corinthians](#) Erik Waaler,2008 Revised thesis doctoral Norwegian Lutheran School of Theology Oslo 2005 **The Guide to United States Popular Culture** Ray Broadus Browne,Pat Browne,2001 To understand the history and spirit of America one must know its wars its laws and its presidents To really understand it however one must also know its cheeseburgers its love songs and its lawn ornaments The long awaited Guide to the United States Popular Culture provides a single volume guide to the landscape of everyday life in the United States Scholars students and researchers will find in it a valuable tool with which to fill in the gaps left by traditional history All American readers will find in it one entry at a time the story of their lives Robert Thompson President Popular Culture Association At long last popular culture may indeed be given its due within the humanities with the publication of The Guide to United States Popular Culture With its nearly 1600 entries it promises to be the most comprehensive single volume source of information about popular culture The range of subjects and diversity of opinions represented will make this an almost indispensable resource for humanities and popular culture scholars and enthusiasts alike Timothy E Scheurer President American Culture Association The popular culture of the United States is as free wheeling and complex as the society it animates To understand it one needs assistance Now that explanatory road map is provided in this Guide which charts the movements and people involved and provides a light at the end of the rainbow of dreams and expectations Marshall W Fishwick Past President Popular Culture Association Features of The Guide to United States Popular Culture 1 010 pages 1 600 entries 500 contributors Alphabetic entries Entries range from general topics golf film to specific individuals items and events Articles are supplemented by bibliographies and cross references Comprehensive index [A New Europe, 1918-1923](#) Bartosz Dziewanowski-Stefańczyk,Jay Winter,2022-03-03 This set of essays introduces readers to new historical research on the creation of the new order in East Central Europe in the period immediately following 1918 The book offers insights into the political diplomatic military economic and cultural conditions out of which the New Europe was born Experts from various countries take into account three perspectives They give equal attention to both the Western and Eastern fronts they recognise that on 11 November 1918 the War ended only on the Western front and violence continued in multiple forms over the next five years and they show how state building after 1918 in Central and Eastern Europe was marked by a mixture of innovation and instability Thus the volume focuses on three kinds of narratives those related to conflicts and violence those related to the recasting of civil life in new structures and

institutions and those related to remembrance and representations of these years in the public sphere Taking a step towards writing a fully European history of the Great War and its aftermath the volume offers an original approach to this decisive period in 20th century European history **Routledge Library Editions: Linguistics Mini-set A General Linguistics** Various,2021-08-05 RLE Linguistics Mini set A focuses on the field of General Linguistics and collects classic titles from imprints such as Garland Allen Unwin and Croom Helm A variety of important international linguists are featured The titles are The Chomsky Update The Conceptual Basis of Language Foundations of General Linguistics Ideologies of Language Learning about Linguistics Lexical Phonology and Morphology The Linguistic Description of Opaque Contexts Linguistic Meaning Redefining Linguistics A Theory of Stylistic Rules in English Universal Grammar *The Highroad Around Modernism* Robert Cummings Neville,1992-09-01 Discussions of modernism and postmodernism in philosophy and the arts are usually based on a narrow reading of the Western tradition and are not conscious of the narrowness The modern period beginning with the European Renaissance spawned many developments not just the modernist one in terms of which the tradition has been read From the standpoint of the highroad around modernism both modernism and post modernism look like nothing more than two late modern movements perhaps too preoccupied with themselves and their historical place to engage a swiftly changing world containing more than the Western tradition The Highroad Around Modernism develops and defends an explicitly non modernist and non postmodernist extension of modernity applicable to the problems of world wide cultural interactions **American Book Publishing Record** ,1983-04 The Golden Corral Ed Andreychuk,1997-01-01 A perfect blend of characterization action and poetic images John Ford s Stagecoach 1939 made A Westerns a viable product for Hollywood in the sound era By 1990 the Western had again been on a downswing when Dances with Wolves became both a critical and commercial success This work examines these two films and twelve others Red River High Noon Shane The Searchers Gunfight at the O K Corral The Alamo The Magnificent Seven Ride the High Country How the West Was Won The Wild Bunch Butch Cassidy and the Sundance Kid and Unforgiven that hold unique spots in the genre s history Full filmographic data are provided for each along with an essay that blends plot synopsis historical perspectives and the movie s place in the Western genre
