Paul for Everyone ,2015 *The Pastoral Epistles and the New Perspective on Paul*

Daniel Wayne Roberts,2021-08-31 The so called New Perspective on Paul has become a provocative way of understanding Judaism as a pattern of religion characterized by covenantal nomism which stands in contrast to the traditional Lutheran position that argues that the Judaism against which Paul responded was legalistic This new perspective of first century Judaism has remarkably changed the landscape of Pauline studies but it has done so in relative isolation from the Pastoral Epistles which are considered by most critical scholarship to be pseudonymous Because of this lack of interaction with the Pastoral Epistles this study seeks to test the hermeneutic of the New Perspective on Paul from a canonical perspective This study is not a polemic against the New Perspective on Paul but an attempt to test its hermeneutic within the Pastoral Epistles Four basic tenets of the New Perspective on Paul taken from the writings of E P Sanders N T Wright and James D G Dunn are identified and utilized to choose the passages in the Pastoral Epistles to be studied to test the New Perspective s hermeneutic outside undisputed Paul The four tenets are as follows Justification Salvation Law and Works Paul s View of Judaism and the Opponents Based on these tenets the passages considered are 1 Tim 1 6 16 2 3 7 2 Tim 1 3 8 12 and Titus 3 3 7

Beyond the Evangelical Gender Roles Gridlock Paul J. Palma, 2024-11-30 Present day Evangelicalism represents a microcosm of broader tensions over male and female gender roles with some denominations carefully delimiting women leadership roles especially the female pastor and many others supporting them The letters attributed to Paul the Apostle contain several divisive passages on the meaning of manhood and womanhood Dated and dubious readings of these have led some Christians and non Christians alike to conclude that Paul wrote with misogynistic intent Others quote them to justify Christian patriarchalism Beyond the Evangelical Gender Roles Gridlock Reimagining Paul s Views on Women Marriage and Ministry reassesses what Paul said about women reinterpreting his claims on marriage and ministry leadership in light of his first century worldview This book proposes a nuanced theological egalitarian approach with significant implications for renewing twenty first century congregations homes and society

The Message of Discipleship Peter Morden, 2018-11-15

Soon after Jesus began his public ministry he called his first disciples. He would teach and train them and then after his death and resurrection commission and empower them to go to the nations to make more followers. The risen Jesus is still calling and sending people today. If we heed his call the result can be just as transformative and exciting as it was for the first disciples. While there are no explicit occurrences of the term disciple outside the Gospels and Acts with only two further biblical references to followers of Jesus it is Peter Morden's conviction that we need the entire Bible if we are going to be whole life disciples. He reflects on Scripture and asks: How do we live as committed disciples of Jesus today? He explores the foundations, resources and practice of discipleship in a range of Old and New Testament texts. The result is a well rounded and satisfying picture of Christian discipleship, one that is wonderfully attractive as well as deeply challenging. With a fully integrated study guide suitable for both individuals and groups *The Message of Discipleship* will help you to see how the Bible's unified teaching on this vital theme can impact your life today. *The Bible Speaks Today* series covers every book of the Old and New Testaments as well as Bible themes that run through the whole of Scripture.

Intimate Partner Violence in the Black Church Carlos Jermaine Richard, 2017-07-07

Intimate Partner Violence (IPV) or Domestic Violence (DV) continues to be a perennial issue in the Black church and Christendom as a whole. Women in the church continue to experience violence at increased rates but leadership has been delayed in providing a meaningful response to IPV as families experience the turmoil of abuse. Further more and more children suffer from the trauma of family violence that perpetuates as males who witness IPV have a greater susceptibility of becoming abusers and females who witness abuse are put in risk of choosing abusers in relationships. The church must now become the leading change agent in the struggle to reduce and end family violence by addressing the heart of the issue: the pulpit, namely male leaders in the church who abuse their wives and hide behind the scripture text. The church must expose the biblical truth regarding marriage and relationships and embed policy within the by laws of the church that provide victims and survivors with opportunities for confidential reporting, resources when they are ready to leave and ongoing support for women who desire to transition from abuse to survivorship.

Paul's New Perspective Garwood P. Anderson, 2016-09-29

The debate between the Old and New perspectives on Paul has reached a stalemate. But what if Paul's own theological perspective developed over time? Starting with the teaser that both camps are right but not all the time, Garwood Anderson unfolds a new proposal for overcoming the deadlock, infusing new energy into the quest for understanding Paul's mind and letters.

Paul's

Understanding of the Church's Mission Robert L. Plummer, 2006-06-01 Did Paul expect his churches to engage in evangelistic activity which mirrored his own Or have modern readers of the Bible wrongly projected Paul's apostolic passion upon the communities that he founded Such is the charge of several recent authors and if their thesis is correct nothing could have larger implications for how the modern church engages in mission In this book Robert L Plummer engages in a careful study of Paul's letters to determine if the apostle expected the communities to which he wrote to engage in outward directed missionary activity Plummer helpfully summarizes the discussion to date on the debated issue judiciously handles contested texts and provides a way forward in addressing this critical question While admitting that Paul rarely explicitly commands the communities he founded to evangelize Plummer amasses significant incidental data to provide a convincing case that Paul did indeed expect his churches to engage in outward directed missionary activity Throughout the study Plummer progressively builds a theological basis for the church's mission that is both compelling and distinctively Pauline

Constructing Paul Luke Timothy Johnson, 2020-03-05 First of a two volume work providing a framework for understanding the life and thought of the apostle Paul In this methodological tour de force Luke Timothy Johnson offers an articulate clear and thought provoking portrait of the life and thought of the apostle Paul Drawing upon recent developments in the study of Paul Johnson offers readers an invitation to the Apostle Paul Rather than focusing on a few of Paul's letters Johnson lays out the materials necessary to envision the apostle from the thirteen canonical letters of Paul and the Acts of the Apostles Constructing Paul thus provides a framework within which an engagement with Paul's letters can take place Johnson demonstrates the possibility of doing responsible and creative work across the canonical collection without sacrificing literary or historical integrity By bringing out the facets of the apostle from the canonical evidence Johnson shows the possibilities for further and better inquiry into the life and thought of Paul This first volume imagines a plausible biography for Paul and serves as an introduction to the studies in the second volume Constructing Paul addresses all the pertinent questions related to the study of Paul Johnson uses the canonical material as building blocks to make a case for why Paul ought to be heard today as a liberating rather than oppressing voice
