Paul Gauguin's Intimate Journals:

Gauguin's Intimate Journals Paul Gauguin, 1997-01-01 These journals are an illuminating self portrait of a unique personality They bring sharply into focus for me his goodness his humor his insurgent spirit his clarity of vision his inordinate hatred of hypocrisy and sham Emil Gauguin the artist's son in the Preface One of the great innovative figures in modern art Gauguin was a complex driven individual who in 1883 gave up his job as a stockbroker in order to be free to paint every day As time passed he determined to sacrifice everything for his artistic vocation Finally in pursuit of a place to paint natural men and women living lives unstained by the sham and hypocrisy of civilization he took up residence in the South Seas first in Tahiti and later in the Marquesas Islands Completed during the artist's final sojourn in the Marquesas these revealing journals reprinted from rare limited edition throw much light on the painter's inner life and his thoughts about a great many topics We learn of Gauguin's first stay in Paris in 1876 and his initial encounter with Impressionism his tumultuous relationship with van Gogh when they lived and painted together in Arles his pithy evaluations of Degas Cezanne Manet and other artists his opinion of art dealers and critics poor and much more Also here are illuminating glimpses of Gauguin's life in the islands his delight in the simple carefree lives of the natives and the physical charms of Polynesian women counterbalanced by his struggles with poverty hatred of the missionaries and despair over the failures of French colonial justice Witty wide ranging and aphoristic these writings are not only entertaining in themselves they are crucial for anyone seeking to understand Gauguin and his work The text is enhanced with 27 full page illustrations by Gauguin Dover 1997 unabridged republication of Paul Gauguin's *Intimate Journals* Boni and Liveright New York 1921 **Paul Gauguin's Intimate Journals**, 1921 Paul Gauguin's Intimate Journals Paul Gauguin, 1949 *Intimate Journals Of Paul Gauguin* Gauguin, 2013-02-01 The *Intimate Journals* of Paul Gauguin depicts the experiences of the French artist while living on a Polynesian island and discusses the culture of the natives of the island **PAUL GAUGUIN'S INTIMATE JOURNALS** PAUL. Paul Gauguin, Van Wyck BROOKS, 1952 *The Intimate Journals of Paul Gauguin* Paul Gauguin, 1923 *The Intimate Journals of Paul Gauguin* Paul Gauguin, 1995 Paul Gauguin's Intimate Journals (Classic Reprint) Paul Gauguin, 2017-02-17 Excerpt from Paul Gauguin's *Intimate Journals* A fantastic Gauguin legend distorted in many retellings has come into being A legend far better known than his strikingly individual pictures are known and in this country at least discussed by thousands who are quite oblivious of my father's accredited rank as one of the greatest masters of painting Everywhere this story has captured the popular fancy Once upon a time there was a middle aged somewhat commonplace and moderately successful stock broker He had a wife and three children to whom he was extremely devoted Neither his family nor his friends had cause to suspect that he entertained any other ambition than to finish his days as a prosperous business man and a good pater familias Then one night he shed all his domestic virtues in his sleep He awoke an inhuman monster Gone was his love

of family Gone were his bourgeois ambitions and respectability A burning fever to paint possessed him So he fled to Paris with never a thought or a care for his dependent family and devoted himself to his newly adopted art in sublime defiance of academic tradition And at last finding civilization too irksome to be borne he retired to Tahiti where he lived and loved and painted and died like a savage It is a good story It is a pity to contradict it so many credulous souls have been entertained by it But Alas it is not true My father's decision to become a painter was no such Jekyll and Hyde transformation I have a drawing he made of my mother as early as 1873 the year of their marriage Indeed all his life he had dabbled with paints much to my mother's annoyance when on occasions he would use her best linen table cloth for canvas or her finest petticoat for paint rags It was 1882 when he definitely renounced commerce for art His determination was reached after due consultation with my mother She agreed to let him go not because she had faith in his genius but because she respected his passion for art It was brave of her It meant that she was to assume the burden of maintaining and educating the children Sale bourgeoisie my father called her but all his life he respected her profoundly About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Primitivism in Modern Art Robert Goldwater,1986 This now classic study maps the profound effect of primitive art on modern as well as the primitivizing strain in modern art itself Robert Goldwater describes how and why works by primitive artists attracted modern painters and sculptors and he delineates the differences between what is truly primitive or archaic and what intentionally embodies such elements His analysis distinguishes the romanticism of Gauguin an emotional primitivism exemplified by the Brücke and Blaue Reiter groups in Germany the intellectual primitivism of Picasso and Modigliani and a primitivism of the subconscious in Mir Klee and Dalí Two of Goldwater's related essays Judgments of Primitive Art 1905 1965 and Art History and Anthropology have been added for this new paperback edition *The Intimate Journals of P. Gauguin. Translated by Van Wyck Brooks, Etc* Paul Gauguin,Van Wyck BROOKS,1923 Staging the Artist Claire Moran,2017-07-05 Restoring the role of theatrical performance as both subject and trope in the aesthetics of self representation *Staging the Artist* questions how nineteenth century French and Belgian artists self consciously fashioned

their identities through their art and writings This emphasis on performance allows for a new understanding of the processes of self fashioning which underlie self representation in word and image Claire Moran offers new interpretations of works by major nineteenth century figures such as Paul Gauguin and Edgar Degas and addresses the neglected topic of the function of theatre in the development of modern visual art Incarnating Baudelaire's metaphor of the artist as an actor ever conscious of his role the artists discussed Courbet Ensor and Van Gogh among others employed theatre as both a thematic source and formal inspiration in their painting writings and social behaviour Moran argues that what renders this visual literary and social performance modern is its self consciousness which in turn serves as a model with which to challenge pictorial convention This book suggests that tracing modern performance and artistic identity to the nineteenth century provides a greater understanding not only of the significance of theatre in the development of modern art but also highlights the self conscious staging inherent to modern artistic identity

Modern Theories of Art: From impressionism to Kandinsky Moshe Barasch, 1990 In this volume the third in his classic series of texts surveying the history of art theory Moshe Barasch traces the hidden patterns and interlocking themes in the study of art from Impressionism to Abstract Art Barasch details the immense social changes in the creation presentation and reception of art which have set the history of art theory on a vertiginous new course the decreased relevance of workshops and art schools the replacement of the treatise by the critical review and the interrelation of new modes of scientific inquiry with artistic theory and praxis The consequent changes in the ways in which critics as well as artists conceptualized paintings and sculptures were radical marked by an obsession with intense immediate sensory experiences psychological reflection on the effects of art and a magnetic pull to the exotic and alien making for the most exciting and fertile period in the history of art criticism
