Paul Ricoeur The Promise And Risk Of Politics

David M. Kaplan

Paul Ricoeur The Promise And Risk Of Politics:

Paul Ricoeur Bernard P. Dauenhauer,1998 In this book Bernard P Dauenhauer identifies an intellectual unity in Ricoeur's examinations of action history time and language The author argues that the central feature of Ricoeur's political thought is his claim that everything political is both paradoxical and historical Dauenhauer details the influences of Aristotle Kant and Hegel on Ricoeur's thinking as well as his intellectual dialogue with such interlocutors as Habermas Levinas Rawls and Walzer *Paul Ricoeur and the Task of Political Philosophy* Gregory R. Johnson,Dan R. Stiver,2013-01-01 This book offers a sustained engagement with the political philosophy of Paul Ricoeur and demonstrates both the significance of the political in his own thinking throughout his career and how his understanding of the political offers something valuable to current discussions of issues in political philosophy Paul Ricoeur Farhang Erfani,2011-12-16 This collection of essays is dedicated to the prolific career of Paul Ricoeur In his lifetime Ricoeur made significant contributions to many fields such as theology aesthetics narratology linguistics and of course philosophy Within philosophy alone he engaged many currents of thoughts always providing careful and faithful analyses of philosophers while adding his own unique perspectives Many essays in this anthology revisit Ricoeur's own works carefully placing him in his philosophical context while providing new interpretations of questions that mattered to Ricoeur such as imagination forgiveness justice and memory Other essays honoring Ricoeur's own approach bring him to dialogue with new questions such as globalization technology and national memorials **Paul Ricoeur** Bernard P. Dauenhauer,2000-01-01 Paul Ricoeur with Rawls Walzer and Habermas as some of his main interlocutors has developed a substantial and distinctive body of political thought On the one hand it articulates a rich conception of the paradoxical character of the domain of politics On the other it provides a fresh approach to such major topics as the relationship among politics economics and ethics and between concern for universal human rights and respect for cultural plurality His work rooted as it is in Aristotle Kant and Hegel also provides resources for a fruitful rethinking of the issues at stake in the liberal communitarian debate **Paul Ricoeur** ,2006-04-06 *Paul Ricoeur's Philosophical Anthropology as Hermeneutics of Liberation* Roger W.H. Savage,2020-11-09 This book offers a unique account of the role imagination plays in advancing the course of freedom's actualization It draws on Paul Ricoeur's philosophical anthropology of the capable human being as the staging ground for an extended inquiry into the challenges of making freedom a reality within the history of humankind This book locates the abilities we exercise as capable human beings at the heart of a sustained analysis and reflection on the place of the idea of justice in a hermeneutics for which every expectation regarding rights liberties and opportunities must be a hope for humanity as a whole The vision of a reconciled humanity that for Ricoeur figures in a philosophy of the will provides an initial touchstone for a hermeneutics of liberation rooted in a philosophical anthropology for which the path tique of human misery is its non or pre philosophical source By setting the idea of the humanity in each of us against the backdrop of the necessity of preserving the tension between the space of our

experiences and the horizons of our expectations the book identifies the ethical and political dimensions of the idea of justice's federating force with the imperative of respect Paul Ricoeur's *Philosophical Anthropology as Hermeneutics of Liberation* will be of interest to scholars and advanced students working in hermeneutics phenomenology ethics political theory and aesthetics *Phenomenological Approaches to Moral Philosophy* J.J. Drummond, Lester Embree, 2013-03-14 Against the background of the recent revival of ethics this handbook aims to show the great fertility of the phenomenological tradition for the study of ethics and moral philosophy by collecting a set of papers on the contributions to ethical thought by major phenomenological thinkers Twenty one chapters in the book are articles by experts who explore the thought of the major ethical thinkers in the first two generations of the phenomenological tradition and direct the reader toward the most relevant primary and secondary materials The final three chapters of the book sketch more recent developments in various parts of the world and the first three chapters investigate the relations between phenomenology and the dominant normative approaches in contemporary moral philosophy *Fifty Key Literary Theorists* Richard J. Lane, 2006-09-27 Covering over a century's worth of debate thinking and writing about literature this is a unique guide to the lives and works of fifty theorists who have left an indelible mark on literary studies Featuring theorists such as Judith Butler Jacques Derrida Sigmund Freud and Edward Said this accessible guide includes a glossary of terms full cross referencing for maximum ease of use authoritative guides to further reading on and by each theorist An essential resource for all students of literature *Fifty Key Literary Theorists* explores the gamut of critical debate from the New Critics to the Deconstructionists and from post colonialism to post Marxism and more *Politics and the Concept of the Political* James Wiley, 2016-05-26 A recent trend in contemporary western political theory is to criticize it for implicitly trying to conquer displace or moralize politics James Wiley's book takes the next step from criticizing contemporary political theory to showing what a more politics centered political theory would look like by exploring the meaning and value of politics in the writings of Max Weber Carl Schmitt Paul Ricoeur Hannah Arendt Sheldon Wolin Claude Lefort and Ernesto Laclau and Chantal Mouffe These political theorists all use the concept of the political to explain the value of politics and defend it from its detractors They represent state centered republic centered and society centered conceptions of politics as well as realist authoritarian idealist republican populist and radical democratic traditions of political thought This book compares these theorists and traditions of the political in order to defend politics from its critics and to contribute to the development of a politics centered political theory *Politics and the Concept of the Political* will be a useful resource to general audiences as well as to specialists in political theory *Reading Ricoeur* David M. Kaplan, 2008-07-24 In *Reading Ricoeur* fourteen well known scholars interpret evaluate and criticize the works of Paul Ricoeur one of the twentieth century's most important and far reaching philosophers The contributors discuss Ricoeur's entire philosophical career from his existentialist phenomenology of the 1940s and 50s his hermeneutics and critique of structuralism in the 1960s and 70s his narrative and moral philosophy of the 1980s his political and legal

philosophy of the 1990s his recent work on memory forgiveness and recognition as well as his enduring interests in religious language and the problem of evil The contributors not only explain the central concepts and structures of Ricoeur's philosophy but they also bring him into dialogue with his contemporaries including Sartre Heidegger Gadamer Habermas Rawls and Lyotard Reading Ricoeur demonstrates the central role of Paul Ricoeur in the development of twentieth century philosophy

The Uses of the Past from Heidegger to Rorty Robert Piercey, 2009-03-05 This book asks how it is possible to do philosophy by studying the thinkers of the past The answer is developed through readings of Martin Heidegger Richard Rorty Paul Ricoeur Alasdair MacIntyre and other historically minded philosophers The result is a powerful and original account of how philosophers use the past

Ricoeur's Critical Theory David M. Kaplan, 2012-02-01 In Ricoeur's Critical Theory David M Kaplan revisits the Habermas Gadamer debates to show how Paul Ricoeur's narrative hermeneutics and moral political philosophy provide a superior interpretive normative and critical framework Arguing that Ricoeur's unique version of critical theory surpasses the hermeneutic philosophy of Gadamer Kaplan adds a theory of argumentation necessary to criticize false consciousness and distorted communication He also argues that Ricoeur develops Habermas's critical theory adding an imaginative creative dimension and a concern for community values and ideas of the Good Life He then shows how Ricoeur's political philosophy steers a delicate path between liberalism communitarianism and socialism Ricoeur's version of critical theory not only identifies and criticizes social pathologies posits Kaplan but also projects utopian alternatives for personal and social transformation that would counter and heal the effects of unjust societies The author concludes by applying Ricoeur's critical theory to three related problems the politics of identity and recognition technology and globalization and democracy to show how his works add depth complexity and practical solutions to these problems

Approaches to Political Thought William L. Richter, 2009-03-16 This book focuses on the ways in which major contemporary scholars approach political thought and writing from Plato to the present

Humanitarian Intervention and the Hermeneutics of Suspicion and Naïveté Dimitrios E. Akrivoulis, 2025-08-01 This book uses Paul Ricoeur's hermeneutic phenomenology of suspicion and naïveté to shift the focus of the ideology of humanitarian intervention from the distorting Marxism realism and legitimizing social constructivism to the integrating function of this ideology In this context the book examines the ideological functions of the social imaginary pursuant to NATO's 1999 intervention in Kosovo a turning point in the development of humanitarian intervention It will be of great interest to those researching in the fields of International Relations Political Theory and humanitarian intervention

Feminist Explorations of Paul Ricoeur's Philosophy Annemie Halsema, Fernanda Henriques, 2016-05-19 This book for the first time brings together considerations upon the feminine in relation to Paul Ricoeur's thinking The collection of renowned scholars who have published extensively on Ricoeur and promising younger scholars together shows the rich potential of his thought for feminist theory without failing to critically scrutinize it and to show its limitations with respect to thinking gender differences In the first part Ricoeur Women

and Gender Ric ur s work is taken as the starting point for the reflection upon the position of women and the feminine and for rethinking the notion of universalism In the second part Ric ur in Dialogue his work is related to feminist thinkers such as Simone de Beauvoir Judith Butler and Nancy Fraser and to the work of artist Kara Walker These dialogues aim at thinking through socially relevant notions such as discourse recognition and justice In the third part Ric ur and Feminist Theology Ric urian notions and ideas are the starting point for new perspectives upon feminist theology The insights developed in this book will be of particular value to students and scholars of Ric ur feminist theory and the limits of hermeneutics and phenomenology

Continental Philosophy David West, 2010-12 Previous ed published as An introduction to Continental philosophy 1996

On Stories Richard Kearney, 2002 Stories offer us some of the richest and most enduring insights into the human condition and have preoccupied philosophy since Aristotle On Stories presents in clear and compelling style just why narrative has this power over us and argues that the unnarrated life is not worth living Drawing on the work of James Joyce Sigmund Freud s patient Dora and the case of Oscar Schindler Richard Kearney skilfully illuminates how stories not only entertain us but can determine our lives and personal identities He also considers nations as stories including the story of Romulus and Remus in the founding of Rome Throughout On Stories stresses that far from heralding the demise of narrative the digital era merely opens up new stories

Catholic Social Teaching and Theologies of Peace in Northern Ireland Maria Power, 2020-07-07 This book investigates the response of the Catholic Church in Northern Ireland to the conflict in the region during the late Twentieth Century It does so through the prism of the writings of Cardinal Cahal Daly 1917 2009 the only member of the hierarchy to serve as a bishop throughout the entire conflict This book uses the prolific writings of Cardinal Daly to create a vision of the Peaceable Kingdom and demonstrate how Catholic social teaching has been used to promote peace justice and nonviolence It also explores the public role of the Catholic Church in situations of violence and conflict as well as the importance for national churches in developing a voice in the public square Finally the book offers a reflection on the role of Catholic social teaching in contemporary society and the ways in which the lessons of Northern Ireland can be utilised in a world where structural violence as evidenced by austerity and reactions to Brexit in the United Kingdom is now the norm This work challenges and changes the nature of the debate surrounding the role of the Catholic Church in the conflict in Northern Ireland It will therefore be a key resource for scholars of Religious Studies Catholic Theology Religion and Violence Peace Studies and Twentieth Century History

Contemporary Violence Cerwyn Moore, 2013-07-19 Contemporary violence Postmodern war in Kosovo and Chechnya draws on several years of field research as well as interpretive IR theory and analysis of empirical source material so as to shed light on contemporary violence It is now available in paperback for the first time Drawing on interpretive approaches to international relations the book argues that founding events and multiple contexts informed the narratives deployed by different members of each movement illustrating why elements within the Kosovo Liberation Army and the armed forces of the Chechen republic of Ichkeria

favoured regional and local strategies of war in the Balkans and the North Caucasus The book draws on post positivist analysis and empirical research so as unravel the relationship between narratives stories and hermeneutic accounts of international relations regional politics and trans local identity globalisation and visual aspects of contemporary security criminality and emotionality which together illustrate the dynamics within the armed resistance movements in Kosovo and the North Caucasus and the road to war in 1999 The book is a major addition to a small field of genuinely readable studies of IR theory The book will be of interest to academics researchers students area studies experts and policy makers seeking to understand the formation of the armed resistance movements in Kosovo and Chechnya Amongst other things the book will be of interest to students and scholars of international relations political studies area studies as well as those within cultural and historical and sociological studies

Political Responsibility for a Globalised World Ernst Wolff, 2014-04-15 The aim of this book is to reflect on the complex practice of responsibility within the context of a globalised world and contemporary means of action Levinas exploration of the ethical serves as point of entry and is shown to be seeking inter cultural political relevance through engagement with the issues of postcoloniality and humanism Yet Levinas fails to realise the ethical implications of the inevitable instrumental mediation between ethical meaning and political practice With recourse to Weber Apel and Ricoeur Ernst Wolff proposes a theory of strategic co responsibility for the uncertain global context of practice

Paul Ricoeur The Promise And Risk Of Politics Introduction

In the digital age, access to information has become easier than ever before. The ability to download Paul Ricoeur The Promise And Risk Of Politics has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Paul Ricoeur The Promise And Risk Of Politics has opened up a world of possibilities. Downloading Paul Ricoeur The Promise And Risk Of Politics provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Paul Ricoeur The Promise And Risk Of Politics has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Paul Ricoeur The Promise And Risk Of Politics. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Paul Ricoeur The Promise And Risk Of Politics. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Paul Ricoeur The Promise And Risk Of Politics, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves,

individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Paul Ricoeur The Promise And Risk Of Politics has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Paul Ricoeur The Promise And Risk Of Politics Books

1. Where can I buy Paul Ricoeur The Promise And Risk Of Politics books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
