Paul apostle Of Gods Glory In Christ:

Paul, Apostle of God's Glory in Christ Thomas R. Schreiner, 2006-02-01 Thomas R Schreiner gives a sound and insightful exposition and assessment of Paul's theology that is well geared to the needs of seminary students and working pastors

Servants of the Servant Don N. Howell, 2003-11-14 Leadership is a subject that has gained impressive visibility in the past two decades. The number of books, monographs and articles as well as seminars devoted to the development of one's leadership skills has been almost exponential growth. This study is an attempt to forge a full-orbed theology of Christian leadership grounded in the teaching of Scripture. What emerges from tracing the theme of leadership through the biblical record is a servanthood pattern, one that is wholly distinct from prevailing secular models. Our exposition begins with the biblical language of the servant, the term of choice for those great leaders used of God to further his saving purposes in the world. Eleven Old Testament and five New Testament leaders are profiled. The portrait of Jesus Christ focuses on three motifs that governed his training of the twelve for kingdom ministry. The Pauline letters are mined for those convictions that governed Paul's practice of leadership, both of his mission team and of the faith communities that emerged from that mission. The treatment of each leader, from Joseph to Paul, begins with a series of preliminary questions and concludes with a mini-profile that correlates the biblical data with these questions. The final chapter offers a summary profile of the servant leader, one whose character, motives and agenda align with the divine purposes. Though designed as a textbook for upper-level college and seminary courses on leadership, the book's readable format is ideal for churches and parachurch organizations in their leadership training programs. The author's prayer is that this work will serve as a catalyst to call God's people back to Scripture and thereby raise up a whole new generation of authentic servant leaders. A New Testament Biblical Theology

G. K. Beale, 2011-12-01 In this comprehensive exposition, a leading New Testament scholar explores the unfolding theological unity of the entire Bible from the vantage point of the New Testament. G. K. Beale, coeditor of the award-winning *Commentary on the New Testament Use of the Old Testament*, examines how the New Testament storyline relates to and develops the Old Testament storyline. Beale argues that every major concept of the New Testament is a development of a concept from the Old and is to be understood as a facet of the inauguration of the latter-day new creation and kingdom. Offering extensive interaction between the two testaments, this volume helps readers see the unifying conceptual threads of the Old Testament and how those threads are woven together in Christ. This major work will be valued by students of the New Testament and pastors alike. Paul's Language of Grace in its Graeco-Roman Context James R. Harrison, 2017-01-03 Paul's Language of Grace in Its Graeco-Roman Context was originally published by Mohr Siebeck in 2003 and is now reprinted by Wipf and Stock with a new introduction by its author, James R. Harrison. The book was the first major investigation of *charis* (grace) favor in its social, political and religious context since G. P. Wetter's pioneering 1913 monograph on the topic. Focusing on the evidence of the inscriptions, papyri, philosophers and Greek Jewish literature, Harrison examined the operations of the eastern

Mediterranean benefaction system probing the dynamic of reciprocity between the beneficiary and benefactor whether human or divine Before Paul's converts were first exposed to the gospel they would have held a variety of beliefs regarding the beneficence of the gods The apostle therefore needed to tailor his language of grace as much to the theological and social concerns of the Mediterranean city states in his missionary outreach as to the variegated traditions of first century Judaism In terms of human grace although Paul endorses the reciprocity system he redefines its rationale in light of the gospel of grace and transforms its social expression in his house churches The explosion of grace language that occurs in 2 Corinthians 8-9 regarding the Jerusalem collection is unusual in its frequency in comparison to the honorific inscriptions underscoring the apostle's distinctive approach to giving Regarding divine beneficence Paul accommodates his gospel to contemporary benefaction idiom But he retains a distinctiveness of viewpoint regarding divine charis it is non cultic it is mediated through a dishonored and impoverished Benefactor it overturns the *do ut des* expectation I give so that you may give regarding divine blessing in antiquity Harrison's book still remains the authoritative coverage of the Graeco Roman context of charis

Cultural Contextualization of Apologetics Matt W. Lee, 2022-03-03 In the post Christian world we find sincere efforts in traditional Christian apologetics repeatedly running into invisible walls These blocks happen when cultural issues are neglected With mere rational arguments presented as a defense of Christianity logical answers alone are not attracting the nonbelievers nor resolving their skepticism People today have different obstacles in coming to the Christian faith particularly their own cultural presuppositions How do we present defend and commend Christianity to people whose culture gives them a frame of mind the one that cares very little about how rational the arguments are *Cultural Contextualization of Apologetics* explores the world of the New Testament and the ministry of the apostle Paul to excavate a fresh model for apologetics with cultural engagement to present an answer Matt W Lee analyzes the dynamics involved in Paul's cultural connection with his audience and how it relates to their receptivity uncovering a scheme of apologetics engagement patterned in his apologetics speeches From the background of Paul's world to the forefront of contemporary apologetics preaching *Cultural Contextualization of Apologetics* offers a vision of apologetics communication that is both biblical and practical

Rediscovering Paul David B. Capes, Rodney Reeves, E. Randolph Richards, 2017-11-21 For some of us the apostle Paul is intimidating prickly and unpredictable But maybe it's time to get to know Paul on his own terms Drawing on the best of contemporary scholarship and with language shaped by conversations with today's students this expanded edition of *Rediscovering Paul* gives fresh consideration to Paul's conversion call and his ongoing impact on church and culture

Signs of Continuity Greg Rhodea, 2019-12-11 For more than a century scholars have debated whether Paul the apostle was a faithful follower of Jesus or a corruptor of Jesus's message and the true founder of Christianity *Signs of Continuity* intervenes in this debate by exploring a largely overlooked element of similarity between the two men the place of miracles in their ministries In his close analysis of the miracles performed by Jesus and Paul Greg Rhodea points to signs of continuity

between these two historical figures of Christianity He argues that both Jesus and Paul understood their miracles as accompanying and actualizing a message of gracious inclusion of the marginalized resisted proving their ability to work miracles to those who asked for a sign despite the importance of miracle working to their personal authentication and interpreted miracles as proof of the presence of the eschatological kingdom Based on these similarities Rhodea concludes that Paul the apostle knew of Jesus s miracles and that he imitated Jesus in his own ministry of miracle working In highlighting this previously unexplored area of continuity Rhodea makes a significant contribution to the debate over the relationship between Jesus and Paul Biblical scholars and students interested in this debate will find Signs of Continuity enlightening and informative

Recovering the Evangelical Sacrament Anthony R. Cross,2012-12-06 The subject of baptism continues to be of considerable interest though it frequently appears within broader studies of sacraments liturgy worship and ecumenical studies and within confessional bounds credobaptist or paedobaptist yet it is rarely discussed by Evangelicals This book however is neither an apologetic for credobaptism nor paedobaptism rather Cross believes that as practiced today both forms are a departure from New Testament baptism which he maintains was an integral part of becoming a Christian and part of the proclaimed gospel He argues that the one baptism of Ephesians 4 5 is conversion baptism and that the baptism referred to in the various New Testament strata refers to this one baptism of Spirit and water The study sets out the case for this interpretation and contends that in key passages baptism is an example of synecdoche The case is then made for a sacramental interpretation of baptism from a thoroughgoing Evangelical perspective Cross concludes with reflections on the necessity of baptismal reform and the relevance of a return to conversion baptism for the contemporary church in a post Christian post Christendom mission setting

Paul'S Lifesong of Joy and Unity Sharon I. Gresham,2012-09-05 When Paul and Silas were in prison in Philippi they burst into singing Paul looked at life with a joyful song He found delight when believers lived in harmony The theme of this Bible study is Pauls Life Song Hear his song in the letter he wrote to Philippi even while in another prison Some strains explode with joy while other stanzas carry a minor melody to encourage or warn the people he loved Study his messages and learn how to apply Pauls attitudes regardless of his circumstances This Bible study is rich with insights into the Hebrew and Greek and covers themes Paul brings from the Old Testament or other New Testament teachings Dive deeper into those themes by taking important excursions into the background of the topics This in depth verse by verse investigation is valuable for individuals or groups Enjoy the commentary while completing the workbook and applying the messages to everyday situations Determine your timeframe for the study as you discover what the Lord Jesus wants to do in your life through Paul Ive had the privilege of knowing Sharon Gresham as a teacher speaker for many years and now as a writer Her commitment to in depth study and application of the Bible is refreshing The Philippians study equips the pastor teacher with a resource much needed in the church today I am excited to teach this study both in our church and as we minister internationally Darrel Auvenshine pastor of Southside City

Church Fort Worth Texas With a gift for accurately communicating Gods Word in a relevant and personal way Sharon Greshams in depth study of Philippians will delight and thrill any serious student of the Scriptures I highly recommend it Scott Whitson director of missions Southwest Metroplex Baptist Association and former missionary to Tanzania **Paul as Missionary** Trevor J. Burke, Brian S. Rosner, 2011-03-17 Paul as Missionary Identity Activity Theology and Practice takes the view that before anything else Paul must first and foremost be identified as a missionary Using the entire Pauline corpus the contributors to this volume assess what Paul s correspondence can tell us about how he perceived his role and identity The work comprises four parts in section one Paul s identity as priest eschatological herald and missionary pastor are explored while in part two topics such as the apostle s activity among pagans his suffering and Paul s missionary message to the church at Rome are considered Section three comprises essays on the Spirit as the governing dynamic the glory of God as the apostles missionary goal and the importance of Paul s Christology in shaping his mission to the Gentiles Finally part four addresses Paul s missionary praxis including his support of his missionary enterprise **Contextualization in the New Testament** Dean Flemming, 2025-06-06 Winner of a Christianity Today Book Award Honored as one of the Fifteen Outstanding Books for Mission Studies by International Bulletin of Missionary Research From Cairo to Calcutta from Cochabamba to Columbus Christians are engaged in a conversation about how to speak and live the gospel in today s traditional modern and emergent cultures The technical term for their efforts is contextualization Missionary theorists have pondered and written on it at length More and more those who do theology in the West are also trying to discover new ways of communicating and embodying the gospel for an emerging postmodern culture But few have considered in depth how the early church contextualized the gospel And yet the New Testament provides numerous examples As both a crosscultural missionary and a New Testament scholar Dean Flemming is well equipped to examine how the early church contextualized the gospel and to draw out lessons for today By carefully sifting the New Testament evidence Flemming uncovers the patterns and parameters of a Paul or Mark or John as they spoke the Word on target and he brings these to bear on our contemporary missiological task Rich in insights and conversant with frontline thinking this is a book that will revitalize the conversation and refresh our speaking and living the gospel in today s cultures whether in traditional modern or emergent contexts *The Gospel of the Lord* Michael F. Bird, 2014-08-22 In this book through a distinctive evangelical and critical approach Michael Bird explores the historical development of the four canonical Gospels He shows how the memories and faith of the earliest believers formed the Gospel accounts of Jesus that got written and in turn how these accounts further shaped the early church Bird s study clarifies the often confusing debates over the origins of the canonical Gospels Bird navigates recent concerns and research as he builds an informed case for how the early Christ followers wrote and spread the story of Jesus the story by which they believed they were called to live The Gospel of the Lord is ideal for students or anyone who wants to know the story behind the four Gospels Watch an interview with Michael Bird from our Eerdmans

Author Interview Series World Mission Scott N. Callaham, Will Brooks, 2019-06-12 World missions needs a fully biblical ethos This is the contention of the editors of and contributors to World Mission a series of essays aimed at reforming popular approaches to missions In the first set of essays contributors develop a biblical theology of world missions from both the Old and New Testaments arguing that the theology of each must stand in the foreground of missions not recede into the background In the second they unfold the Great Commission in sequence detailing how it determines the biblical strategy of all mission enterprises Finally they treat current issues in world missions from the perspective of the sufficiency of Scripture Altogether this book aims to reform missions to be thoroughly not just foundationally biblical a needed correction even among the sincerest missionaries The Bible Knowledge Word Study Darrell Bock, 2006 Analyzes words in biblical context rather than providing a simple dictionary definition Gives Verse by verse commentary in a neat clear easy to read format

Jeff Brannon, 2022-11-15 In a world full of suffering and death humans long for abundant life In this ESBT volume Jeff Brannon explores how the hope of life after death is woven throughout Scripture As we follow the biblical themes of creation fall and redemption we begin to understand the doctrine of resurrection and what it means for Christian faith and discipleship *Portrait of an Apostle* Gregory S. MaGee, 2013-09-24 In Portrait of an Apostle Greg MaGee explores the claim that Colossians and Ephesians are works of forgery that use Paul's authoritative status to gain a hearing This hypothesis is so often restated in recent scholarship that it is arguably the default position in the field even though the theory is relatively untested MaGee argues that such a view does not stand up to close scrutiny Unsuccessful attempts to imitate Paul usually flounder in their portrayals of Paul as is evident with the pseudepigraphal Epistle to the Laodiceans and 3 Corinthians Such is not the case with Colossians and Ephesians This book attempts to demonstrate that interpretations based on the assumption of Paul's authorship of Colossians and Ephesians are consistently superior to interpretations positing that an admirer of Paul wrote the letters *How Do You Know You're Not Wrong?* Paul Copan, 2005-08-01 In today's postmodern world believers more than ever before are faced with a host of objections to Christianity Expert apologist Paul Copan describes these objections as anti truth claims and with How Do You Know You're Not Wrong he provides a helpful resource with thorough biblical answers to such regularly used objections as Whatever works for you Just as long as it makes you happy All religions are basically the same Christianity is anti semitic At the end of each chapter he provides practical and easy to share summary points to help readers intelligently and effectively answer the challenges of their non Christian friends and neighbors **Paul's Missionary Methods** Robert L.
