Hermes Pan John Franceschina, 2012-06-08 Armed with an eighth grade education an inexhaustible imagination and an innate talent for dancing Hermes Pan 1909 1990 was a boy from Tennessee who became the most prolific popular and memorable choreographer of the glory days of the Hollywood musical While he may be most well known for the Fred Astaire Ginger Rogers musicals which he choreographed at RKO film studios he also created dances at Twentieth Century Fox M G M Paramount and later for television winning both the Oscar and the Emmy for best choreography In *Hermes Pan The Man Who Danced with Fred Astaire* Pan emerges as a man in full an artist inseparable from his works He was a choreographer deeply interested in his dancers personalities and his dances became his way of embracing and understanding the outside world Though his time in a Trappist monastery proved to him that he was more suited to choreography than to life as a monk Pan remained a deeply devout Roman Catholic throughout his creative life a person firmly convinced of the powers of prayer While he was rarely to be seen without several beautiful women at his side it was no secret that Pan was homosexual and even had a life partner As Pan worked at the nexus of the

cinema industry's creative circles during the golden age of the film musical this book traces not only Pan's personal life but also the history of the Hollywood musical itself It is a study of Pan who emerges here as a benevolent perfectionist and equally of the stars composers and directors with whom he worked from Astaire and Rogers to Betty Grable Rita Hayworth Elizabeth Taylor Sammy Davis Jr Frank Sinatra Bob Fosse George Gershwin Samuel Goldwyn and countless other luminaries of American popular entertainment Author John Franceschina bases his telling of Pan's life on extensive first hand research into Pan's unpublished correspondence and his own interviews Pan enjoyed one of the most illustrious careers of any Hollywood dance director and because his work also spanned across Broadway and television this book will appeal to readers interested in musical theater history dance history and film *Chaplin in the Sound Era* Eric L. Flom, 2015-07-11 Charles Chaplin's sound films have often been overlooked by historians despite the fact that in these films the essential character of Chaplin more overtly asserted itself in his screen images than in his earlier silent work Each of Chaplin's seven sound films City Lights 1931 Modern Times 1936 The Great Dictator 1940 Monsieur Verdoux 1947 Limelight 1952 A King in New York 1957 and A Countess from Hong Kong 1967 is covered in a chapter length essay here The comedian's inspiration for the film is given along with a narrative that describes the film and offers details on behind the scenes activities There is also a full discussion of the movie's themes and contemporary critical reaction to it *The 1931-1940: American Film Institute Catalog of Motion Pictures Produced in the United States* American Film Institute, 1993 The entire field of film historians awaits the AFI volumes with eagerness Eileen Bowser Museum of Modern Art Film Department Comments on previous volumes The source of last resort for finding socially valuable films that received such scant attention that they seem lost until discovered in the AFI Catalog Thomas Cripps Endlessly absorbing as an excursion into cultural history and national memory Arthur Schlesinger Jr *Golden Horrors* Bryan Senn, 2015-09-03 From the grindhouse oddities to major studio releases this work details 46 horror films released during the genre's golden era Each entry includes cast and credits a plot synopsis in depth critical analysis contemporary reviews time of release brief biographies of the principal cast and crew and a production history Apart from the 46 main entries 71 additional borderline horrors are examined and critiqued in an appendix **Mad at the World: A Life of John Steinbeck** William Souder, 2020-10-13 Winner of the 2021 Los Angeles Times Book Prize for Biography A Publishers Weekly Best Book of 2020 in Nonfiction A resonant biography of America's most celebrated novelist of the Great Depression The first full length biography of the Nobel laureate to appear in a quarter century Mad at the World illuminates what has made the work of John Steinbeck an enduring part of the literary canon his capacity for empathy Pulitzer Prize finalist William Souder explores Steinbeck's long apprenticeship as a writer struggling through the depths of the Great Depression and his rise to greatness with masterpieces such as The Red Pony Of Mice and Men and The Grapes of Wrath Angered by the plight of the Dust Bowl migrants who were starving even as they toiled to harvest California's limitless bounty fascinated by the guileless decency of the downtrodden denizens of Cannery Row and appalled by the country's

refusal to recognize the humanity common to all of its citizens Steinbeck took a stand against social injustice paradoxically given his inherent misanthropy setting him apart from the writers of the so called lost generation A man by turns quick tempered compassionate and ultimately brilliant Steinbeck could be a difficult person to like Obsessed with privacy he was mistrustful of people Next to writing his favorite things were drinking and womanizing and getting married which he did three times And while he claimed indifference about success his mid career books and movie deals made him a lot of money which passed through his hands as quickly as it came in And yet Steinbeck also took aim at the corrosiveness of power the perils of income inequality and the urgency of ecological collapse all of which drive public debate to this day Steinbeck remains our great social realist novelist the writer who gave the dispossessed and the disenfranchised a voice in American life and letters Eloquent nuanced and deeply researched Mad at the World captures the full measure of the man and his work

The Memory of All that Joan Peyser,2006 This is a startlingly fresh account of the life of one of the greatest 20th century Americans composer and songwriter George Gershwin Joan Peyser examines Gershwin s character his complex relationship with brother and collaborator Ira and his several romantic affairs This 2006 edition includes newly discovered information in a new author s introduction **Close-up on Sunset Boulevard** Sam Staggs,2003-02-04 Billy Wilder s *Sunset Boulevard* a classic film noir and also a damning dissection of the Hollywood dream factory evokes the glamour and ruin of the stars who subsist on that dream It s also one long in joke about the movie industry and those who made it great and who were in turn destroyed by it One of the most critically admired films of the twentieth century *Sunset Boulevard* is also famous as silent star Gloria Swanson s comeback picture Sam Staggs s *Close Up On Sunset Boulevard* tells the story of this extravagant work from the writing casting and filming to the disastrous previews that made Paramount consider shelving it It s about the writing team of Billy Wilder and Charles Brackett sardonically called the happiest couple in Hollywood and their raucous professional relationship It s about the art direction and the sets the costumes the props the lights and the cameras and the personalities who used those tools to create a cinematic work of art Staggs goes behind the scenes to reveal William Holden endlessly attacked by his bitter wife and already drinking too much Nancy Olson the cheerful ingenue who had never heard of the great Gloria Swanson the dark genius Erich von Stroheim the once famous but long forgotten Waxworks and of course

Swanson herself who just like Norma Desmond had once been the greatest star of them all But the story of Sunset Boulevard doesn't end with the movie's success and acclaim at its release in 1950 There's much more and Staggs layers this stylish book with fascinating detail following the actors and Wilder into their post Sunset careers and revealing Gloria Swanson's never ending struggle to free herself from the clutches of Norma Desmond Close Up On Sunset Boulevard also chronicles the making of Andrew Lloyd Webber's musical production of Sunset Boulevard and the explosive diva controversies that dogged it The book ends with a shocking example of Hollywood life imitating Hollywood art By the last page of this rich narrative readers will conclude We are those wonderful people out there in the dark *Dashing to the End* Eric Monder,2025-05-15

Born Alfred Reginald John Truscott Jones Welsh American actor Ray Milland 1907-1986 appeared in more than 135 theatrical releases between 1929 and 1985 and on radio television and the stage while also becoming a film director Milland's extensive canon across such a period is remarkable especially considering his lack of formal training his belated start in show business in his late twenties and the fact he only lived to age seventy nine Perhaps best remembered for his Oscar winning performance as the tortured alcoholic in Billy Wilder's *The Lost Weekend* 1945 or his outstanding collaboration with Alfred Hitchcock in *Dial M for Murder* 1954 there is much more to Milland's life and career than the few films that elevated him from star to icon Despite his prolific and successful career *Dashing to the End: The Ray Milland Story* is the first comprehensive biography of the star Milland's personal and professional trajectory epitomize quintessential Hollywood lore the British army soldier turned actor who went from unknown struggling bit player to Oscar winning star to aging scandal haunted has been to comeback character actor to present day cult figure Using interviews with Milland's costars and colleagues as well as research from several major archives author Eric Monder brings into sharp relief both the positive and negative aspects of the Hollywood film and television industries and paints a well rounded portrait of this complex man and artist *The Star Machine* Jeanine Basinger,2009-01-06

ONE OF THE HOLLYWOOD REPORTER'S 100 GREATEST FILM BOOKS OF ALL TIME From one of our most distinguished film scholars comes a rich penetrating amusing book about the golden age of movies and how the studios worked to manufacture stars With revelatory insights and delightful asides Jeanine Basinger shows us how the studio star machine worked when it worked how it failed when it didn't and how irrelevant it could sometimes be She gives us case studies focusing on big stars groomed into the system the awesomely beautiful and disillusioned Tyrone Power the seductive disobedient Lana Turner and a dazzling cast of others She anatomizes their careers showing how their fame happened and what happened to them as a result Deeply engrossing full of energy wit and wisdom *The Star Machine* is destined to become a classic of the film canon **Hughes: The Private Diaries, Memos and Letters** Richard Hack,2007 **Edgar G. Ulmer** Noah Isenberg,2024-09-03 Edgar G Ulmer is perhaps best known today for *Detour* considered by many to be the epitome of a certain noir style that transcends its B list origins But in his lifetime he never achieved the celebrity of his fellow Austrian and German migr directors Billy Wilder Otto Preminger Fred Zinnemann

and Robert Siodmak Despite early work with Max Reinhardt and F W Murnau his auspicious debut with Siodmak on their celebrated Weimar classic *People on Sunday* and the success of films like *Detour* and *Ruthless* Ulmer spent most of his career as an itinerant filmmaker earning modest paychecks for films that have either been overlooked or forgotten In this fascinating and well researched account of a career spent on the margins of Hollywood Noah Isenberg provides the little known details of Ulmer s personal life and a thorough analysis of his wide ranging eclectic films features aimed at minority audiences horror and sci fi flicks genre pictures made in the U S and abroad Isenberg shows that Ulmer s unconventional path was in many ways more typical than that of his more famous colleagues As he follows the twists and turns of Ulmer s fortunes Isenberg also conveys a new understanding of low budget filmmaking in the studio era and beyond
