

An aerial photograph of a suburban neighborhood. In the foreground and middle ground, there are several houses with grey roofs and green lawns. A large, dense forest of green trees occupies the central part of the image. In the bottom left corner, there is a small pond with dark water. The text 'PAVING Paradise' is overlaid on the forest area, with 'PAVING' in bold white capital letters and 'Paradise' in a large, pink, cursive font. Below this, the subtitle 'Florida's Vanishing Wetlands and the Failure of No Net Loss' is written in bold white capital letters. At the bottom left, near the pond, the authors' names 'Craig Pittman and Matthew Waite' are written in bold white capital letters.

## **Paving Paradise:**

**Paving Paradise** Craig Pittman, Matthew Waite, 2010-05-25 Florida possesses more wetlands than any other state except Alaska yet since 1990 more than 84 000 acres have been lost to development despite presidential pledges to protect them How and why the state s wetlands are continuing to disappear is the subject of *Paving Paradise* Journalists Craig Pittman and Matthew Waite spent nearly four years investigating the political expedience corruption and negligence on the part of federal and state agencies that led to a failure to enforce regulations on developers They traveled throughout the state interviewed hundreds of people dug through thousands of documents and analyzed satellite imagery to identify former wetlands that were now houses stores and parking lots Exposing the unseen environmental consequences of rampant sprawl Pittman and Waite explain how wetland protection creates the illusion of environmental protection while doing little to stem the tide of destruction [Paving Paradise: Sprawl's Impact on Wildlife & Wild Places in California](#) , [The Wormwood Archive](#) T. G. Brown, 2009-10 The Wormwood Archive records the temptation of an American church by a demon who has discovered the attraction of results based management sophisticated marketing methods and performance driven worship From the perspective of a demon this book offers a sharp and witty critique of contemporary church growth strategies and their impact on local churches Neither Church leaders driven by zeal and ambition nor their wounded and anger blinded opponents can escape from Wormwood s web of temptation or from Brown s scrutiny The Wormwood Archive offers readers an accounting of the high price paid by churches that sacrifice their spiritual heritage at the altar of growth and calls both church leaders and their critics to repent to reconcile and together to treasure their common spiritual roots *Florida's Space Coast* William B. Faherty, 2024-03-05 An important interesting study of the relations between the Kennedy Space Center and the communities of Brevard County Florida Roger D Launius chief historian NASA Washington D C This outstanding book provides readers of Florida history our first insight into the impact that high technology has had on the state Brevard County is a veritable laboratory for understanding what happens when space science and engineering put down roots in a wilderness setting Faherty s writing is direct simple even folksy at times I devoured it Michael Gannon author of *Pearl Harbor Betrayed* and *A Short History of Florida* Florida s Space Coast tells the compelling story of America s half century in space exploration from the successful launch of the first two stage rocket in 1950 through the latest space shuttle missions of 2000 Told from the unique viewpoint of the people who built the Spaceport this book shows how the space program transformed the east central Florida coast from a traditional citrus production and tourist area to one of the most influential high tech centers in the nation Cape Canaveral was chosen as a missile launch site because of its many geographical advantages However in the early years of the space program the area was far from an ideal place for NASA employees to raise their families NASA brought in thousands of space related workers who besides sending machines and men into space had to meet the challenge of moving their families from urban environs to a rural southern county This book engagingly recounts the parallel stories of

the establishment of America's space program and its impact on the development of Brevard County William Barnaby Faherty is professor emeritus of history at St Louis University and director of the Museum of the Western Jesuit Missions in Hazelwood Missouri *Florida's Water* Tom Swihart, 2012-06-25 Florida's Water poses fundamental questions about water sustainability in the United States fourth largest state Florida has long standing water quality problems Global climate change threatens to intensify Florida's floods and droughts make hurricanes more common or more damaging and eventually submerge much of low lying Florida including the Everglades How can Florida meet these extraordinary challenges And what lessons does the Florida experience hold for other states This book fully integrates the many diverse responsibilities of water management into a readable and compelling combination of interesting narratives and deep analysis Author Tom Swihart's unique intimate knowledge of Florida's successes and failures in water management brings out both the novelty of Florida's water situation and the features that it has in common with other states **Asphalt** Kenneth O'Reilly, 2021-07 Asphalt A History provides a narrative history of asphalt and its effects from ancient times to the modern day Although asphalt creates our environment it also threatens it Key West on the Edge Kerstein Robert, 2012-04-01 Discusses the history of Key West from its first one hundred years to the present day also discusses the effects of tourism on the Key West community

**Drying Up** John M. Dunn, 2019-02-08 America's wettest state is running out of water Florida with its swamps lakes extensive coastlines and legions of life giving springs faces a drinking water crisis Drying Up is a wake up call and a hard look at what the future holds for those who call Florida home Dust jacket **Statue of Liberty National Monument (N.M.) and Ellis Island, Ellis Island Development Concept Plan**, 2005 **Haunted Selves, Haunting Places in English Literature and Culture** Julian Wolfreys, 2018-10-24 Haunted Selves Haunting Places in English Literature and Culture offers a series of readings of poetry the novel and other forms of art and cultural expression to explore the relationship between subject and landscape self and place Utilizing an interdisciplinary approach grounded in close reading the text places Jacques Derrida's work on spectrality in dialogue with particular aspects of phenomenology The volume explores writing and culture from the 1880s to the present day proceeding through four sections examining related questions of identity memory the landscape and our modern relationship to the past Julian Wolfreys presents a theoretically informed understanding of the efficacy of literature and culture in connecting us to the past in an affective and engaged manner

**The Enduring Seminoles** Patsy West, 2024-03-19 This engaging short work of anthropology and Florida Indian history deserves a wide audience It is sophisticated enough for a university seminar but filled with appeal for anyone interested in Native Americans Florida history or the interaction of tourists and native peoples Tampa Tribune Times Engrossing West has shown us just how vital tourism has been to the Seminoles and the Miccosukees Ft Lauderdale Sun Sentinel Packed full of stories and details about Florida tribes and tourism Orlando Sentinel A unique social and economic history of the Seminoles and an insightful view of their cultural adaptation and cultural continuity that previously has not been appreciated or

understood Florida Heritage Everyone interested in Florida s Indian population will certainly want this book for their personal collection Polk County News Chief Provides significant contextual information from a Native perspective that undermines facile assumptions about Indians as passive victims of an exploitative tourism industry contributing to ongoing postcolonial debates about similar phenomena worldwide Journal of American History What West makes most clear is that the Natives quickly perceived the degree to which the tourists valued dramatic displays and they adapted the process over the years to serve their own economic ends Florida Historical Quarterly Should make some scholars look again at what they thought were the effects of commercial enterprises on the lives of American Indian people in this hemisphere American Indian Quarterly Patsy West director of the Seminole Miccosukee Photographic Archive in Fort Lauderdale writes a regular history column for the Seminole Tribune the Seminole tribal newspaper *Backcountry Lawman* Bob H. Lee,2013-03-12 With thirty years of backcountry patrol experience in Florida Bob Lee has lived through incidents of legend including one of the biggest environmental busts in Florida history His fascinating memoir reveals the danger and the humor in the unsung exploits of game wardens **Sequel to Suburbia** Nicholas A. Phelps,2015-11-20 How the decentralized automobile oriented and fuel consuming model of American suburban development might change In the years after World War II a distinctly American model for suburban development emerged The expansive rings of outer suburbs that formed around major cities were decentralized and automobile oriented an embodiment of America s postwar mass production mass consumption economy But alternate models for suburbia including transit oriented development smart growth and New Urbanism have inspired critiques of suburbanization and experiments in post suburban ways of living In *Sequel to Suburbia* Nicholas Phelps considers the possible post suburban future offering historical and theoretical context as well as case studies of transforming communities Phelps first locates these outer suburban rings within wider metropolitan spaces describes the suburbs as a spatial fix for the postwar capitalist economy and examines the political and governmental obstacles to reworking suburban space He then presents three glimpses of post suburban America looking at Kendall Dadeland in Miami Dade County Florida Tysons Corner in Fairfax County Virginia and Schaumburg Illinois near Chicago He shows Kendall Dadeland to be an isolated New Urbanism success describes the re planning of Tysons Corner to include a retrofitted central downtown area and examines Schaumburg s position as a regional capital for Chicago s northwest suburbs As these cases show the reworking of suburban space and the accompanying political process will not be left to a small group of architects planners and politicians Post suburban politics will have to command the approval of the residents of suburbia **List of Securities Held by Insurance Corporations and Valuations Fixed as of ...** ,1923 [The Tropic of Cracker](#) Al Burt,2009-03-01 Miami Herald columnist Al Burt s tribute to Crackers or lovers of the real Florida Zora Neale Hurston Marjorie Kinnan Rawlings Virgil Hawkins John DeGrove Harry Crews and lots of everyday folks who have in common their memory of Florida as a wild rare place **Black Writing, Culture, and the State in Latin America** Jerome C.

Branche,2021-04-30 Imagine the tension that existed between the emerging nations and governments throughout the Latin American world and the cultural life of former enslaved Africans and their descendants A world of cultural production in the form of literature poetry art music and eventually film would often simultaneously contravene or cooperate with the newly established order of Latin American nations negotiating independence and a new political and cultural balance In *Black Writing Culture and the State in Latin America* Jerome Branche presents the reader with the complex landscape of art and literature among Afro Hispanic and Latin artists Branche and his contributors describe individuals such as Juan Francisco Manzano who wrote an autobiography on the slave experience in Cuba during the nineteenth century The reader finds a thriving Afro Hispanic theatrical presence throughout Latin America and even across the Atlantic The role of black women in poetry and literature comes to the forefront in the Caribbean presenting a powerful reminder of the diversity that defines the region All too often the disciplines of film studies literary criticism and art history ignore the opportunity to collaborate in a dialogue Branche and his contributors present a unified approach however suggesting that cultural production should not be viewed narrowly especially when studying the achievements of the Afro Latin world

**The Palgrave Handbook of Global Sustainability** Robert Brinkmann,2023-04-04 The field of sustainability continues to evolve as a discipline The world is facing multiple sustainability challenges such as climate change water depletion ecosystem loss and environmental racism The Handbook of Sustainability will provide a comprehensive reference for the field that examines in depth the major themes within what are known as the three E s of sustainability environment equity and economics These three themes will serve as the main organizing body of the work In addition the work will include sections on history and sustainability major figures in the development of sustainability as a discipline and important organizations that contributed or that continue to contribute to sustainability as a field The work is explicitly global in scope as it considers the very different issues associated with sustainability in the global north and south

Jacksonville James B. Crooks,2019-07-09 In the 1950s and 60s Jacksonville faced daunting problems Critics described city government as boss ridden expensive and corrupt African Americans challenged racial segregation and public high schools were discredited The St Johns River and its tributaries were heavily polluted Downtown development had succumbed to suburban sprawl Consolidation endorsed by an almost two to one majority in 1967 became the catalyst for change The city's decision to consolidate with surrounding Duval County began the transformation of this conservative Deep South backwater city into a prosperous mainstream metropolis James B Crooks introduces readers to preconsolidation Jacksonville and then focuses on three major issues that confronted the expanded city racial relations environmental pollution and the revitalization of downtown He shows the successes and setbacks of four mayors Hans G Tanzler Jake Godbold Tommy Hazouri and Ed Austin in responding to these issues He also compares Jacksonville's experience with that of another Florida metropolis Tampa which in 1967 decided against consolidation with surrounding Hillsborough County Consolidation has not been a panacea for all the city's ills Crooks concludes Yet the city

emerges in the 21st century with increased support for art and education new economic initiatives substantial achievements in downtown renewal and laudable efforts to improve race relations and address environmental problems Readers familiar with Jacksonville over the last 40 years will recognize events like the St Johns River cleanup the building of the Jacksonville Landing the ending of odor pollution and the arrival of the Jaguars NFL franchise During the administration of Mayor Hazouri from 1987 to 1991 Crooks was Jacksonville historian in residence at City Hall Combining observations from this period with extensive interviews and documents including a cache of files from the mezzanine of the old City Hall parking garage that contained 44 cabinets of letters memos and reports he has written an urban history that will fascinate scholars of politics and governmental reform as well as residents of the First Coast city A volume in the Florida History and Culture Series edited by Raymond Arsenault and Gary R Mormino

**Not So Golden After All** Larry N. Gerston, 2017-09-25 Quality public education modern highway systems and reasonably priced housing these are just some of the qualities that once made California one of the most desirable places to live Just a few decades later the state finds itself with an education system that is failing its citizens one of the highest unemployment rates in the nation and a quickly evaporating dream of home ownership Illustrating each step of the breakdown that led to its current state of dysfunction Not So Golden After All The Rise and Fall of California provides insight into a system gone amuck It addresses complicated topics in an engaging manner to help the public and leaders alike understand how to make policies that balance expectations with outcomes Key political themes covered include disconnected institutions perpetually unbalanced budgets immigration voter ignorance interest group influence and dysfunctional institutions Investigating the gridlock that has become all too common within the state s legislature the book Demonstrates the impact of the state s inability to generate sufficient revenue particularly for public education and an under trained workforce Highlights the problems created by poor land use planning from suburban sprawl and government waste to inefficient use of agricultural land Examines how interest groups have been able to wrest control of the processes that were created to keep them in line Identifies the duplication of efforts and other inefficiencies at the state and local levels Author Larry Gerston leaves no stone unturned in his discussion of California s economy position on the Pacific Rim cultural diversity land and water issues and its relationship with the federal government He examines the state s infrastructure natural resources immigration issues education finance healthcare civil rights planning and development security laws political parties and power structures to provide civic leaders and policy makers with the understanding required to restore the sheen to this once glistening paradise The Contra Costa Times discussed Larry Gerston s recent Commonwealth Club lecture in a May 17 2012 article Read an interview with Larry Gerston in The Mercury News
