Preaching To Head And Heart:

Preaching to Head and Heart Thomas R. Swears, 2019-11-26 Preachers have long been faced with two options On the one hand they can appeal to their congregations intellects teaching them the substance of the faith from the pulpit On the other they can seek to stir their hearers emotions wooing or warning them with the gospel Usually we reserve these two forms of preaching for different tasks or audiences If you are preaching an evangelistic message to the unchurched then your preaching style will draw more heavily on the emotional aspects If you are leading the faithful into a deeper grasp of the Christian message then you will more likely draw on the intellectual components of preaching While most preachers know that the choice between the head and the heart is a false one they often don't know how to bring the two together effectively In this book Thomas Swears offers detailed practical advice on how to preach to both head and heart He shows how both emotions and intellect function any time one tried to convey meaning from the pulpit regardless of the kind of message one is preaching Without abandoning the conventional wisdom on evangelistic vs teaching sermons he nonetheless insists that preaching with integrity in which the Word is truly embodied will always involve the whole person and personality of both the preacher and the congregation

The New England Soul : Preaching and Religious Culture in Colonial New England Harry S. Stout John B. Madden Master of Berkeley College and Jonathan Edwards Professor of American Christianity Yale University, 1986-09-04 Throughout the colonial era New England's only real public spokesmen were the Congregational ministers One result is that the ideological origins of the American Revolution are nowhere more clearly seen than in the sermons they preached The New England Soul is the first comprehensive analysis of preaching in New England from the founding of the Puritan colonies to the outbreak of the Revolution Using a multi disciplinary approach including analysis of rhetorical style and concept of identity and community Stout examines more than two thousand sermons spanning five generations of ministers including such giants of the pulpit as John Cotton Thomas Shepard Increase and Cotton Mather George Whitefield Jonathan Edwards Jonathan Mayhew and Charles Chauncy Equally important however are the manuscript sermons of many lesser known ministers which never appeared in print By integrating the sermons of ordinary ministers with the printed sermons of their more illustrious contemporaries Stout reconstructs the full import of the colonial sermon as a multi faceted institution that served both religious and political purposes and explicated history and society to the New England Puritans for one and a half centuries

Revival Preaching Ernest Eugene Klassen, 2021-09-03 As part of his passion to bring glory to God Ernie Klassen is particularly interested in the revival of God's people and the awakening of the lost He believes strongly that God honoring Christ exalting and Spirit empowered preaching plays a critical role in revival and awakening No one models this dynamic better than Jonathan Edwards He was a pastor who was a protagonist of the First Great Awakening He thought deeply and critically about religious movements and his reflections and sermons provide valuable fodder for reflection Revival Preaching extracts the most important lessons of Edwards's writings and sermons for

preaching in today's world The Christ-Centered Preaching of Martyn Lloyd-Jones Martyn Lloyd-Jones, 2014-04-30 Throughout history there have been certain figures who have stood the test of time and had an enduring impact on the church at large. One such person was the famed Welsh preacher Dr Martyn Lloyd Jones. In this carefully curated collection of sermons, contemporary readers are introduced to one of the most influential pastors of the 20th century. Each sermon in this volume is preceded by a unique introduction detailing when it was preached, what Lloyd Jones was doing at the time, why the historical context gave rise to the sermon, and how its message relates to the modern world. Compiled and expertly edited by his daughter and grandson, this powerful anthology will help Christians learn from Lloyd Jones's prophetic preaching even today.

Power Through Prayer Edward M. Bounds, 2016-11-25 Christ did not come for the righteous but for the sinner, and He calls us to pray like he did to the Father in a continual basis. Bounds in this work outlines what kind of heaven and earth shattering effects prayer can have from the individual person to the very ministry that someone may be trying to perform. There is no limit or bounds to what kind of power to faith prayer can have.

Preaching the Whole Counsel of God Julius Kim, 2015-11-17 Preaching the Whole Counsel of God is a primary textbook on the art and science of preaching for pastors and pastors in training that teaches you how to practice expository, Christ-focused hermeneutics combined with Gospel-centered audience transforming homiletics. It will guide you to Discover the truth of the text according to the human author, Discern Christ in the text according to the divine author, Design your sermon with truth, goodness, and beauty, Deliver your sermon in a way that keeps attention, retention, and leads to transformation.

Hawthorne's Histories, Hawthorne's World Michael J. Colacurcio, 2022-05-17 Hawthorne's Histories, Hawthorne's World picks up Hawthorne where The Province of Piety left him, extending the historical and theological reading there developed of the early Puritan and revolutionary tales Hawthorne wrote in birthplace Salem on to the contemporary tales, sketches, essays, and finally four published romances based on his stays in Brook Farm, Boston, Concord, Lenox, Salem, Liverpool, and Rome. A collection of essays rather than a single continuously argued monograph, Hawthorne's Histories, Hawthorne's World collects together the essays Professor Colacurcio has written on Hawthorne since the publication of his ground-breaking Province of Piety, elaborating and refining his analyses of how Hawthorne's most memorable early tales do history but proceeding then to explore the later productions of that author's distinguished career. The result in Colacurcio's patient analysis is something like Hawthorne's history of his own times.

A Manual for Preaching Abraham Kuruvilla, 2019-10-15 Abraham Kuruvilla's A Vision for Preaching offered an integrated biblical and theological vision for preaching. A Manual for Preaching addresses the practical and perennial issue of how to move from the biblical text to an effective sermon. The author, a well-respected teacher of preachers, shows how to discern the text's theological meaning and let that meaning shape the development of the sermon. Clearly written and illustrated with Old Testament and New Testament examples, the book helps preachers negotiate larger

swaths of Scripture and includes two annotated sermon manuscripts from Kuruvilla He Will Be the Preacher Erwin W. Lutzer, 2015-04-21 He will be the preacher Whether this was just an offhand remark or the woman leaning over his crib was speaking under inspiration from the Holy Spirit either way her prediction came to pass This is the story of a shy wisecrack kid from rural Canada becoming a well known American preacher It s a story of seemingly random events deciding one man s destiny But most of all it s a story of God leading one of His dear children along Join Erwin Lutzer on this tour of his life from a Saskatchewan farm to a Dallas seminary to the historic Moody Church in Chicago Hear his personal reflections and tales of pastoral hardship Meet the people who have shaped him his parents professors family and even the great evangelist Billy Graham And see how his many roles author speaker evangelist historian and cultural critic have carried his prophetic voice beyond Moody s pulpit even abroad Part story and part reflection full of heart with a dose of wit He Will Be the Preacher is a personal and engaging witness to the providence of God **THE WORKS OF E.M BOUNDS** E.M Bounds, 2015-11-06 What the Church needs to day is not more machinery or better not new organizations or more and novel methods but men whom the Holy Ghost can use men of prayer men mighty in prayer The Holy Ghost does not flow through methods but through men He does not come on machinery but on men He does not anoint plans but men men of prayer An eminent historian has said that the accidents of personal character have more to do with the revolutions of nations than either philosophic historians or democratic politicians will allow This truth has its application in full to the gospel of Christ the character and conduct of the followers of Christ Christianize the world transfigure nations and individuals Of the preachers of the gospel it is eminently true **Spurgeon** Keeney Dickenson, 2024-10-03 The priority a pastor places on preaching is best measured by his investment of prayer Wholehearted prayer reflects high priority and limited prayer means low priority It is tragic when sermons are mechanically written as an academic exercise with a brief invocation and benediction This book contains the tools needed to develop a pulpit ministry that is prioritized in prayer Charles Spurgeon is a worthy example of balancing theological acuity and pastoral spirituality His example as illustrated in this book will point the pastor to Christ and call him to give himself continually to prayer and the ministry of the word **Preaching in Black & White** E. K. Bailey, Warren W. Wiersbe, 2003 Preaching in Black and White is the first attempt to bring together a noted black preacher and white preacher to interact on the dynamics of pulpit ministry and what can be learned from each other The conversation between the two authors discusses the similarities and differences in styles of preaching in the two communities The Man, the Message, the Ministry Dr. David Peacock, 2014-02-06 The Man You cant separate the man from the message This chapter deals with the preparations and surrender that a true God called preacher must be willing to endure Drawing from Pauls pattern to the Thessalonians Dr Peacock deals with issues like confrontation preaching for results and discouragement The Message God has a message He wants to be imparted to the congregation each Sunday This chapter explains what biblical preaching is and how to find the right message Dr Peacock tackles things like harsh preaching outward conformity and preaching on isms

He also deals with what to keep out of the pulpit The Ministry A biblical ministry is built on the proper foundation the Lord Jesus Christ This final chapter addresses many concerns in the ministry Dr Peacock offers his advice and biblical explanation for things like when to start a church the appearance of church facilities how to treat visitors missions street preaching counseling and much more

Preaching without Borders Ryan Roach, 2022-09-08 Though the United States has been a relatively diverse nation Americans have historically lived close to those who are ethnically and culturally like them The unfortunate effects of slavery Jim Crow segregation housing discrimination prejudice and bigotry have been key reasons for demographic divisions While divisions remain communities that were once monoethnic are experiencing changes that are enriching The challenge for these communities is to work to break down barriers that prevent lasting authentic relationships resulting in spiritual growth Churches in these communities are at a crossroads and face a choice do they keep doing what is comfortable despite the changes in their neighborhoods or do they work to resemble their neighbors Preaching Without Borders addresses the challenges preachers face when they attempt to be faithful to the text while contextualizing it so that people of every nation tribe and tongue can be transformed by Jesus *Expositor and Current Anecdotes*, 1907 Gospel Herald, 1923

Lloyd-Jones on the Christian Life (Foreword by Sinclair B. Ferguson) Jason C. Meyer, 2018-04-16 Called a physician of the soul Martyn Lloyd Jones is widely regarded as one of the most powerful preachers of the twentieth century Originally trained as a medical doctor he changed careers after recognizing the depth of healing the gospel can bring to the soul of a sinner With a unique ability to winsomely capture the minds and hearts of his listeners Lloyd Jones crafted sermons that continue to have a tremendous impact on the world today almost forty years after his death In this book pastor Jason Meyer summarizes what Lloyd Jones taught about the Christian life what he saw as the dangers of separating doctrine from life and how he modeled devotion to the knowledge of God Lloyd Jones's passion for the glory of God in his own life will encourage Christians to hunger to experience God in the same way

From Pew to Pulpit Clifton F. Guthrie, 2010-11-01 A down to earth practical introduction to the ins and outs of preaching for lay preachers bivocational pastors and others newly arrived in the pulpit Recent years have seen a considerable increase in the amount of financial resources required to support a full time pastor in the local congregation In addition large numbers of full time seminary trained clergy are retiring without commensurate numbers of new clergy able to take their place As a result of these trends a large number of lay preachers and bivocational pastors have assumed the principal responsibility for filling the pulpit week by week in local churches Most of these individuals observes Clifton Guthrie can draw on a wealth of life experiences as well as strong intuitive skills in knowing what makes a good sermon having listened to them much of their lives What they often don't bring to the pulpit however is specific detailed instruction in the how to's of preaching That is precisely what this brief practical guide to preaching has to offer Written with the needs of those for whom preaching is not their sole or primary occupation in mind it begins by emphasizing what every preacher brings to the pulpit an idea of what makes a sermon particularly moving or

memorable to them From there the book moves into short chapters on choosing an appropriate biblical text or sermon topic learning how to listen to one s first impressions of what a text means moving from text or topic to the sermon itself while keeping the listeners needs firmly in mind making thorough and engaging use of stories in the sermon and delivering with passion and conviction The book concludes with helpful suggestions for resources including Bibles commentaries other print resources and websites
