**Tamara Eberlein, Child Magazine**

## **Raising A Responsible Child How Parents Can Avoid Overindulgent Behavior And Nurture Healthy Children:**

Raising a Responsible Child: Elizabeth Ellis, 1996-01-01 It has often been said Give a man a fish and he has food for a day Teach him to fish and he can provide for himself over a lifetime Raising a Responsible Child explains the phenomenon of the overindulgent parent who helps and protects too much and the underdeveloped child who never really learns to stand on his or her own feet Today many parents are especially prone to shower their children with love and attention and attempt to minimize stress by doing for them In the scurry of modern life parents often can't resist giving in to children's demands or solving their problems just to keep the peace While this is basically a loving approach it does not teach children how to be responsible and independent Parents learn the hard way that their overindulgence does more harm than good their children will only come to them with more demands and act helpless in the face of new problems If you find yourself entrenched in this pattern you can change by using a system of consistent straight forward and logical rules every day You can teach your children to take responsibility for their actions and earn their privileges and you will find perhaps to your surprise that they are willing and ready to do so Some of the issues this book will help you to deal with are The whiny and overly demanding preschooler The small child who throws tantrums in public to get his way The older child who is inconsiderate of family members The teenager who is constantly late for school The young adult who can't get her life together and mooches off her parents indefinitely Many parents discover that the tried and true methods detailed here not only help their children handle emotions in a more mature and constructive manner but also result in higher self esteem and a happier outlook on life

*Raising a Responsible Child* Elizabeth M. Ellis, 1995 All children are capable of mature responsible behavior and can often take on more grown up tasks than adults imagine Using the methods described in this book parents can teach their child to be more self sufficient and independent no matter what his current maturity level Even a child who is inattentive or disorderly in the classroom or rebellious or disrespectful at home can learn to behave responsibly As the pressures of modern life increase both in and out of the home it is tempting to give in to a child's demands in the hopes of keeping the peace Many parents learn the hard way however that their overindulgence doesn't help their child will only come to them with more and more demands No matter how much attention or how many material things you may give her it is never enough to earn her respect and appreciation If you find yourself deeply entrenched in this pattern of giving too much you can reverse it by using firm consistent guidelines with your child every day In this book you will find creative solutions to many common behavior problems from a child's temper tantrums at age six to a teenager's poor performance in high school before they escalate into much more serious problems Using this system of straight forward logical rules you can teach your child to take responsibility for his own actions and earn his privileges and you will find that he is often ready and willing to do so Many parents are pleasantly surprised to discover that the tried and true methods detailed here not only help their child behave in a mature manner but also increase her self esteem and give her a much happier outlook on life BOOK JACKET Title Summary

field provided by Blackwell North America Inc All Rights Reserved      No More Misbehavin' Michele Borba,2003-10-27 This will be the only discipline book you ll ever need to raise good kids from the Foreword by Jack Canfield coauthor Chicken Soup for the Soul and Chicken Soup for the Parent s Soul Michele Borba offers insightful realistic and straightforward advice that is sure to get immediate results Editor in Chief Parents Magazine A sensitive thoughtful eminently practical book that will help parents help their children change behaviors that will improve the child s and the entire family s well being and happiness A wonderful contribution Alvin Rosenfeld M D child psychiatrist and coauthor Over Scheduled Child Anger Anxiety Biting Bossy Bullied Bullying Chore Wars Cynical Defiant Doesn t Listen Fighting Gives Up Easily Hitting Homework Battles Hooked on Rewards Impulsivity Intolerant Lying and Cheating Materialistic Mean Negative Peer Pressure No Friends Over Perfectionism Poor Sportsmanship Put Downs Rude Selfish Sibling Battles Short Attention Span Shy Stealing Swearing Talking Back Tattling Teased Temper Tantrums Whining Yelling Parenting expert Dr Michele Borba tackles the most common bad behaviors that kids ages 3 to 12 repeat over and over behaviors that drive parents crazy In this enormously useful simple to use book she shows how to change these behaviors for good For each negative behavior Dr Borba offers a series of key tips and guidelines and outlines a step by step plan for a customized makeover that really works Using the steps outlined in No More Misbehavin will give you the help you need to raise kids with strong values and good character      **Don't Give Me That Attitude!** Michele Borba,2004-03-11 Does your kid never take no for an answer and demand things go his way Do her theatrics leave you drained at the end of the day Are you resorting to bribes and threats to get your kid to do chores Does he cheat complain or blame others for his problems Do you feel you re running a hotel instead of a home Are you starting to feel like your child s personal ATM machine What happened You thought you were doing the best for your child and didn t set out to raise a selfish insensitive spoiled kid In her newest book Don t Give Me That Attitude parenting expert Michele Borba offers you an effective practical and hands on approach to help you work with your child to fix that very annoying but widespread youthful characteristic attitude If you have a child who is arrogant bad mannered bad tempered a cheat cruel demanding domineering fresh greedy impatient insensitive irresponsible jealous judgmental lazy manipulative narrow minded noncompliant pessimistic a poor loser selfish uncooperative ungrateful or unhelpful this is the book for you      **Child Magazine's Guide to Whining** Tamara Eberlein, Child Magazine,1997 Nearly all young children occasionally resort to whining a tactic guaranteed to get a parent s attention Based on interviews with experts in child psychology this invaluable book is devoted exclusively to the issues of whining begging and related demanding behaviors Readers discover positive and effective ways to handle a demanding child and learn how to hear the message behind the whining handle outbursts at mealtime bedtime and in public how to control emotions in the face of a misbehaving child and much more      Critical Reading, Critical Thinking Richard Pirozzi,2000 Critical Reading Critical Thinking offers a brief review of important developmental reading skills followed by a sequence of chapters covering critical reading This is the first developmental

reading text to take a contemporary issues approach The examples and readings are all taken from today's headlines and news shows The readings in Critical Reading Critical Thinking range from animal rights to European integration to teen pregnancy to religious and cultural clashes in the United States *Working Mother*, 1996-02 The magazine that helps career moms balance their personal and professional lives Say Yes to College Sharon Chandler, Elizabeth Crane, 2005 A dynamic educator teaches parents how to set the stage for academic success Sharon Chandler knows the many challenges that parents face today With no college education herself she instilled the old fashioned values of respect hard work and academic focus in her two children both of whom went on to attend prestigious graduate schools Chandler now teaches hundreds of parents every year to prepare their children for college through her non profit Yes2Kollege Education Resources Inc This book reveals the practical proven methods behind Chandler's belief that any hard working student can attend college regardless of family background or income Say Yes to College shows parents how to Lay a foundation of excellence through love of learning and respect for authority Combat peer pressure and pop culture images Work with teachers guidance counselors and others Mind a child's emotional health and academic development Pick the right college Tackle the SATs and college admissions process Find support along the way Say Yes to College presents a winning combination of traditional tough love and hard won knowledge that will help parents empower their children for a lifetime of success

**Subject Guide to Books in Print**, 1997 *Library Journal*, 1995 **Working Mother**, 1996-02 The magazine that helps career moms balance their personal and professional lives *American Book Publishing Record*, 1996 **Subject Guide to Children's Books in Print 1997** Bowker Editorial Staff, R R Bowker Publishing, 1996-09 **Forthcoming Books** Rose Arny, 1996-06 **How Much Is Too Much? [previously published as How Much Is Enough?]** Jean Illsley Clarke, Connie Dawson, David Bredehoft, 2014-01-07 A down to earth guide to regaining control of your kids and your family Overindulgence is not the badge of a bad parent In fact it comes directly from having a good and generous heart But despite our good intentions the abundance we heap on our kids often becomes more than they need or can handle Family and parenting experts Jean Illsley Clarke Connie Dawson and David Bredehoft help you to understand How damaging overindulgence can be for children When you are overindulging and how to stop Which methods work best to establish firm rules and structure How to instill responsibility and independence in your kids What to do when family and friends are overindulging your kids What grandparents can do to help Based on new research gathered over the past ten years How Much Is Too Much gives you the insight and advice you need to put your children on track for a happy and successful life

Understanding Your Child's Behavior Fiona Stephens, 2021-09-04 A child's behavior may be a problem if it doesn't match the expectations of the family or if it is disruptive The key of the healthy development of children is seen in raising them to become independent In this book it is shown that how to avoid intervention and still set limits that limit the autonomy and personal responsibility of children The book is aimed primarily at unsettled parents including parents who want to check

whether they are on the right track in their task of accompanying their children Also parents who have lost the joy of their everyday parenting and are tired discouraged and exhausted Perhaps parents who have never been allowed to experience healthy limits and are now disoriented when faced with the task of raising and educating their own children I want to give you a lot of practical advices and hope that it will help you make your everyday life easier and happier Educators are also cordially invited to read the book

**Raising a Kid Who Can** Catherine McCarthy, Heather Tedesco, Jennifer Weaver, 2023-09-12 Three mental health professionals cut through the parenting advice noise with this accessible easy to skim book filled with actionable strategies and tips to build a child s capacity to thrive where they are planted in good times and bad It s time to parent smarter not harder Filled with scientifically based and eminently actionable advice and strategies Raising a Kid Who Can boils down the ten essential things that every child needs to thrive so that parents can stop drowning in information and get to the business of raising healthier happier humans Written by three mental health professionals who work with families organized for easy skimming and designed to be useful at any stage in a child s life the book devotes one short impactful chapter per principle including Resilience Attention and Self Control Psychological Flexibility Self Motivation Compassion and Gratitude The result is a new approach to a parenting guide one that takes a wholistic approach to nurturing a child s development and help parents get right to the information they need when they need it

**Secrets of Discipline** Ronald G. Morrish, 1998 Morrish believes it is time to turn our backs on popular discipline He recommends an end to negotiating with children and a return to a model of child rearing where parents and teachers make the decisions

**Good Kids, Bad Habits** Dr. Jennifer Trachtenberg, 2010-10-12 When kids start going on TV binges or devouring fistfuls of cookies it s easy to say They ll grow out of it More likely they re acquiring bad habits that could lead to childhood obesity and chronic adult diseases from diabetes and depression to heart trouble and osteoporosis But by making simple changes now you can help your children avoid these problems later Good Kids Bad Habits supplies the tools you need starting with the unique RealAge Healthy Kids Test Based on the proven RealAge Test which measures biological not calendar age the Healthy Kids Test reveals where children are doing fine and where they re headed for health trouble Regardless of the problem from sleeplessness to video game addiction Dr Jen has seen and solved it all working with parents and kids together Her insightful tips preventive steps and kid smarts learned from working with thousands of children make this book invaluable It will help your kids grow into the healthiest adults they can be while still allowing them to be kids

**The Complete Idiot's Guide to Raising a Strong-Willed Child** Helen Coronato, Mary-Michael Levitt Ed.S. LPC, 2009-10-06 When because I m the parent meets you re not the boss of me Good news there are many ways to parent willful children without every day clashes Here parents learn how to capitalize on children s strengths and make bad days more manageable Full of ideas and techniques it explores how to use empathy first and discipline second exercises and strategies that work to calm toddler tantrums bringing teachers on board raging hormones in teen rebels and dealing with health and safety issues Much more positive than other

parenting books which focus on discipline and parental control Helps parents understand and accept children for who they are as well as who they can hope to be
