It emphasizes the importance of pausing when love and relationships begin to strain, as this reflection can illuminate the true meaning of love and togetherness. Losing inner confidence and trust, whether among citizens or couples, is akin to trying to save a dying tree; it requires immense effort to restore its vitality. As Tasneem Harneed said, "Learn character from trees: values from roots and change from leaves." To embody these values, one must nurture the tree, creating greenery to sustain life's lessons.
