How to Have a Baby on eBay

Wiz Wharton, 2007-04

When Wiz Wharton found out she was pregnant in 2005 she was living in rented accommodation in London with no regular income

Determined to provide her baby with everything he might need but knowing she'd have to do it at the fraction of the normal cost she found her solution on eBay the world's largest online auction site

With the sort of military precision only reserved for the truly obsessed or the truly pregnant Wiz compiled a file of everything she was going to need from maternity wear to nursery equipment via sterilisers nappies and toys

What she discovered was that with a little bit of research some streetwise bidding tactics and patience you can pick up all you need in next to new condition for far far less than normal retail prices

An invaluable money saving planet friendly guide for the modern age

Parenting with Kindness & Consequences

Barbara Frandsen, 2022-11-30

The perfect combination of child development research and grandmotherly wisdom a practical roadmap for raising a child in the 21st century

Kirsten Brunner LPC co author of The Go To Guide for New Dads

Being a good parent is the most challenging and meaningful job anyone can assume

The manner in which parents and other caregivers fulfill this task will impact the future of the child as well as the world

In Parenting with Kindness Consequences parents and grandparents are encouraged to nurture

children from birth with many examples and tips on how to compassionately guide them through each stage of development. An important part of loving a child includes setting appropriate limits. Methods are examined in detail along with how to respond both kindly and firmly when children push the boundaries. The good news is that when corrections or consequences match behaviors in ways that help a child learn, no punishment need occur. Severe challenges such as cruelty to others, stealing, and lying are examined with a focus on healing. Although this book focuses on early childhood, the same principles apply to older children, teens, and young adults.

The Child Psychotherapy Treatment Planner Arthur E. Jongsma, Jr., L. Mark Peterson, William P. McInnis, Timothy J. Bruce, 2023-02-14. Now in its sixth edition, *The Child Psychotherapy Treatment Planner* is an essential reference used by clinicians around the country to clarify, simplify, and accelerate the patient treatment planning process. The book allows practitioners to spend less time on paperwork to satisfy the increasingly stringent demands of HMOs, managed care companies, third-party payors, and state and federal agencies, and more time treating patients face to face. The latest edition of this Treatment Planner offers accessible and easily navigable treatment plan components organized by behavioral problem and DSM 5 diagnosis. It also includes newly updated treatment objectives and interventions supported by the best available research, new therapeutic games, workbooks, DVDs, toolkits, video, and audio to support treatment plans and improve patient outcomes. Fully revised content on gender dysphoria consistent with the latest guidelines, as well as a new chapter on disruptive mood dysregulation disorder and Bullying Victim. An invaluable resource for practicing social workers, therapists, psychologists, and other clinicians who frequently treat children. *The Child Psychotherapy Treatment Planner Sixth Edition* is a timesaving, easy-to-use reference perfectly suited for busy practitioners who want to spend more time focused on their patients and less time manually composing the over 1000 pre-written treatment goals, objectives, and interventions contained within.
