common features do the people places and things we deem to be iconic share To begin with an icon generates strong responses in people it often stands for a group of values John Wayne it reflects forces of its time it can be reshaped or extended by imitation and it often breaks down barriers between various segments of American culture such as those that exist between white and black America or between high and low art The essays contained in this set examine all these aspects of American icons from a variety of perspectives and through a lively range of rhetoric styles **Chasing Tiger**

Curt Sampson, 2002-06-03 All eat from the bowl of life Tiger Woods just has a bigger spoon So writes Curt Sampson in his ground breaking account of the current state of golf Tiger Woods has changed golf forever His mix of power and skill combines with his extraordinary business savvy to make Woods the biggest global sports figure since Michael Jordan Like Jordan Woods competitive signature is equal parts inspiration and intimidation But what about the other guys It s either catch up or give up for the rest of the golfing world and in Chasing Tiger Curt Sampson exuberantly charts the state of the game as the new century unfolds There are Duval and Mickelson and a host of other stars of course but there are also the junior golfers and their parents corporate America agents instructors fans and the media Just as he did in his controversial bestsellers Hogan and The Masters Sampson digs deep to uncover stories that wouldn t otherwise be told There s the golf course employee in Austin whose admiration for Woods leads him to spend every waking minute mimicking his hero including the trademark pumping fist only here it s on the practice green There s the awestruck unemployed talk show host who stretches the bounds of good taste and hero worship with his Web site Tigerwoodsiscod com At the other end of the scale is Charles Howell III skinny as a 2 iron a up and coming player who has been tapped by Jack Nicklaus to be the next great challenge to Woods Howell is the anti Tiger a man unfailingly friendly to fans and media recently married opinionated and entirely lacking in caution yet he struggles to earn enough money to make the Tour Curt Sampson has written an affectionate yet wary account of one extraordinary man s impact on the world of sport By turns moving hilarious and eye opening Chasing Tiger is a wonderful addition to the golf canon Racial Ambiguity in Asian American Culture Jennifer Ann

Ho, 2015-05-12 The sheer diversity of the Asian American populace makes them an ambiguous racial category Indeed the 2010 U S Census lists twenty four Asian ethnic groups lumping together under one heading people with dramatically different historical backgrounds and cultures In Racial Ambiguity in Asian American Culture Jennifer Ann Ho shines a light on the hybrid and indeterminate aspects of race revealing ambiguity to be paramount to a more nuanced understanding both of race and of what it means to be Asian American Exploring a variety of subjects and cultural artifacts Ho reveals how Asian American subjects evince a deep racial ambiguity that unmoors the concept of race from any fixed or finite understanding For example the book examines the racial ambiguity of Japanese American nisei Yoshiko Nakamura deLeon who during World War II underwent an abrupt transition from being an enemy alien to an assimilating American via the Mixed Marriage Policy of 1942 It looks at the blogs of Korean Taiwanese and Vietnamese Americans who were adopted as children by white

American families and have conflicted feelings about their honorary white status And it discusses Tiger Woods the most famous mixed race Asian American whose description of himself as Cablinasian reflecting his background as Black Asian Caucasian and Native American perfectly captures the ambiguity of racial classifications Race is an abstraction that we treat as concrete a construct that reflects only our desires fears and anxieties Jennifer Ho demonstrates in *Racial Ambiguity in Asian American Culture* that seeing race as ambiguous puts us one step closer to a potential antidote to racism *Raising the bar, championship year of Tiger Woods* Tim Rosaforte,2000 *Leadership* Paul B. Thornton,2004-08 *Leadership Seeing Describing and Pursuing What s Possible* describes the actions leaders take to help individuals teams and organizations find their greatness and achieve their best performances This book will sharpen and fine tune your ability to be an effective leader ***Sports in America from Colonial Times to the Twenty-First Century: An Encyclopedia*** Steven A.
