There are many messages for you in this book. This book is a must-have. Margaret Ann Lembo, author of *Animal Totems* and *the Gemstone Kingdom*. Melissa Alvarez goes beyond the typical numerology descriptors to bring you a whole new way to access your guidance through numbers. Intuition, the universe. One of my favorite methods she uses is to tune in for yourself and intuit how your messages apply to your life. A must-keep for your shelf. Melanie Barnum, author of *The Book of Psychic Symbols*. Melissa Alvarez always imparts an abundance of information to her readers. Sally Painter, author and paranormal content writer. I absolutely LOVE this much-needed book. Melissa has successfully woven the magical messages of numbers with animals, nature, and the universe to reveal a deeper look into how we are constantly being guided in our cosmic dance. She has created a reference book and a guidebook teaching us how to use our intuition with each meaning she has so wonderfully brought together. This is definitely a book you will want handy at all times. Betsey Grady, Psychic Medium, Akashic Records Consultant. Big and bold, wise and wonderful. What can I say but Wow! This ain't your mama's number book. With well over a thousand entries plus an extensive index, *Raise Your Frequency Through Number Messages* by Melissa Alvarez is a brilliant tour de force, an encyclopedic resource as expansive in its scope as it is insightful in its content. And I do mean insightful. I've been working with it for several days now and am finding its number messages to be remarkably accurate overall. Also accessible. This is the sort of book that feels as though it's speaking directly to you, comprehensive and conversational both. Whatever I ask it, I get an astute answer. Besides which, I have to add it is really fun to use, almost addictive in fact. Be warned: once you start perusing the pages, you may find it difficult to stop. I know I do. In all honesty, just the act of reading this book raises my frequency. It radiates positive energy. At its core, the book covers the numbers from zero to 1111, and for each and every one, Ms. Alvarez has intuited not only its special message but also three related synchronicities, additional messengers if you will, drawn from the realms of animal guides, Nature, and Universal energies, making this a truly unique reference. I know of no other quite like it, and I am so impressed by how well the author knits everything together. The synchronicities dovetail beautifully with the number messages. For the record, I've read almost all of Melissa Alvarez's books, and they never disappoint, but I think this one is my favorite so far. *Raise Your Frequency Through*
