Raking The Snow:

Pine Ridge Plantation William Drysdale, 1901 卐卐3 shi qingyao, 2024-12-16 Who said that it is appropriate to travel today it will rain when you go out Lu Yang complained that he regretted not bringing hemp fiber in advance **Mitigating Old Tree Mortality in Long-Unburned, Fire-Dependent Forests** Sharon M. Hood, 2011 This is a print on demand edition of a hard to find publication This report synthesizes the literature and current state of knowledge pertaining to re introducing fire in stands where it has been excluded for long periods and the impact of these introductory fires on overstory tree injury and mortality Only forested ecosystems in the United States that are adapted to survive frequent fire are included Treatment options that minimize large diameter and old tree injury and mortality in areas with deep duff and methods to manage and reduce duff accumulations are discussed Pertinent background information on tree physiology properties of duff and historical versus current disturbance regimes are also discussed Charts and tables *Blue Skies and Thunder* Virgil W. Westdale, Stephanie A. Gerdes, 2009-12 In 1942 Virgil Westdale was a successful young flight instructor when the government ousted him from the Air Corps and demoted him to army private Having grown up as a Japanese American midwestern farm boy Westdale had his first taste of Japanese culture when he was sent to train with the all Japanese American unit the 442nd Regimental Combat Team He was ultimately transferred to the 522nd Artillery Battalion where as a member of the Fire Direction Center he helped push the Germans out of Italy rescue the Lost Battalion in France and free prisoners from Dachau Concentration Camp in Germany After the war Westdale went on to pursue a career in research and development with large corporations He received twenty five U S patents and earned an international award for his work with photocopier components In retirement he has been working for the TSA returning to the worlds of aviation and national security Written for the lay reader as well as the history buff Westdale s stories of World War II challenge preconceived notions of what we think we know about a soldier s life in Europe and offer images that go beyond the history books Spanning over ninety years Virgil s amazing and complex life story vividly reflects America s history from the early 1900s to our current fight against terrorism His book reads if he were sitting before me casually sharing his life A highlight of my career both as an Army officer and a Federal Civil Servant has been the honor of working with and getting to know Virgil Westdale a great American This is a truly fascinating and memorable autobiography John H Mumma Colonel US Army Retired Federal Security Director Transportation Security Administration Virgil Westdale s *Blue Skies and Thunder* tells a story that is both unique in American history and uniquely American After growing up as a Midwestern farm boy whose Japanese father had largely assimilated into the local community he found himself after Pearl Harbor viewed with suspicion by the very government he wanted to serve in the Second World War Denied a chance to serve as a military pilot or even as a pilot trainer he eventually found his way into a newly created Japanese American artillery unit and served with distinction in Italy France and Germany Back in the United States he completed college and made a career for himself as an engineer with

multiple patents to his credit and eventually served his country a second time as an airport security officer His account is highly readable and offers insights into a wide range of aspects of both his own life and the world around him Dr James Smither Director Grand Valley State University Veterans History Project
