Imogen Olson,2013-12-20 In a world ravaged by nuclear waste the wolves are rising Nearly a thousand years ago wolf culture began to evolve from the ashes of human society The canines advanced rapidly over the centuries as they mastered the uses of language writing fire craftsmanship and metals They began to branch out make new discoveries and recording their history Now in a medieval age of development wolf kind is being threatened by a vicious she wolf and her acquiescent mate who will stop at nothing to achieve their goals Only a conflicted young wolf named Rakuro who holds the power to make or break the future of all wolf kind can stop them As the struggle for the ultimate goal a secret from the beginning of wolf history escalates Rakuro is faced with a choice that will not only define who he is but will change the future of his species If infinite knowledge lay within your grasp What would you do **Taken to Voraxia: an alien**

**monster romance** Elizabeth Stephens,2020-04-08 Dark diverse and scorching hot Taken to Voraxia is an unforgettable experience spanning quadrants and cosmos Perfect for fans of dark fantasy sci-fi and monster romance don t wait another solar start your next series addiction today The Voraxian king has come again and this time he s come for me I ve got no desire to be claimed by the alien king Blue skin seven feet and strapped with muscle I ve seen what his kind does to humans And I don t care that he watches me with hunger I m a hybrid and an inventor and I know that I can engineer my way out of this one Even though our human colony is a scary desperate place I m willing to meet it head on if it means escape So I run I don t expect him to give chase \_\_\_\_\_ Taken to Voraxia is book 1 in the Amazon SciFi romance bestselling Xiveri Mates series Each book features a new couple that always gets their HEA Expect inhuman heroes with horns fangs claws ridges and

otherworldly forms paired with strong human or hybrid heroines A darker read sensitive readers should be aware that this book contains violent battles epic spice and early themes of subjugation of women that end spectacularly Additional content information can be found on my website      **Taken to Heimo: An Alien Monster Romance** Elizabeth Stephens,2021-01-20

He hates me and all humans But he still calls me his Hm There are a few things my Tri God did not prepare me for The first Niahhorru pirates wanting to kidnap me The second my own human Council so willing to help them And the third the powerful draw I have towards the male who hates me most in this universe Well he says he hates humans but he ll still battle the Council pirates and the whole of the universe to save my life And I m counting on it Because I ve uncovered some secrets I shouldn t have making me the most wanted female in the cosmos \_\_\_\_\_ Taken to Heimo is book 4 in the Xiveri Mates series and features a human head scarf wearing heroine and the hateful inhuman hero who ll do anything for her including defend her against several attacks sensitive readers please be aware While this book features a new couple and an HEA it s best enjoyed after reading books 1 and 2      Eye Gaze in Intelligent User Interfaces Yukiko I. Nakano,Cristina

Conati,Thomas Bader,2013-01-04 Remarkable progress in eye tracking technologies opened the way to design novel attention based intelligent user interfaces and highlighted the importance of better understanding of eye gaze in human computer interaction and human human communication For instance a user s focus of attention is useful in interpreting the user s intentions their understanding of the conversation and their attitude towards the conversation In human face to face communication eye gaze plays an important role in floor management grounding and engagement in conversation Eye Gaze in Intelligent User Interfaces draws on ideas from a number of contributors working on how attentional information can be applied to novel intelligent interfaces Part I focuses on analyzing human eye gaze behaviors to reveal characteristics of human communication and cognition Part II addresses estimation and prediction of the cognitive state of the users using gaze information and Part III presents proposals of novel gaze aware interfaces which integrate eye trackers as a system component The contributions highlight a direction for the future of human computer interaction and discuss issues in human attentional behaviors and face to face communication which are essential in designing gaze aware interactive interfaces
