Tales of the Favorite Extreme Sports MD Shar,101-01-01 The book is structured to provide both a deep dive into the specifics of each sport and a broader understanding of their impact Each chapter begins with an introduction to the sport followed by a detailed exploration of its rules regulations and significant milestones Readers will find accounts of major completions and notable achievements alongside the historical context that has shaped the development of these sports The stories of key figures and their contributions are interwoven with fascinating anecdotes and memorable events that illustrate the rich tapestry of the extreme sports world Extreme sports are not just about the adrenaline rush they are also about community culture and personal growth The athletes who participate in these sports often speak of the camaraderie the shared experiences and the profound sense of accomplishment that comes from pushing themselves to new heights The book captures these elements providing insight into how extreme sports foster connections between people and communities and how they inspire individuals to challenge their limits **The Chequered Past** David Anderson Charters,2007-01-01 In the forty year period between 1951 and 1991 Canadian sports car competition underwent a massive change transforming itself from an amateur recreational pastime to a commercialized profession and from an individual sport to a spectacle for mass consumption The Chequered Past is the story of the struggle over power and purpose within the Canadian auto sport that led to this transformation The first comprehensive history of sports car racing and rallying in Canada The Chequered Past traces the efforts of the national governing body the Canadian Auto Sport Clubs CASC to bring its sports car competition up to a world class level and to manage the consequences of those efforts in the second half of the twentieth century David Charters traces the social origins of the sport and the major trends that shaped it professionalism technological change rising costs and the influence of commercial sponsors Charters argues that while early enthusiasts set the sport on a course toward professionalism that would eventually produce world class Canadian events and racers that course would also ultimately

change the purpose of the sport from personal recreation to mass entertainment As technological innovations drove up the costs of competing at the top ranks racers were forced to rely on sponsors who commercialized and ultimately gained control of the sport The end result Charters argues was the marginalization of the amateur competitor and of the CASC itself Based on extensive research into the CASC s records and dozens of interviews with former competitors and officials The Chequered Past opens a window into the rich but virtually unknown history of the auto sport and claims for it a place in Canadian sports history Cycle World Magazine ,2010-01 **Catalog of Copyright Entries. The Long Way Home Robin Pilcher,2010-03-30 The Long Way Home is Robin Pilcher at his best I devoured every word of this masterful storyteller Debbie Macomber 1 New York Times bestselling author In the vein of Maeve Binchy Rosamunde Pilcher and Nicholas Sparks New York Times bestselling author Robin Pilcher returns with his most enchanting novel yet filled with captivating twists and turns of heart When Claire Barclay receives news that her beloved stepfather has had a stroke she s more than a little shaken Leo is her last real relative and his own children rarely check up on the old man Claire and her husband Art leave New York and fly back to Scotland to care for him during the summer Their visit makes clear that Leo is no longer capable of living on his own but he is determined to stay in his beloved old house Art comes up with the idea of turning the place into a conference center thinking they could purchase the place from Leo and build him a cottage on the property But the situation is much more complicated than it seems Claire s old flame Jonas Fairwether has become Leo s caretaker and trusted confidant Though Claire distrusts Jonas s motives Leo chooses to take his advice to put the house up for public auction rather than sell directly to Art and Claire Claire is immediately suspicious and even more so when she finds out that another application has been submitted to develop the property Does Jonas Fairwether want to knock down the Leo s house and build a development It looks like whoever is behind the plan is being driven by financial gain but there may be an even stronger motive The Long Way Home will keep readers on the edge of their seats This is a masterful novel from a master storyteller
